3.2.2. Total number of workshops/seminars conducted on Research Methodology, Intellectual Property Rights (IPR) and entrepreneurship for the academic year 2022-2023

S No	Year	Name of the workshop/seminar	No of Participants	Date	Page No
1	2022-2023	Workshop on Recent trends in Machine Learning and Big data	72	04/07/2022 to 08/07/2022	3-25
2	2022-2023	Workshop Intellectual Property Right	48	10/08/2022 to 15/08/2022	26-47
3	2022-2023	Workshop On Professionalism & Ethics	87	13/09/2022 to 17/09/2022	48-72
4	2022-2023	Seminar on Arduino Board and Programming	62	22/06/2022	73-93
5	2022-2023	Seminar on Latex for research article	28	20/09/2022	94-114
6	2022-2023	Workshop on Intellectual Property Right Law	35	17/11/2022 to 22/11/2022	115-135
7	2022-2023	One Day Seminar on Web Page Design	46	06/12/2022	136-156
8	2022-2023	Workshop on Effective research paper writing	42	03/11/2022 to 08/11/2022	157-178
9	2022-2023	Seminar on Research methodology & data collection	40	10/03/2023	179-199
10	2022-2023	Workshop on Guidance on Employability skill Development	50	27/07/2022 to 01/08/2022	200-221
11	2022-2023	Seminar on Carrier opportunities in Entrepreneurship	43	24/08/2022	222-242
12	2022-2023	Workshop on Career counselling session	51	27/03/2023 to 31/03/2023	243-264

## ABOUT AVANTHI

Avanthi Institute of Engineering & Technology, Hyderabad is sponsored by Avanthi Educational Society, established in the year 2005, with the able leadership of Sri. M. Srinivasa Rao, came into being with a congregation of dedicated academicians and able administrators in the field of higher education and learning. This Institution has achieved NAAC accreditation for period of 5 years. UG Programs CSE and ECE are accredited by NBA (National Board of Accreditation). The society has grown into a large group of more than 13 educational institutions having student strength more than 25,000 pursuing education in the field of Engineering & Technology, science, commerce, IT & Management under this fold.

Career in today's dynamic environment needs, choosing the better location as a bench mark to realize the goals and objectives. A dream of education today, tomorrow and everyone know what was yesterday.

It is a top ranked institution in engineering education in terms of academics & placements. The college offers UG programs in EEE, ECE, CSE & PG programs in, ES, VLSI, CSE. The College has state of the art infrastructure, resource facilities, well-furnished lecture halls, highly equipped labs, library & well-furnished canteen.

## ABOUT DEPARTMENT OF CSE

Computer science and engineering (CSE) is an academic program at many universities which comprises approaches of computer science and computer engineering. There is no clear division in computing between science and engineering, just like in the field of materials science and engineering.

## ELIGIBILITY

The course is open to faculty from AICTE approved Engineering colleges / Institutions and working professionals from Industries / R&D organizations & EDC with basic degree in relevant field of Engineering students

## ABOUT WORKSHOP

Experienced scheme of IPR awareness workshops/seminars helps teach the basics of intellectual property rights to the electronics and IT sectors across India. It is a plan by the Department Of Industrial Policy and Promotion (DIPP) Government of India, Ministry of Commerce and Industry. As part of our ongoing support for Information Technology (IT) and Electronics Industry Promotion (EIPR), the Directorate of Electronics and Information Technology (DEIT) is organising a Scheme to Support IPR Awareness Workshops/seminars. The Scheme will support the activities of the Department of Industrial Policy and Promotion (DIPP) under its "IPR Awareness Campaign".

Guntapally

01-07-2022

To,

The Principal,

Avanthi Institute of Engineering and Technology, Guntapally,

Hyderabad.

Sub: Request for an approval to conduct a workshop on "**Recent trends in Machine Learning and Big data**" -reg.

This is to inform you that the Department of Computer Science Engineering is planning to conduct a workshop on "**Recent trends in Machine Learning and Big data**" from 04/07/2022 to 08/07/2022. The resource person for the workshop is

Dr. P. Srinivas

Professor CSE

Bharath Institute of engineering & technology

The resource person's lecture would enlighten all the participants about pursuing research and publications. We request you to give permission to organize the workshop on the above-mentioned date.

Thanking you Sir,

  
Yours Sincerely,  
  
R&D Coordinator

### Program Schedule

#### Day-1

Time	Program
10:00 AM-10:10 AM	Welcome Note
10:10 AM-10:20 AM	Lightening of Lamp
10:20 AM-10:30 AM	Principal Message
10:30 AM-10:40 AM	Introduction of Guest
10:40 AM-10.50 AM	Guest Message
10.50 AM-11:00 AM	TEA Break
11:00 AM-01:00 PM	Session- 1
01:00 PM-02:00 PM	Lunch
02:00 PM-04:00 PM	Session — II

#### Day-2

Time	Program
10:00 AM-10:10 AM	TEA Break
10:10 AM-12:30 PM	Session- 1
12:30 PM-01:30 PM	Lunch
01:30 PM-04:00 PM	Session — II

#### Day-3

Time	Program
10:00 AM-10:10 AM	TEA Break
10:10 AM-12:30 PM	Session-1
12:30 PM-01:30 PM	Lunch
01:30 PM-04:00 PM	Session — II

---

A Five-day workshop on "Recent trends in Machine Learning and Big data" has been organized by the Department of CSE, Avanathi Institute of Engineering and Technology, Guntapally, from 04/07/2022 to 08/07/2022. Dr. P. Srinivas, Professor CSE has discussed regarding **big data** primarily refers to data sets that are too large or complex to be dealt with by traditional data-processing application software. Data with many entries (rows) offer greater statistical power, while data with higher complexity (more attributes or columns) may lead to a higher false discovery rate. Though used sometimes loosely partly due to a lack of formal definition, the best interpretation is that it is a large body of information that cannot be comprehended when used in small amounts only. Big data analysis challenges include capturing data, data storage, data analysis, search, sharing, and data source. Big data was originally associated with three key concepts: *volume*, *variety*, and *velocity*. The analysis of big data presents challenges in sampling, and thus previously allowing for only observations and sampling. Thus, a fourth concept, *veracity*, refers to the quality or insightfulness of the data.

### EXPENDITURE DATED 08-07-2022

The R&D Cell is has Conducted a Five days' workshop on "Recent trends in Machine Learning and Big data" 04/07/2022 to 08/07/2022 for all the faculty members and students.

The following, are the details of the expenditure:

S.NO	Description	Amount in Rs
1	Certificates Printing	900.00
2	HONORARIUM+TA	6000.00
3	Miscellaneous (one day)	900.00
Total		7800.00

Total number of Registrations: 72

Total amount Spent: Rs. 7800/- (Seven thousand Eight Hundred only)

Yours Faith Fully,

## ABOUT AVANTHI

Avanthi Institute of Engineering & Technology, Hyderabad is sponsored by Avanthi Educational Society, established in the year 2005, with the able leadership of Sri. M. Srinivasa Rao, came into being with a congregation of dedicated academicians and able administrators in the field of higher education and learning. This Institution has achieved NAAC accreditation for period of 5 years. UG Programs CSE and ECE are accredited by NBA (National Board of Accreditation). The society has grown into a large group of more than 13 educational institutions having student strength more than 25,000 pursuing education in the field of Engineering & Technology, science, commerce, IT & Management under this fold.

Career in today's dynamic environment needs, choosing the better location as a benchmark to realize the goals and objectives. A dream of education today, tomorrow and everyone know what was yesterday.

It is a top ranked institution in engineering education in terms of academics & placements. The college offers UG programs in EEE, ECE, CSE & PG programs in, ES, VLSI, CSE. The College has state of the art infrastructure, resource facilities, well-furnished lecture halls, highly equipped labs, library & well-furnished canteen.

## ABOUT DEPARTMENT OF MBA

The department of MBA in Avanthi was started with an intake of 60 students. The department has well established and highly qualified faculty to fulfill the aspirations of student community. The department strives to shape students into critical, and independent thinker.

## ELIGIBILITY

The course is open to faculty from AICTE approved Engineering colleges / Institutions and working professionals from Industries / R&D organizations & EDC with basic degree in relevant field of Engineering students

## ABOUT WORKSHOP

The "Navigating Intellectual Property: Safeguarding Innovation and Creativity" workshop is a dynamic and informative session tailored for entrepreneurs, innovators, and legal professionals seeking a comprehensive understanding of Intellectual Property Rights (IPR). Scheduled for [Insert Date(s)] at [Insert Venue], this workshop delves into the critical aspects of IP, equipping participants with practical knowledge to protect their creative and innovative endeavors. The workshop begins with an exploration of the fundamental concepts of intellectual property, encompassing patents, trademarks, copyrights, and trade secrets.

To,

The Principal,

Avanthi Institute of Engineering and Technology, Guntapally,

Hyderabad.

Sub: Request for an approval to conduct a workshop on "**Intellectual Property Rights**" -reg.

This is to inform you that the Department of Master of Business & Administration is planning to conduct a workshop on "**Intellectual Property Rights**" from 10/08/2022 to 15/08/2022. The resource person for the workshop is

Dr. Sapana Singh

Associate Professor

University of HYD

The resource person's lecture would enlighten all the participants about pursuing research and publications. We request you to give permission to organize the workshop on the above-mentioned date.

Thanking you Sir,

Yours Sincerely,

### Workshop on Intellectual Property Rights

**Details of the Resource Person:** Dr. Sapana Singh, Associate Professor, UOH

**No. of Participants:** 48

#### Dr. Sapana Singh, Explaining about Intellectual Property Rights

A Five-day workshop on "Intellectual Property Rights" has been organized by the Department of MBA, Avanthi Institute of Engineering and Technology, Guntapally, from 10/08/2022 to 15/08/2022. Dr. Sapana Singh has discussed regarding One area can be characterized as the protection of distinctive signs, in particular trademarks (which distinguish the goods or services of one undertaking from those of other undertakings) and geographical indications (which identify a good as originating in a place where a given characteristic of the good is essentially attributable to its geographical origin). The protection of such distinctive signs aims to stimulate and ensure fair competition and to protect consumers, by enabling them to make informed choices between various goods and services. The protection may last indefinitely, provided the sign in question continues to be distinctive.

## ABOUT AVANTHI

Avanthy Institute of Engineering & Technology, Hyderabad is sponsored by Avanthy Educational Society, established in the year 2005, with the able leadership of Sri. M. Srinivasa Rao, came into being with a congregation of dedicated academicians and able administrators in the field of higher education and learning. This Institution has achieved NAAC accreditation for period of 5 years. UG Programs CSE and ECE are accredited by NBA (National Board of Accreditation). The society has grown into a large group of more than 13 educational institutions having student strength more than 25,000 pursuing education in the field of Engineering & Technology, science, commerce, IT & Management under this fold.

Career in today's dynamic environment needs, choosing the better location as a bench mark to realize the goals and objectives. A dream of education today, tomorrow and everyone know what was yesterday.

It is a top ranked institution in engineering education in terms of academics & placements. The college offers UG programs in EEE, ECE, CSE & PG programs in, ES, VLSI, CSE. The College has state of the art infrastructure, resource facilities, well-furnished lecture halls, highly equipped labs, library & well-furnished canteen.

## ABOUT DEPARTMENT OF MBA

The department of MBA in Avanthy was started with an intake of 60 students. The department has well established and highly qualified faculty to fulfill the aspirations of student community. The department strives to shape students into critical, and independent thinker.

## ELIGIBILITY

The course is open to faculty from AICTE approved Engineering colleges / Institutions and working professionals from Industries / R&D organizations & EDC with basic degree in relevant field of Engineering students

## ABOUT WORKSHOP

The "Professionalism & Ethics" workshop offers a condensed yet comprehensive exploration of ethical conduct and professionalism in the workplace. Designed for professionals across industries, this workshop aims to instill a deep understanding of ethical principles and best practices. Participants will delve into the importance of maintaining integrity, transparency, and accountability in their professional roles. The workshop covers ethical decision-making processes, emphasizing the significance of upholding values in challenging situations. Practical scenarios, case studies, and interactive discussions provide a practical framework for navigating ethical dilemmas.

11-09-2022

To,

The Principal,

Avanthi Institute of Engineering and Technology, Guntapally,

Hyderabad.

Sub: Request for an approval to conduct a workshop on "**Professionalism & Ethics**" -reg.

This is to inform you that the Department of Master of Business & Administration is planning to conduct a workshop on "**Professionalism & Ethics**" from 13/09/2022 to 17/09/2022. The resource person for the workshop is

**Prof Nageswara Singh, OU**

The resource person's lecture would enlighten all the participants about pursuing research and publications. We request you to give permission to organize the workshop on the above-mentioned date.

Thanking you Sir,

Yours Sincerely

A Five-day workshop on “**Professionalism & Ethics**” has been organized by the Department of MBA, Avanathi Institute of Engineering and Technology, Guntapally, from 13/09/2022 to 17/09/2022. **Prof Nageswara Singh** has discussed **Professional ethics** encompass the personal and corporate standards of behavior expected of professionals. The word professionalism originally applied to vows of a religious order. By no later than the year 1675, the term had seen secular application and was applied to the three learned professions: divinity, law, and medicine. The term professionalism was also used for the military profession around this same time. Professionals and those working in acknowledged professions exercise specialist knowledge and skill. How the use of this knowledge should be governed when providing a service to the public can be considered a moral issue and is termed "professional ethics". One of the earliest examples of professional ethics is the Hippocratic oath to which medical doctors still adhere to this day.

## ABOUT AVANTHI

Avanthi Institute of Engineering & Technology, Hyderabad is sponsored by Avanthi Educational Society, established in the year 2005, with the able leadership of Sri. M. Srinivasa Rao, came into being with a congregation of dedicated academicians and able administrators in the field of higher education and learning. This Institution has achieved NAAC accreditation for period of 5 years. UG Programs CSE and ECE are accredited by NBA (National Board of Accreditation). The society has grown into a large group of more than 13 educational institutions having student strength more than 25,000 pursuing education in the field of Engineering & Technology, science, commerce, IT & Management under this fold.

Career in today's dynamic environment needs, choosing the better location as a bench mark to realize the goals and objectives. A dream of education today, tomorrow and everyone know what was yesterday.

It is a top ranked institution in engineering education in terms of academics & placements. The college offers UG programs in EEE, ECE, CSE & PG programs in, ES, VLSI, CSE. The College has state of the art infrastructure, resource facilities, well-furnished lecture halls, highly equipped labs, library & well-furnished canteen.

## ABOUT DEPARTMENT OF ECE

The Electronics & Communication Engineering department focuses on the design, development, and application of electronic systems and communication technologies. Covering a broad spectrum, it includes subjects like signal processing, telecommunications, microelectronics, and embedded systems.

## ELIGIBILITY

The course is open to faculty from AICTE approved Engineering colleges / Institutions and working professionals from Industries / R&D organizations & EDC with basic degree in relevant field of Engineering students

## ABOUT SEMINOR

The "Arduino Board and Programming" seminar is a comprehensive session aimed at introducing participants to the versatile world of Arduino microcontrollers and programming. Scheduled to inspire both beginners and enthusiasts, the seminar covers fundamental concepts of Arduino hardware, exploring its applications in electronics and robotics. Participants will delve into hands-on programming sessions, learning to write and upload code to control various sensors and actuators. The seminar demystifies the Arduino Integrated Development Environment (IDE) and guides attendees in creating interactive projects. Whether you're a novice or experienced coder, this seminar offers valuable insights into unleashing creativity through Arduino, fostering an understanding of its immense potential in prototyping and real-world applications.

Guntapally,

19/06/2022.

To,

The Principal,

Avanathi Institute of Engineering and Technology, Guntapally,

Hyderabad.

Sub: Request for an approval to conduct a Seminar on "**Arduino Board and Programming**" - reg.

This is to inform you that the Department of Electronics & Communication Engineering is planning to conduct a Seminar on "**Arduino Board and Programming**" on 22/06/2022. The resource person for the Seminar is

E.Bharath Babu

Assistant Professor ECE,

BVRIT

The resource person's lecture would enlighten all the participants about pursuing research and publications. We request you to give permission to organize the Seminar on the above mentioned date.

Thanking you Sir,

Yours Sincerely

  
PRINCIPAL  
Avanathi Institute of Engg. & Tech.

### Seminar on Arduino Board and Programming

**Details of the Resource Person:** E.Bharath Babu,BVRIT

**No. of Participants:** 62

#### E.Bharath Babu,BVRIT Explaining about Arduino Board and Programming

A One-day Seminar on “**Arduino Board and Programming**” has been organized by the Department of ECE, Avanthi Institute of Engineering and Technology, Guntapally, on 22/06/2022. **E.Bharath Babu** has discussed Arduino board designs use a variety of microprocessors and controllers. The boards are equipped with sets of digital and analog input/output (I/O) pins that may be interfaced to various expansion boards ('shields') or breadboards (for prototyping) and other circuits. The boards feature serial communications interfaces, including Universal Serial Bus (USB) on some models, which are also used for loading programs. The microcontrollers can be programmed using the C and C++ programming languages (Embedded C), using a standard API which is also known as the **Arduino Programming Language**, inspired by the Processing language and used with a modified version of the Processing IDE. In addition to using traditional compiler toolchains, the Arduino project provides an integrated development environment (IDE).

### EXPENDITURE DATED 22-06-2022

The R&D Cell is has Conducted a One day Seminar on “**Arduino Board and Programming**” 22/06/2022 for all the faculty members and students.

The following, are the details of the expenditure:

S.NO	Description	Amount in Rs
1	Certificates Printing	800.00
2	HONORARIUM+TA	5500.00
3	Miscellaneous (one day)	670.00
Total		6970.00

Total number of Registrations: 62

Total amount Spent: Rs. 6970/- (Six thousand nine hundred seventy only)

Yours Faith Fully,

## ABOUT AVANTHI

Avanthi Institute of Engineering & Technology, Hyderabad is sponsored by Avanthi Educational Society, established in the year 2005, with the able leadership of Sri. M. Srinivasa Rao, came into being with a congregation of dedicated academicians and able administrators in the field of higher education and learning. This Institution has achieved NAAC accreditation for period of 5 years. UG Programs CSE and ECE are accredited by NBA (National Board of Accreditation). The society has grown into a large group of more than 13 educational institutions having student strength more than 25,000 pursuing education in the field of Engineering & Technology, science, commerce, IT & Management under this fold.

Career in today's dynamic environment needs, choosing the better location as a benchmark to realize the goals and objectives. A dream of education today, tomorrow and everyone know what was yesterday.

It is a top ranked institution in engineering education in terms of academics & placements. The college offers UG programs in EEE, ECE, CSE & PG programs in, ES, VLSI, CSE. The College has state of the art infrastructure, resource facilities, well-furnished lecture halls, highly equipped labs, library & well-furnished canteen.

## ABOUT DEPARTMENT OF MBA

The department of MBA in Avanthi was started with an intake of 60 students. The department has well established and highly qualified faculty to fulfill the aspirations of student community. The department strives to shape students into critical, and independent thinkers.

## ELIGIBILITY

The course is open to faculty from AICTE approved Engineering colleges / Institutions and working professionals from Industries / R&D organizations & EDC with basic degree in relevant field of Engineering students

## ABOUT SEMINAR

The 'LaTeX for Research Article' seminar is designed to equip researchers and academics with essential skills for efficiently and professionally typesetting research articles using LaTeX. Participants will gain a comprehensive understanding of LaTeX's capabilities in creating high-quality documents, mathematical equations, and bibliographies. The seminar covers key LaTeX components, including document structure, formatting, and customization. Attendees will learn time-saving techniques, collaborative writing workflows, and best practices for creating visually appealing and publication-ready research articles. With hands-on demonstrations and practical exercises, the seminar aims to demystify LaTeX, providing researchers with a powerful tool to enhance the presentation and publication of their scholarly work.

17-09-2022

To,

The principal,

Avanthi Institute of Engineering and Technology, Guntapally,

Hyderabad.

Sub: Request for an approval to conduct a Seminar on "**Latex for research article**" -reg.

This is to inform you that the Department of Master of Business & Administration is planning to conduct a Seminar on "**Latex for research article**" from 20/09/2022. The resource person for the Seminar is

Dr. Suryanarayana Alamuri,

Professor

Osmania University

The resource person's lecture would enlighten all the participants about pursuing research and publications.

We request you to give permission to organize the Seminar on the above-mentioned date.

Thanking you Sir,

PRINCIPAL  
Avanthi Institute of Engg. & Tech.  
Gunthapally (V), Abdullapurmet (Mdl.), R.R. Dist

Yours Sincerely

R & D CO-ORDINATOR

## Seminar on Latex for research article

**Date:** 20/09/2022

**Venue:** Avanathi Institute of Engineering and Technology, Gutapally

Seminar Hall

### Program Schedule

#### **Day-1**

Time	Program
10:00 AM-10:10 AM	Welcome Note
10:10 AM-10:20 AM	Lightening of Lamp
10:20 AM-10:30 AM	Principal Message
10:30 AM-10:40 AM	Introduction of Guest
10:40 AM-10:50 AM	Guest Message
10:50 AM-11:00 AM	TEA Break
11:00 AM-01:00 PM	Session- 1
01:30 PM-03:20 PM	Session — II
03:20 PM -04:00 PM	Vote of thanks

[www.aietg.ac.in](http://www.aietg.ac.in) email: [principal.avanthi@gmail.com](mailto:principal.avanthi@gmail.com)

A one-day Seminar on “**Latex for research article**” has been organized by the Department of MBA, Avanthi Institute of Engineering and Technology, Guntapally, on 20/09/2022. **Dr. Suryanarayana Alamuri** has discussed LaTeX is widely used in academia for the communication and publication of scientific documents in many fields, including mathematics, computer science, engineering, physics, chemistry, economics, linguistics, quantitative psychology, philosophy, and political science. It also has a prominent role in the preparation and publication of books and articles that contain complex multilingual materials, such as Arabic and Greek. LaTeX uses the TeX typesetting program for formatting its output, and is itself written in the TeX macro language. LaTeX can be used as a standalone document preparation system, or as an intermediate format. In the latter role, for example, it is sometimes used as part of a pipeline for translating DocBook and other XML-based formats to PDF. The typesetting system offers programmable desktop publishing features and extensive facilities for automating most aspects of typesetting and desktop publishing, including numbering and cross-referencing of tables and figures, chapter and section headings, graphics, page layout, indexing and bibliographies.

### EXPENDITURE DATED 20-09-2022

The R&D Cell is has Conducted a One day Seminar on "Latex for research article"  
20/09/2022 for all the faculty members and students.

The following, are the details of the expenditure:

S.NO	Description	Amount in Rs
1	Certificates Printing	300.00
2	HONORARIUM+TA	2500.00
3	Miscellaneous (one day)	100.00
Total		2900.00

Total number of Registrations: 28

Total amount Spent: Rs. 2900/- (Two thousand nine hundred only)

## ABOUT AVANTHI

Avanthi Institute of Engineering & Technology, Hyderabad is sponsored by Avanthi Educational Society, established in the year 2005, with the able leadership of Sri. M. Srinivasa Rao, came into being with a congregation of dedicated academicians and able administrators in the field of higher education and learning. This Institution has achieved NAAC accreditation for period of 5 years. UG Programs CSE and ECE are accredited by NBA (National Board of Accreditation). The society has grown into a large group of more than 13 educational institutions having student strength more than 25,000 pursuing education in the field of Engineering & Technology, science, commerce, IT & Management under this fold.

Career in today's dynamic environment needs, choosing the better location as a bench mark to realize the goals and objectives. A dream of education today, tomorrow and everyone know what was yesterday.

It is a top ranked institution in engineering education in terms of academics & placements. The college offers UG programs in EEE, ECE, CSE & PG programs in ES, VLSI, CSE. The College has state of the art infrastructure, resource facilities, well-furnished lecture halls, highly equipped labs, library & well-furnished canteen.

## ABOUT DEPARTMENT OF MBA

The department of MBA in Avanthi was started with an intake of 60 students. The department has well established and highly qualified faculty to fulfill the aspirations of student community. The department strives to shape students into critical, and independent thinker.

## ELIGIBILITY

The course is open to faculty from AICTE approved Engineering colleges / Institutions and working professionals from Industries / R&D organizations & EDC with basic degree in relevant field of Engineering students

## ABOUT WORKSHOP

The "Workshop on Intellectual Property Rights Law" is a comprehensive session designed for legal professionals, entrepreneurs, and innovators seeking a deep understanding of intellectual property (IP) laws. Participants will explore the intricacies of patents, trademarks, copyrights, and trade secrets, gaining insights into the legal frameworks that govern innovation and creativity. The workshop covers practical aspects of IP law, including filing procedures, enforcement strategies, and international considerations. Interactive discussions, case studies, and expert-led sessions provide a dynamic learning experience. Attendees will leave with practical knowledge to navigate the complexities of IP law, develop effective IP strategies, and protect their intellectual assets. Whether you're a legal practitioner.

14-11-2022

To,

The Principal,

Avanthi Institute of Engineering and Technology, Gunthapally,

Hyderabad.

Sub: Request for an approval to conduct a workshop on "**Intellectual Property Rights Law**" -reg.

This is to inform you that the Department of Master of Business & Administration is planning to conduct a workshop on "**Intellectual Property Rights Law**" from 17/11/2022 to 22/11/2022. The resource person for the workshop is

Prof Ravi Prakash VVIM

The resource person's lecture would enlighten all the participants about pursuing research and publications. We request you to give permission to organize the workshop on the above-mentioned date.

Thanking you Sir,

Yours Sincerely,

### Workshop on Intellectual Property Rights Law

**Details of the Resource Person:** Prof Ravi Prakash VVIM

**No. of Participants:** 35

#### Prof Ravi Prakash VVIM Explaining about Intellectual Property Rights

A Five-day workshop on "Intellectual Property Rights Law" has been organized by the Department of MBA, Avanthi Institute of Engineering and Technology, Guntapally, from 17/11/2022 to 22/11/2022. Prof Ravi Prakash VVIM has discussed regarding One area can be characterized as the protection of distinctive signs, in particular trademarks (which distinguish the goods or services of one undertaking from those of other undertakings) and geographical indications (which identify a good as originating in a place where a given characteristic of the good is essentially attributable to its geographical origin). The protection of such distinctive signs aims to stimulate and ensure fair competition and to protect consumers, by enabling them to make informed choices between various goods and services. The protection may last indefinitely, provided the sign in question continues to be distinctive.

## ABOUT AVANTHI

Avanthi Institute of Engineering & Technology, Hyderabad is sponsored by Avanthi Educational Society, established in the year 2005, with the able leadership of Sri. M. Srinivasa Rao, came into being with a congregation of dedicated academicians and able administrators in the field of higher education and learning. This Institution has achieved NAAC accreditation for period of 5 years. UG Programs CSE and ECE are accredited by NBA (National Board of Accreditation). The society has grown into a large group of more than 13 educational institutions having student strength more than 25,000 pursuing education in the field of Engineering & Technology, science, commerce, IT & Management under this fold.

Career in today's dynamic environment needs, choosing the better location as a benchmark to realize the goals and objectives. A dream of education today, tomorrow and everyone know what was yesterday.

It is a top ranked institution in engineering education in terms of academics & placements. The college offers UG programs in EEE, ECE, CSE & PG programs in ES, VLSI, CSE. The College has state of the art infrastructure, resource facilities, well-furnished lecture halls, highly equipped labs, library & well-furnished canteen.

## ABOUT DEPARTMENT OF MBA

Computer science and engineering (CSE) is an academic program at many universities which comprises approaches of computer science and computer engineering. There is no clear division in computing between science and engineering, just like in the field of materials science and engineering.

## ELIGIBILITY

The course is open to faculty from AICTE approved Engineering colleges / Institutions and working professionals from Industries / R&D organizations & EDC with basic degree in relevant field of Engineering students

## ABOUT SEMINAR

The "Web Page Design" seminar is an immersive session catering to individuals aspiring to enhance their skills in creating visually appealing and user-friendly websites. Geared towards beginners and enthusiasts, the seminar covers key principles of web design, including layout, color schemes, typography, and user experience. Participants will explore current trends, responsive design techniques, and best practices for optimizing web pages across devices. Practical demonstrations, case studies, and hands-on exercises provide a holistic understanding of the design process, from conceptualization to implementation. The seminar also addresses essential tools and resources, empowering attendees to embark on their web design journey with confidence. Whether you're a novice looking to start a career in web design or a business owner seeking to improve online presence.

Guntapally,

04/12/2022.

To,

The Principal,

Avanathi Institute of Engineering and Technology, Guntapally,

Hyderabad.

Sub: Request for an approval to conduct a one-day Seminar on "**Web Page Design**" - reg.

This is to inform you that the Department of Computer Science & Engineering is planning to conduct a one-day Seminar on "**Web Page Design**" on 06/12/2022. The resource person for one-day the Seminar is

Prasad Rayi

Assistant Professor,

Nagarjuna University

The resource person's lecture would enlighten all the participants about pursuing research and publications. We request you to give permission to organize the one-day Seminar on the above mentioned date.

Thanking you Sir,

Yours Sincerely,

### Seminar on Web Page Design

**Details of the Resource Person:** Prasad Rayi. Nagarjuna University

**No. of Participants:** 46

### Prasad Rayi. Nagarjuna University Explaining about Web Page Design

A One-day Seminar on “**Web Page Design**” has been organized by the Department of CSE, Avanthi Institute of Engineering and Technology, Guntapally, on 06/12/2022. Prasad Rayi. has discussed **Web Page Design**, **Web design** encompasses many different skills and disciplines in the production and maintenance of websites. The different areas of web design include web graphic design; user interface design (UI design); authoring, including standardised code and proprietary software experience design (UX design); and search engine optimization. Often many individuals will work in teams covering different aspects of the design process, although some designers will cover them all. The term "web design" is normally used to describe the design process relating to the front-end (client side) design of a website including writing markup. Web design partially overlaps web engineering in the broader scope of web development. Web designers are expected to have an awareness of usability and be up to date with web accessibility guidelines.

## ABOUT AVANTHI

Avanthy Institute of Engineering & Technology, Hyderabad is sponsored by Avanthy Educational Society, established in the year 2005, with the able leadership of Sri. M. Srinivasa Rao, came into being with a congregation of dedicated academicians and able administrators in the field of higher education and learning. This Institution has achieved NAAC accreditation for period of 5 years. UG Programs CSE and ECE are accredited by NBA (National Board of Accreditation). The society has grown into a large group of more than 13 educational institutions having student strength more than 25,000 pursuing education in the field of Engineering & Technology, science, commerce, IT & Management under this fold.

Career in today's dynamic environment needs, choosing the better location as a benchmark to realize the goals and objectives. A dream of education today, tomorrow and everyone know what was yesterday.

It is a top ranked institution in engineering education in terms of academics & placements. The college offers UG programs in EEE, ECE, CSE & PG programs in ES, VLSI, CSE. The College has state of the art infrastructure, resource facilities, well-furnished lecture halls, highly equipped labs, library & well-furnished canteen.

## ABOUT DEPARTMENT OF MBA

The department of MBA in Avanthy was started with an intake of 60 students. The department has well established and highly qualified faculty to fulfill the aspirations of student community. The department strives to shape students into critical, and independent thinker.

## ELIGIBILITY

The course is open to faculty from AICTE approved Engineering colleges / Institutions and working professionals from Industries / R&D organizations & EDC with basic degree in relevant field of Engineering students

## ABOUT WORKSHOP

The "Effective Research Paper Writing" workshop is tailored for academics, researchers, and students seeking to enhance their skills in crafting impactful and well-structured research papers. Participants will delve into the intricacies of research paper composition, covering essential elements such as literature review, methodology, results, and conclusions. The workshop emphasizes clarity, conciseness, and effective communication, offering practical tips for constructing compelling arguments and presenting data. Through interactive sessions, attendees will refine their writing techniques, learn to navigate citation styles, and gain insights into the peer-review process. Whether you are a novice researcher or a seasoned academic, this workshop provides valuable tools and strategies to elevate your research paper writing skills.

Guntapally,

31/10/2022.

To,

The Principal,

Avanathi Institute of Engineering and Technology, Guntapally,

Hyderabad.

Sub: Request for an approval to conduct a workshop on **"Effective research paper writing"** - reg.

This is to inform you that the Department of Master of Business & Administration is planning to conduct a workshop on **"Effective research paper writing"** from 03/11/2022 to 08/11/2022. The resource person for the workshop is

Dr. Sindhu MBA. Ph.D,

Business Management,

Osmania University, Hyderabad

The resource person's lecture would enlighten all the participants about pursuing research and publications. We request you to give permission to organize the workshop on the above mentioned date.

Thanking you Sir,

  
PRINCIPAL  
Avanathi Institute of Engg. & Tech.  
Gunthapally (V), Abdullapurmet (Mdl.), R.R. Dist

Yours Sincerely

### Workshop on Effective research paper writing

**Details of the Resource Person:** Dr. Sindhu MBA. Ph.D

**No. of Participants:** 42

Dr. Sindhu MBA. Ph.D. in Business Management from Osmania University,

### Explaining about Effective research paper writing

A Five-day workshop on “**Effective research paper writing**” has been organized by the Department of MBA, Avanthi Institute of Engineering and Technology, Guntapally, from 03/11/2022 to 08/11/2022 Dr. Sindhu has discussed **Effective research paper writing** is a piece of academic writing that provides analysis, interpretation, and argument based on in-depth independent research. Research papers are similar to academic essays, but they are usually longer and more detailed assignments. This step-by-step guide takes you through the entire writing process, from understanding your assignment to proofreading your final draft. There are many ways to generate an idea for a research paper, from brainstorming with pen and paper to talking it through with a fellow student or professor.

## ABOUT AVANTHI

Avanthy Institute of Engineering & Technology, Hyderabad is sponsored by Avanthy Educational Society, established in the year 2005, with the able leadership of Sri. M. Srinivasa Rao, came into being with a congregation of dedicated academicians and able administrators in the field of higher education and learning. This Institution has achieved NAAC accreditation for period of 5 years. UG Programs CSE and ECE are accredited by NBA (National Board of Accreditation). The society has grown into a large group of more than 13 educational institutions having student strength more than 25,000 pursuing education in the field of Engineering & Technology, science, commerce, IT & Management under this fold.

Career in today's dynamic environment needs, choosing the better location as a bench mark to realize the goals and objectives. A dream of education today, tomorrow and everyone know what was yesterday.

It is a top ranked institution in engineering education in terms of academics & placements. The college offers UG programs in EEE, ECE, CSE & PG programs in ES, VLSI, CSE. The College has state of the art infrastructure, resource facilities, well-furnished lecture halls, highly equipped labs, library & well-furnished canteen.

## ABOUT DEPARTMENT OF MBA

The department of MBA in Avanthy was started with an intake of 60 students. The department has well established and highly qualified faculty to fulfill the aspirations of student community. The department strives to shape students into critical, and independent thinker.

## ELIGIBILITY

The course is open to faculty from AICTE approved Engineering colleges / Institutions and working professionals from Industries / R&D organizations & EDC with basic degree in relevant field of Engineering students

## ABOUT SEMINAR

The "Research Methodology & Data Collection" seminar is a crucial session for researchers, scholars, and professionals aiming to strengthen their research skills. This seminar delves into the fundamental aspects of research design, methods, and data collection techniques. Participants will gain insights into choosing appropriate research methodologies, designing surveys, interviews, and experiments, and ensuring the reliability and validity of data. Emphasizing ethical considerations, the seminar addresses the responsible conduct of research. Practical demonstrations and case studies will guide attendees in implementing effective data collection strategies across diverse fields. Whether you're a novice researcher or seeking to refine your methodology.

07-03-2023

To,

The Principal,

Avanthi Institute of Engineering and Technology, Guntapally,

Hyderabad.

Sub: Request for an approval to conduct a Seminar on **"Research Methodology & Data Collection"** -reg.

This is to inform you that the Department of Master of Business & Administration is planning to conduct a Seminar on **"Research Methodology & Data Collection"** on 10/03/2023. The resource person for the Seminar is

Dr. Ramesh babu,

Professor

Andhra University

The resource person's lecture would enlighten all the participants about pursuing research and publications. We request you to give permission to organize the Seminar on the above-mentioned date.

Thanking you Sir,

### Seminar on Research Methodology & Data Collection

**Details of the Resource Person:** Dr. Ramesh babu, Professor, Andhra University

**No. of Participants:** 40

**Dr. Ramesh babu, Professor, Andhra University**

#### Explaining about Research Methodology & Data Collection

A One-day Seminar on “**Research Methodology & Data Collection**” has been organized by the Department of MBA, Avanthi Institute of Engineering and Technology, Guntapally, from 10/03/2023. **Dr. Ramesh babu** has discussed according to Somekh and Lewin, a research methodology is both “the collection of methods or rules” you apply to your research, as well as the “principles, theories, and values” that support your research approach. Simply put, a research paper’s methodology section must shed light on how you were able to collect or generate your research data and demonstrate how you analyze them (SHU Library, 2020). For novice researchers, writing the methodology of a research paper can be an overwhelming process, especially considering the intricate elements covered by this section (J. Ellis & Levy, 2009, p. 323). The goal of this article is to define what is research methodology, guide novice researchers in their research methodology writing, and to help them gain a clear understanding of a research methodology’s structure.

## ABOUT AVANTHI

Avanthi Institute of Engineering & Technology, Hyderabad is sponsored by Avanthi Educational Society, established in the year 2005, with the able leadership of Sri. M. Srinivasa Rao, came into being with a congregation of dedicated academicians and able administrators in the field of higher education and learning. This Institution has achieved NAAC accreditation for period of 5 years. UG Programs CSE and ECE are accredited by NBA (National Board of Accreditation). The society has grown into a large group of more than 13 educational institutions having student strength more than 25,000 pursuing education in the field of Engineering & Technology, science, commerce, IT & Management under this fold.

Career in today's dynamic environment needs, choosing the better location as a bench mark to realize the goals and objectives. A dream of education today, tomorrow and everyone know what was yesterday.

It is a top ranked institution in engineering education in terms of academics & placements. The college offers UG programs in EEE, ECE, CSE & PG programs in, ES, VLSI, CSE. The College has state of the art infrastructure, resource facilities, well-furnished lecture halls, highly equipped labs, library & well-furnished canteen.

## ABOUT DEPARTMENT OF MBA

The department of MBA in Avanthi was started with an intake of 60 students. The department has well established and highly qualified faculty to fulfill the aspirations of student community. The department strives to shape students into critical, and independent thinker.

## ELIGIBILITY

The course is open to faculty from AICTE approved Engineering colleges / Institutions and working professionals from Industries / R&D organizations & EDC with basic degree in relevant field of Engineering students

## ABOUT WORKSHOP

The "Guidance on Employability Skill Development" workshop is designed to empower individuals with the essential skills needed to thrive in today's dynamic job market. Tailored for students, recent graduates, and professionals, this workshop offers practical guidance on developing key employability skills. Participants will engage in interactive sessions covering resume building, effective communication, time management, teamwork, and problem-solving. The workshop also addresses the importance of adaptability, digital literacy, and continuous learning in the evolving workplace landscape. Through hands-on activities and real-world scenarios, attendees will gain valuable insights into the qualities sought by employers.

### Workshop on Guidance on Employability skill Development

**Details of the Resource Person:** Prof Ravikanth, VVIM

**No. of Participants:** 50

**Prof Ravikanth, VVIM**

#### Explaining about Guidance on Employability skill Development

A Five-day workshop on “**Guidance on Employability skill Development**” has been organized by the Department of MBA, Avanathi Institute of Engineering and Technology, Guntapally, from 27/07/2022 to 01/08/2022. **Prof Ravikanth, VVIM** has discussed Employability continues to develop because the graduate, once employed, does not stop learning it is about empowering learners as critical reflective citizens. it emphasizes the employability of graduates, which is similar to our context, hence, able to provide insight about how to measure graduates' employability. There are numerous terms for employability skills, they are often used interchangeably with terms such as soft skills, generic skills, 21st century skills, generic attributes, transferable skills, generic competencies and holistic competencies. Chan at the University of Hong Kong uses *holistic competencies* as an umbrella term inclusive of different types of generic skills thinking, problem-solving skills, positive values, and attitudes which are essential for students' life-long learning and whole-person development. In order to understand how holistic competencies should be developed based on student perception, the Holistic Competency Development Framework.

## ABOUT AVANTHI

Avanthy Institute of Engineering & Technology, Hyderabad is sponsored by Avanthy Educational Society, established in the year 2005, with the able leadership of Sri M. Srinivasa Rao, came into being with a congregation of dedicated academicians and able administrators in the field of higher education and learning. This institution has achieved NAAC accreditation for period of 5 years. UG Programs CSE and ECE are accredited by NBA (National Board of Accreditation). The society has grown into a large group of more than 13 educational institutions having student strength more than 25,000 pursuing education in the field of Engineering & Technology, science, commerce, IT & Management under this fold.

Career in today's dynamic environment needs, choosing the better location as a benchmark to realize the goals and objectives. A dream of education today, tomorrow and everyone know what was yesterday.

It is a top ranked institution in engineering education in terms of academics & placements. The college offers UG programs in EEE, ECE, CSE & PG has state of the art infrastructure, resource facilities, well-furnished lecture halls, highly equipped labs, library & well-furnished canteen.

## ABOUT DEPARTMENT OF MBA

The department of MBA in Avanthy was started with an intake of 60 students. The department has well established and highly qualified faculty to fulfill the aspirations of student community. The department strives to shape students into critical, and independent thinker.

## ELIGIBILITY

The course is open to faculty from AICTE approved Engineering colleges / Institutions and working professionals from Industries / R&D organizations & EDC with basic degree in relevant field of Engineering students

## ABOUT SEMINAR

The "Career Opportunities in Entrepreneurship" seminar is a dynamic exploration of the diverse and rewarding paths available to individuals with entrepreneurial aspirations. Tailored for aspiring entrepreneurs and those interested in the startup ecosystem, the seminar offers insights into the challenges and opportunities of building one's own venture. Industry experts and successful entrepreneurs share their experiences, providing practical advice on ideation, business planning, funding, and scaling. Participants will gain a deep understanding of the skills required for entrepreneurial success as well as the resources and networks available to support their journey. Whether you are a student exploring career options or a professional contemplating

Guntapally

22/03/2023

To,

The Principal,

Avanthi Institute of Engineering and Technology, Guntapally,

Hyderabad.

Sub: Request for an approval to conduct a workshop on **"Career counselling session"** -reg.

This is to inform you that the Department of Master of Business & Administration is planning to conduct a workshop on **"Career counselling session"** from 27/03/2023 to 31/03/2023. The resource person for the workshop is

M Naveen kumar, JNTU

The resource person's lecture would enlighten all the participants about pursuing research and publications. We request you to give permission to organize the workshop on the above mentioned date.

Thanking you Sir,

  
PRINCIPAL  
Avanthi Institute of Engg. & Tech.  
Gunthapally (V), Abdullapurmet (M), R.R. Dist

Yours Sincerely

  
R & D CO-ORDINATOR

---

A Five-day workshop on “**Career counselling session**” has been organized by the Department of MBA, Avanthi Institute of Engineering and Technology, Guntapally, from 27/03/2023 to 31/03/2023. M Naveen kumar has discussed **Career counseling** is a type of advice-giving and support provided by career counselors to their clients, to help the clients manage their journey through life, learning and work changes (career). This includes career exploration, making career choices, managing career changes, lifelong career development and dealing with other career-related issues. There is no agreed definition of the role of a **career** or **employment counsellor** worldwide, mainly due to conceptual, cultural and linguistic differences. However, the terminology of 'career counseling' typically denotes a professional intervention which is conducted either one-on-one or in a small group. Career counseling is related to other types of counseling (e.g. marriage or clinical counseling). What unites all types of professional counseling is the role of practitioners, who combine giving advice on their topic of expertise with counseling techniques that support clients in making complex decisions and facing difficult situations.

## ABOUT AVANTHI

Avanathi Institute of Engineering & Technology, Hyderabad is sponsored by Avanathi Educational Society, established in the year 2005, with the able leadership of Sri. M. Srinivasa Rao, came into being with a congregation of dedicated academicians and able administrators in the field of higher education and learning. This Institution has achieved NAAC accreditation for period of 5 years. UG Programs CSE and ECE are accredited by NBA (National Board of Accreditation). The society has grown into a large group of more than 13 educational institutions having student strength more than 25,000 pursuing education in the field of Engineering & Technology, science, commerce, IT & Management under this fold.

Career in today's dynamic environment needs, choosing the better location as a benchmark to realize the goals and objectives. A dream of education today, tomorrow and everyone know what was yesterday.

## ABOUT SEMINAR

The "IPR Awareness Programme" seminar is a crucial initiative aimed at disseminating knowledge and fostering understanding of Intellectual Property Rights (IPR). Tailored for a diverse audience, including entrepreneurs, creatives, and professionals, the seminar provides a comprehensive overview of patents, trademarks, copyrights, and trade secrets. Experts in the field deliver insights into the significance of IPR in protecting innovations and creative works. The seminar covers the practical aspects of IPR registration, enforcement, and the evolving landscape of global intellectual property laws. Through engaging presentations, case studies, and interactive discussions, participants gain a heightened awareness of the importance of safeguarding intellectual assets.

06-01-2023

To,

The Principal,

Avanthi Institute of Engineering and Technology, Guntapally,

Hyderabad.

Sub: Request for an approval to conduct a Seminar on "IPR Awareness Programme" -reg.

This is to inform you that the Department of Master of Business & Administration is planning to conduct a Seminar on "IPR Awareness Programme" on 11/01/2023. The resource person for the Seminar is

M. Bala Subramaniam,

Professor

Osmania University

The resource person's lecture would enlighten all the participants about pursuing research and publications. We request you to give permission to organize the Seminar on the above-mentioned date.

Thanking you Sir,

PRINCIPAL

Avanthi Institute of Engg. & Tech

Guntihapally (V), Abdullapurmet (Mdi) R.R. Dist

Yours Sincerely,

R & D Coordinator

### Seminar on IPR Awareness Programme

**Details of the Resource Person:** M. Bala Subramaniam, Osmania University

**No. of Participants:** 58

### M. Bala Subramaniam, Osmania University Explaining about IPR Awareness Programme

A One-day Seminar on “IPR Awareness Programme” has been organized by the Department of MBA, Avanthi Institute of Engineering and Technology, Guntapally, from 11/01/2023. M. Bala Subramaniam has discussed according to Somekh and Lewin (2005), a research methodology is both “the collection of methods or rules” you apply to your research, as well as the “principles, theories, and values” that support your research approach. Simply put, a research paper’s methodology section must shed light on how you were able to collect or generate your research data and demonstrate how you analyze them (SHU Library, 2020). For novice researchers, writing the methodology of a research paper can be an overwhelming process, especially considering the intricate elements covered by this section (J.Ellis & Levy, 2009, p.323). The goal of this article is to define what is research methodology, guide novice researchers in their research methodology writing, and to help them gain a clear understanding of a research methodology’s structure.

## ABOUT AVANTHI

Avanthi Institute of Engineering & Technology, Hyderabad is sponsored by Avanthi Educational Society, established in the year 2005, with the able leadership of Sri. M. Srinivasa Rao, came into being with a congregation of dedicated academicians and able administrators in the field of higher education and learning. This Institution has achieved NAAC accreditation for period of 5 years. UG Programs CSE and ECE are accredited by NBA (National Board of Accreditation). The society has grown into a large group of more than 13 educational institutions having student strength more than 25,000 pursuing education in the field of Engineering & Technology, science, commerce, IT & Management under this fold.

Career in today's dynamic environment needs, choosing the better location as a bench mark to realize the goals and objectives. A dream of education today, tomorrow and everyone know what was yesterday.

It is a top ranked institution in engineering education in terms of academics & placements. The college offers UG programs in EEE, ECE, CSE & PG programs in ES, VLSI, CSE. The College has state of the art infrastructure, resource facilities, well-furnished lecture halls, highly equipped labs, library & well-furnished canteen.

## ABOUT DEPARTMENT OF MBA

The department of MBA in Avanthi was started with an intake of 60 students. The department has well established and highly qualified faculty to fulfill the aspirations of student community. The department strives to shape students into critical, and independent thinker.

## ELIGIBILITY

The course is open to faculty from AICTE approved Engineering colleges / Institutions and working professionals from Industries / R&D organizations & EDC with basic degree in relevant field of Engineering students

## ABOUT WORKSHOP

The "Interpreting Skills - Making of a Manager" workshop is a transformative session designed to cultivate the essential skills needed to transition individuals into effective managers. Tailored for emerging leaders and professionals aspiring to managerial roles, the workshop focuses on honing interpretation skills crucial for successful leadership. Participants will delve into communication strategies, conflict resolution, decision-making, and team dynamics, learning how to interpret complex workplace scenarios. Through interactive exercises and real-world simulations, attendees will gain practical insights into the art of management, emphasizing the nuances of leading and motivating a team. This workshop serves as a stepping stone for individuals seeking to evolve.

18/02/2023

To,

The Principal,

Avanthi Institute of Engineering and Technology, Guntapally,

Hyderabad.

Sub: Request for an approval to conduct a workshop on **"Interpreting Skills - Making of A Manager out of Man/ Woman"** - reg.

This is to inform you that the Department of Master of Business & Administration is planning to conduct a workshop on **"Interpreting Skills - Making of A Manager out of Man/ Woman"** from 20/02/2023 to 24/02/2023. The resource person for the workshop is

Dr Chetan Srivastava

Associate Professor

University of Hyderabad

The resource person's lecture would enlighten all the participants about pursuing research and publications. We request you to give permission to organize the workshop on the above mentioned date.

Thanking you Sir,

  
Yours Sincerely

---

A Five-day workshop on “**Interpreting Skills - Making of A Manager out of Man/ Woman**” has been organized by the Department of MBA, Avanthi Institute of Engineering and Technology, Guntapally, from 20/02/2023 to 24/02/2023. Dr Chetan Srivastava has discussed. The search for the characteristics or traits of leaders has continued for centuries. Philosophical writings from Plato's *Republic* to Plutarch's *Lives* have explored the question "What qualities distinguish an individual as a leader?" Underlying this search was the early recognition of the importance of leadership and the assumption that leadership is rooted in the characteristics that certain individuals possess. This idea that leadership is based on individual attributes is known as the "trait theory of leadership". A number of works in the 19th century – when the traditional authority of monarchs, lords, and bishops had begun to wane – explored the trait theory at length: especially the writings of Thomas Carlyle and of Francis Galton. After showing that the numbers of eminent relatives dropped off when his focus moved from first-degree to second-degree relatives, Galton concluded that leadership was inherited. In other words, leaders were born, not developed. Both of these works lent support to the notion that leadership is rooted in the characteristics of the leader.

## ABOUT AVANTHI

Avanathi Institute of Engineering & Technology, Hyderabad is sponsored by Avanathi Educational Society, established in the year 2005, with the able leadership of Sri. M. Srinivasa Rao, came into being with a congregation of dedicated academicians and able administrators in the field of higher education and learning. This Institution has achieved NAAC accreditation for period of 5 years. UG Programs CSE and ECE are accredited by NBA (National Board of Accreditation). The society has grown into a large group of more than 13 educational institutions having student strength more than 25,000 pursuing education in the field of Engineering & Technology, science, commerce, IT & Management under this fold.

Career in today's dynamic environment needs, choosing the better location as a bench mark to realize the goals and objectives. A dream of education today, tomorrow and everyone know what was yesterday.

## ABOUT WORKSHOP

The workshop on "Issues & Challenges of Intellectual Property Rights (IPR)" delves into the multifaceted landscape of intellectual property and the contemporary challenges it poses. Intellectual Property Rights, encompassing patents, copyrights, trademarks, and more, play a pivotal role in fostering innovation and creativity. The workshop critically examines the evolving issues within the IPR domain, such as the impact of emerging technologies, globalization, and the need for harmonized international frameworks. Participants will engage in discussions to unravel the challenges faced by businesses, creators, and policymakers in navigating the intricate IPR landscape. From addressing digital piracy to striking a balance between innovation and accessibility.

## Address for Correspondance

Dr. RAJUIS NAYEEMA,  
MBA Department,  
Avanathi college, Guthapally,  
Mobile No: 6601385045.

It is a top ranked institution in engineering education in terms of academics & placements. The college offers UG programs in EEE, ECE, CSE & PG programs in, ES, VLSI, CSE. The College has state of the art infrastructure, resource facilities, well-furnished lecture halls, highly equipped labs, library & well-furnished canteen.

## ABOUT DEPARTMENT OF MBA

The department of MBA in Avanathi was started with an intake of 60 students. The department has well established and highly qualified faculty to fulfill the aspirations of student community. The department strives to shape students into critical, and independent thinker.

## ELIGIBILITY

The course is open to faculty from AICTE approved Engineering colleges / Institutions and working professionals from Industries / R&D organizations & EDC with basic degree in relevant field of Engineering students

Guntapally,

16/01/2023.

To,

The Principal,

Avanthi Institute of Engineering and Technology, Guntapally,

Hyderabad.

Sub: Request for an approval to conduct a workshop on **"Issues & Challenges of IPR"** - reg.

This is to inform you that the Department of Master of Business & Administration is planning to conduct a workshop on **"Issues & Challenges of IPR"** from 16/01/2023 to 20/01/2023. The resource person for the workshop is

M Satya Prakash,

Asst Professor, JNTU

The resource person's lecture would enlighten all the participants about pursuing research and publications. We request you to give permission to organize the workshop on the above mentioned date.

Thanking you Sir,

  
PRINCIPAL

Avanthi Institute of Engg. & Tech  
Guntihapally (V), Abdullapurmet (Mdl) R.R.Dist

Yours Sincerely,

  
R & D Coordinator

### Workshop on Issues & Challenges of IPR

**Details of the Resource Person:** M Satya Prakash, JNTU

**No. of Participants:** 67

### M Satya Prakash, JNTU Explaining about Issues & Challenges of IPR

A Five-day workshop on “**Issues & Challenges of IPR**” has been organized by the Department of MBA, Avanthi Institute of Engineering and Technology, Guntapally, from 16/01/2023 to 20/01/2023. M Satya Prakash has discussed Supporters of intellectual property laws often describe their main purpose as encouraging the creation of a wide variety of intellectual goods. To achieve this, the law gives people and businesses property rights to certain information and intellectual goods they create, usually for a limited period of time. Supporters argue that because IP laws allow people to protect their original ideas and prevent unauthorized copying, creators derive greater individual economic benefit from the information and intellectual goods they create, and thus have more economic incentives to create them in the first place. Advocates of IP believe that these economic incentives and legal protections stimulate innovation and contribute to technological progress of certain kinds.

## ABOUT AVANTHI

Avanthy Institute of Engineering & Technology, Hyderabad is sponsored by Avanthy Educational Society, established in the year 2005, with the able leadership of Sri. M. Srinivasa Rao, came into being with a congregation of dedicated academicians and able administrators in the field of higher education and learning.

This Institution has achieved NAAC accreditation for period of 5 years. UG Programs CSE and ECE are accredited by NBA (National Board of Accreditation). The society has grown into a large group of more than 13 educational institutions having student strength more than 25,000 pursuing education in the field of Engineering & Technology, science, commerce, IT & Management under this fold.

Career in today's dynamic environment needs, choosing the better location as a benchmark to realize the goals and objectives. A dream of education today, tomorrow and everyone know what was yesterday.

It is a top ranked institution in engineering education in terms of academics & placements. The college offers UG programs in EEE, ECE, CSE & PG programs in, ES, VLSI, CSE. The College has state of the art infrastructure, resource facilities, well-furnished lecture halls, highly equipped labs, library & well-furnished canteen.

## ABOUT DEPARTMENT OF MBA

The department of MBA in Avanthy was started with an intake of 60 students. The department has well established and highly qualified faculty to fulfill the aspirations of student community. The department strives to shape students into critical, and independent thinker.

## ELIGIBILITY

The course is open to faculty from AICTE approved Engineering colleges / Institutions and working professionals from Industries / R&D organizations & EDC with basic degree in relevant field of Engineering students

## ABOUT WORKSHOP

The Student Development Program on Augmented Reality (AR) and Virtual Reality (VR) is a dynamic workshop designed to empower students with cutting-edge skills in immersive technologies. Participants will delve into the exciting realms of AR and VR, exploring their applications across various industries. The workshop offers hands-on experiences, allowing students to develop practical skills in creating AR and VR content. Through interactive sessions, participants will gain insights into the latest trends, challenges, and opportunities in these rapidly evolving fields. The program aims to foster creativity, problem-solving.

Guntapally

19-08-2022

To,

The Principal,

Avanathi Institute of Engineering and Technology, Guntapally,

Hyderabad.

Sub: Request for an approval to conduct a workshop on **"Student Development Program on Augmented Reality & Virtual Reality"** -reg.

This is to inform you that the Department of Master of Business & Administration is planning to conduct a workshop on **"Student Development Program on Augmented Reality & Virtual Reality"** from 23/08/2022 to 27/08/2022. The resource person for the workshop is

Nagendra Kumar, OU

The resource person's lecture would enlighten all the participants about pursuing research and publications. We request you to give permission to organize the workshop on the above mentioned date.

Thanking you Sir,

PRINCIPAL

Avanathi Institute of Engg. & Tech  
Guntihapally (V), Abdullapurmet (Mdl) R.R.Dist

Yours Sincerely

R & D COORDINATOR  
AVANTHI INSTITUTE OF ENGINEERING & TECHNOLOGY  
Gunthapally (Viii), Abdullapurmet (Mdl),  
Ranga Reddy Dist, Telangana State.

### Workshop on Student Development Program on Augmented Reality & Virtual Reality

Details of the Resource Person: Nagendra Kumar, OU

No. of Participants: 53

### Nagendra Kumar, OU Explaining about Student Development Program on Augmented Reality & Virtual Reality

A Five-day workshop on “Student Development Program on Augmented Reality & Virtual Reality” has been organized by the Department of MBA, Avanthi Institute of Engineering and Technology, Guntapally, from 23/08/2022 to 27/08/2022. Nagendra Kumar, OU has discussed The primary value of augmented reality is the manner in which components of the digital world blend into a person's perception of the real world, not as a simple display of data, but through the integration of immersive sensations, which are perceived as natural parts of an environment. Commercial augmented reality experiences were first introduced in entertainment and gaming businesses. Subsequently, augmented reality applications have spanned commercial industries such as education, communications, medicine, and entertainment. In education, may be accessed by scanning or viewing an image with a mobile device or by using marker less AR techniques.

### EXPENDITURE DATED 27-08-2022

The R&D Cell is has Conducted a Five days workshop on "**Student Development Program on Augmented Reality & Virtual Reality**" 23/08/2022 to 27/08/2022 for all the faculty members and students.

The following, are the details of the expenditure:

S.NO	Description	Amount in Rs
1	Certificates Printing	500.00
2	HONORARIUM+TA	3000.00
3	Miscellaneous (one day)	200.00
Total		3700.00

Total number of Registrations: 53

Total amount Spent: Rs. 3700/- (Three thousand Seven hundred only)

## ABOUT AVANTHI

Avanthi Institute of Engineering & Technology, Hyderabad is sponsored by Avanthi Educational Society, established in the year 2005, with the able leadership of Sri. M. Srinivasa Rao, came into being with a congregation of dedicated academicians and able administrators in the field of higher education and learning. This Institution has achieved NAAC accreditation for period of 5 years. UG Programs CSE and ECE are accredited by NBA (National Board of Accreditation). The society has grown into a large group of more than 13 educational institutions having student strength more than 25,000 pursuing education in the field of Engineering & Technology, science, commerce, IT & Management under this fold.

Career in today's dynamic environment needs, choosing the better location as a bench mark to realize the goals and objectives. A dream of education today, tomorrow and everyone know what was yesterday.

It is a top ranked institution in engineering education in terms of academics & placements. The college offers UG programs in EEE, ECE, CSE & PG programs in ES, VLSI, CSE. The College has state of the art infrastructure, resource facilities, well-furnished lecture halls, highly equipped labs, library & well-furnished canteen.

## ABOUT DEPARTMENT OF CSE

Computer science and engineering (CSE) is an academic program at many universities which comprises approaches of computer science and computer engineering. There is no clear division in computing between science and engineering, just like in the field of materials science and engineering.

## ELIGIBILITY

The course is open to faculty from AICTE approved Engineering colleges / Institutions and working professionals from Industries / R&D organizations & EDC with basic degree in relevant field of Engineering students

## ABOUT WORKSHOP

The Seminar on Cyber Security is a crucial event focused on equipping participants with essential knowledge and skills to navigate the complex landscape of digital threats. Covering a broad spectrum of topics, the seminar delves into the latest trends, best practices, and emerging challenges in the field of cybersecurity. Expert speakers and professionals share insights on strategies to protect against cyber threats, secure sensitive data, and mitigate risks associated with the ever-evolving cyber landscape. Attendees will gain a comprehensive understanding of cybersecurity frameworks, threat intelligence, and proactive measures to safeguard information systems. This seminar serves as a platform for fostering awareness, collaboration,

Guntapally,

26/09/2022.

To,

The Principal,

Avanthi Institute of Engineering and Technology, Guntapally,

Hyderabad.

Sub: Request for an approval to conduct a Seminar on "Cyber Security" - reg.

This is to inform you that the Department of Computer Science & Engineering is planning to conduct a Seminar on "Cyber Security" on 30/09/2022. The resource person for the Seminar is

M Sravani,

Assistant Professor,

Andhra University

The resource person's lecture would enlighten all the participants about pursuing research and publications. We request you to give permission to organize the Seminar on the above mentioned date.

Thanking you Sir,

PRINCIPAL

---

A One-day Seminar on “**Cyber Security**” has been organized by the Department of CSE, Avanthi Institute of Engineering and Technology, Guntapally, on 30/09/2022. M Sravani has discussed **Computer security, cyber security, digital security or information technology security (IT security)** is the protection of computer systems and networks from attacks by malicious actors that may result in unauthorized information disclosure, theft of, or damage to hardware, software, or data, as well as from the disruption or misdirection of the services they provide. The field is significant due to the expanded reliance on computer systems, the Internet, and wireless network standards such as Bluetooth and Wi-Fi. Also, due to the growth of smart devices, including smartphones, televisions, and the various devices that constitute the Internet of things (IoT). Cybersecurity is one of the most significant challenges of the contemporary world, due to both the complexity of information systems and the societies they support. Security is of especially high importance for systems that govern large-scale systems with far-reaching physical effects, such as power distribution, elections, and finance.

### EXPENDITURE DATED 30-09-2022

The R&D Cell is has Conducted a One day Seminar on "Cyber Security" 30/09/2022 for all the faculty members and students.

The following, are the details of the expenditure:

S.NO	Description	Amount in Rs
1	Certificates Printing	400.00
2	HONORARIUM+TA	4000.00
3	Miscellaneous (one day)	500.00
Total		4900.00

Total number of Registrations: 31

Total amount Spent: Rs. 4900/- (Four thousand nine hundred only)

## ABOUT AVANTHI

Avanthi Institute of Engineering & Technology, Hyderabad is sponsored by Avanthi Educational Society, established in the year 2005, with the able leadership of Sri. M. Srinivasa Rao, came into being with a congregation of dedicated academicians and able administrators in the field of higher education and learning. This Institution has achieved NAAC accreditation for period of 5 years. UG Programs CSE and ECE are accredited by NBA (National Board of Accreditation). The society has grown into a large group of more than 13 educational institutions having student strength more than 25,000 pursuing education in the field of Engineering & Technology, science, commerce, IT & Management under this fold. Career in today's dynamic environment needs, choosing the better location as a benchmark to realize the goals and objectives. A dream of education today, tomorrow and everyone know what was yesterday.

It is a top ranked institution in engineering education in terms of academics & placements. The college offers UG programs in EEE, ECE, CSE & PG programs in, ES, VLSI, CSE. The College has state of the art infrastructure, resource facilities, well-furnished lecture halls, highly equipped labs, library & well-furnished canteen.

## ABOUT DEPARTMENT OF EEE

The Department of Electrical and Electronic Engineering (EEE) is a dynamic academic hub fostering innovation and excellence. Committed to advancing knowledge in electrical and electronic engineering, the department offers a comprehensive curriculum, cutting-edge research opportunities.

## ELIGIBILITY

The course is open to faculty from AICTE approved Engineering colleges / Institutions and working professionals from Industries / R&D organizations & EDC with basic degree in relevant field of Engineering students

## ABOUT WORKSHOP

The workshop on Electric Vehicles (EVs) Career Opportunities provides an insightful exploration into the burgeoning field of electric mobility. Tailored for students and professionals, this workshop delves into the exciting realm of EVs, offering a comprehensive overview of the technology, industry trends, and the rapidly evolving job landscape. Participants gain valuable insights into the design, manufacturing, and maintenance of electric vehicles, as well as the associated infrastructure. Industry experts share their experiences, shedding light on the diverse career paths within the electric mobility sector. From research and development to sustainable transportation planning, the workshop equips attendees with the knowledge and awareness needed to embark on successful careers in the growing field of electric vehicles.

Guntapally,

18/12/2022.

To,

The Principal,

Avanthi Institute of Engineering and Technology, Guntapally,

Hyderabad.

Sub: Request for an approval to conduct a workshop on **"Electric Vehicles career Opportunities"** - reg.

This is to inform you that the Department of Electrical & Electronics Engineering is planning to conduct a workshop on **"Electric Vehicles career Opportunities"** from 21/12/2022 to 26/12/2022.

The resource person for the workshop is

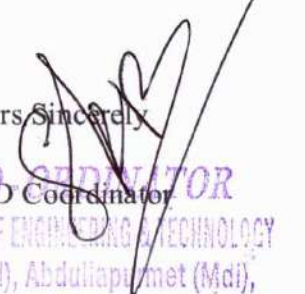

Dr Gireesh kumar, BVRIT.

The resource person's lecture would enlighten all the participants about pursuing research and publications. We request you to give permission to organize the workshop on the above mentioned date.

Thanking you Sir,

Yours Sincerely,

**Date:** 21/12/2022 to 26/12/2022

**Venue:** Avanathi Institute of Engineering and Technology, Gutapally, Seminar Hall

### Program Schedule

#### Day-1

Time	Program
10:00 AM-10:10 AM	Welcome Note
10:10 AM-10:20 AM	Lightening of Lamp
10:20 AM-10:30 AM	Principal Message
10:30 AM-10:40 AM	Introduction of Guest
10:40 AM-10.50 AM	Guest Message
10.50 AM-11:00 AM	TEA Break
11:00 AM-01:00 PM	Session- 1
01:00 PM-02:00 PM	Lunch
02:00 PM-04:00 PM	Session — II

#### Day-2

Time	Program
10:00 AM-10:10 AM	TEA Break
10:10 AM-12:30 PM	Session- 1
01:30 PM-03:50 PM	Session — II
03:50 PM -04:00 PM	Vote of thanks

#### Day-3

Time	Program
10:00 AM-10:10 AM	TEA Break
10:10 AM-12:30 PM	Session- 1
01:30 PM-03:50 PM	Session — II
03:50 PM -04:00 PM	Vote of thanks

### Workshop on Electric Vehicles career Opportunities

**Details of the Resource Person:** Dr Gireesh kumar, BVRIT.

**No. of Participants:** 38

#### Dr Gireesh kumar, BVRIT Explaining about Electric Vehicles career Opportunities

A Five-day workshop on “**Electric Vehicles career Opportunities**” has been organized by the Department of EEE, Avanthi Institute of Engineering and Technology, Guntapally, from 21/12/2022 to 26/12/2022. Dr Gireesh kumar, BVRIT has discussed An **electric vehicle (EV)** is a vehicle that uses one or more electric motors for propulsion. It can be powered by a collector system, with electricity from extravehicular sources, or it can be powered autonomously by a battery. EVs include but are not limited to road and rail vehicles, and broadly can also include electric boat and underwater vessels electric aircraft and electric passenger cars, electric buses, electric trucks and personal transporters such as electric buggy, electric tricycles, electric bicycles and electric motorcycles/scooters. Together with other emerging automotive technologies such as autonomous driving, connected vehicles and shared mobility, EVs form a future vision of transportation called Connected, Autonomous, Shared and Electric (CASE) mobility.

### EXPENDITURE DATED 26-12-2022

The R&D Cell is has Conducted a Five days workshop on "**Electric Vehicles career Opportunities**" 21/12/2022 to 26/12/2022 for all the faculty members and students.

The following, are the details of the expenditure:

S.NO	Description	Amount in Rs
1	Certificates Printing	500.00
2	HONORARIUM+TA	4000.00
3	Miscellaneous (one day)	500.00
Total		5000.00

Total number of Registrations: 38

Total amount Spent: Rs. 5000/- (Five thousand only)

## ABOUT AVANTHI

Avanthy Institute of Engineering & Technology, Hyderabad is sponsored by Avanthy Educational Society, established in the year 2005, with the able leadership of Sri. M. Srinivasa Rao, came into being with a congregation of dedicated academicians and able administrators in the field of higher education and learning. This Institution has achieved NAAC accreditation for period of 5 years. UG Programs CSE and ECE are accredited by NBA (National Board of Accreditation). The society has grown into a large group of more than 13 educational institutions having student strength more than 25,000 pursuing education in the field of Engineering & Technology, science, commerce, IT & Management under this fold.

Career in today's dynamic environment needs, choosing the better location as a bench mark to realize the goals and objectives. A dream of education today, tomorrow and everyone know what was yesterday

It is a top ranked institution in engineering education in terms of academics & placements. The college offers UG programs in EEE, ECE, CSE & PG programs in ES, VLSI, CSE. The College has state of the art infrastructure, resource facilities, well-furnished lecture halls, highly equipped labs, library & well-furnished canteen.

## ABOUT DEPARTMENT OF MBA

The department of MBA in Avanthy was started with an intake of 60 students. The department has well established and highly qualified faculty to fulfill the aspirations of student community. The department strives to shape students into critical, and independent thinker.

## ELIGIBILITY

The course is open to faculty from AICTE approved Engineering colleges / Institutions and working professionals from Industries / R&D organizations & EDC with basic degree in relevant field of Engineering students

## ABOUT SEMINAR

The Seminar on Effective Research Paper Writing Skills is a valuable platform designed to enhance participants' proficiency in crafting high-quality research papers. Geared towards academics, researchers, and students, the seminar covers essential aspects of the research paper writing process. Attendees gain insights into formulating clear research questions, structuring papers effectively, and mastering citation and referencing styles. The seminar also addresses critical elements such as literature review, methodology, and result interpretation. Practical tips for overcoming common writing challenges are shared, along with strategies for publication success.

10-12-2022

To,

The principal,

Avanthi Institute of Engineering and Technology, Guntapally,

Hyderabad.

Sub: Request for an approval to conduct a Seminar on "**Effective research paper writing Skills**" - reg.

This is to inform you that the Department of Master of Business & Administration is planning to conduct a Seminar on "**Effective research paper writing Skills**" from 14-12-2022. The resource person for the Seminar is

Sri ramulu, Osmania University

The resource person's lecture would enlighten all the participants about pursuing research and publications. We request you to give permission to organize the Seminar on the above-mentioned date.

Thanking you Sir,

### Seminar on Effective research paper writing Skills

**Details of the Resource Person:** Sri ramulu, Professor, Osmania University

**No. of Participants:** 28

Sri ramulu, Professor, Osmania University

### Explaining about Effective research paper writing Skills

A one-day Seminar on “Effective research paper writing Skills” has been organized by the Department of MBA, Avanthi Institute of Engineering and Technology, Guntapally, on 14/12/2022. Sri ramulu has discussed **Effective research paper writing** is a piece of academic writing that provides analysis, interpretation, and argument based on in-depth independent research. Research papers are similar to academic essays, but they are usually longer and more detailed assignments. This step-by-step guide takes you through the entire writing process, from understanding your assignment to proofreading your final draft. There are many ways to generate an idea for a research paper, from brainstorming with pen and paper to talking it through with a fellow student or professor.

## ABOUT AVANTHI

Avanthi Institute of Engineering & Technology, Hyderabad is sponsored by Avanthi Educational Society, established in the year 2005, with the able leadership of Sri. M. Srinivasa Rao, came into being with a congregation of dedicated academicians and able administrators in the field of higher education and learning. This Institution has achieved NAAC accreditation for period of 5 years. UG Programs CSE and ECE are accredited by NBA (National Board of Accreditation). The society has grown into a large group of more than 13 educational institutions having student strength more than 25,000 pursuing education in the field of Engineering & Technology, science, commerce, IT & Management under this fold.

Career in today's dynamic environment needs, choosing the better location as a benchmark to realize the goals and objectives. A dream of education today, tomorrow and everyone know what was yesterday.

It is a top ranked institution in engineering education in terms of academics & placements. The college offers UG programs in EEE, ECE, CSE & PG programs in ES, VLSI, CSE. The College has state of the art infrastructure, resource facilities, well-furnished lecture halls, highly equipped labs, library & well-furnished canteen.

## ABOUT DEPARTMENT OF MBA

The department of MBA in Avanthi was started with an intake of 60 students. The department has well established and highly qualified faculty to fulfill the aspirations of student community. The department strives to shape students into critical, and independent thinkers.

## ELIGIBILITY

The course is open to faculty from AICTE approved Engineering colleges / Institutions and working professionals from Industries / R&D organizations & EDC with basic degree in relevant field of Engineering students

## ABOUT SEMINAR

The Seminar on Intellectual Property Rights (IPR) is a comprehensive session designed to elucidate the significance and nuances of intellectual property in various industries. Covering patents, trademarks, copyrights, and trade secrets, the seminar aims to foster an understanding of legal frameworks and protection mechanisms. Experts in intellectual property law guide participants through the intricacies of securing and managing intellectual assets. Attendees gain insights into the role of IPR in innovation, technology transfer, and business strategies. Case studies and real-world examples illuminate the impact of IPR on diverse sectors. Whether for entrepreneurs, researchers, or legal professionals, this seminar provides a valuable platform for navigating the complex landscape of intellectual property, ensuring participants are well-informed.

### Seminar on IPR

**Details of the Resource Person:** Sri Nivas, Professor, Osmania University

**No. of Participants:** 28

### Sri Nivas, Professor, Osmania University Explaining about IPR

A one-day Seminar on "IPR" has been organized by the Department of MBA, Avanthi Institute of Engineering and Technology, Guntapally, on 22/09/2022. **Sri Nivas** has discussed regarding One area can be characterized as the protection of distinctive signs, in particular trademarks (which distinguish the goods or services of one undertaking from those of other undertakings) and geographical indications (which identify a good as originating in a place where a given characteristic of the good is essentially attributable to its geographical origin). The protection of such distinctive signs aims to stimulate and ensure fair competition and to protect consumers, by enabling them to make informed choices between various goods and services. The protection may last indefinitely, provided the sign in question continues to be distinctive.

## ABOUT AVANTHI

Avanthi Institute of Engineering & Technology, Hyderabad is sponsored by Avanthi Educational Society, established in the year 2005, with the able leadership of Sri. M. Srinivasa Rao, came into being with a congregation of dedicated academicians and able administrators in the field of higher education and learning. This Institution has achieved NAAC accreditation for period of 5 years UG Programs CSE and ECE are accredited by NBA (National Board of Accreditation). The society has grown into a large group of more than 13 educational institutions having student strength more than 25,000 pursuing education in the field of Engineering & Technology, science, commerce, IT & Management under this fold.

Career in today's dynamic environment needs, choosing the better location as a benchmark to realize the goals and objectives. A dream of education today, tomorrow and everyone know what was yesterday

It is a top ranked institution in engineering education in terms of academics & placements. The college offers UG programs in EEE, ECE, CSE & PG programs in ES, VLSI, CSE. The College has state of the art infrastructure, resource facilities, well-furnished lecture halls, highly equipped labs, library & well-furnished canteen.

## ABOUT DEPARTMENT OF MBA

The department of MBA in Avanthi was started with an intake of 60 students. The department has well established and highly qualified faculty to fulfill the aspirations of student community. The department strives to shape students into critical, and independent thinker.

## ELIGIBILITY

The course is open to faculty from AICTE approved Engineering colleges / Institutions and working professionals from Industries / R&D organizations & EDC with basic degree in relevant field of Engineering students

## ABOUT SEMINAR

The Seminar on Entrepreneurship is a dynamic event aimed at inspiring and educating individuals about the entrepreneurial journey. This seminar provides a platform for aspiring entrepreneurs and business enthusiasts to gain valuable insights into the world of entrepreneurship. Renowned speakers and successful entrepreneurs share their experiences, strategies, and lessons learned, offering practical guidance on starting and growing a business. Topics may include idea generation, business planning, funding options, market analysis, and the importance of innovation. The seminar fosters a collaborative environment, encouraging networking among participants and industry experts. Whether participants are looking to launch their own ventures or simply seeking entrepreneurial knowledge.

### Seminar on Entrepreneurship

**Details of the Resource Person:** V Sekhar, Professor, Osmania University

**No. of Participants:** 46

#### V Sekhar, Professor, Osmania University Explaining about Entrepreneurship

A one-day Seminar on “**Entrepreneurship**” has been organized by the Department of MBA, Avanthi Institute of Engineering and Technology, Guntapally, on 20/09/2022. V Sekhar has discussed an **entrepreneur** is an individual who creates and/or invests in one or more businesses, bearing most of the risks and enjoying most of the rewards. The process of setting up a business is known as "entrepreneurship". The entrepreneur is commonly seen as an innovator, a source of new ideas, goods, services, and business/or procedures. More narrow definitions have described entrepreneurship as the process of designing, launching and running a new business, which is often similar to a small business, or make a profit". While definitions of entrepreneurship typically focus on the launching and running of businesses, due to the high risks involved in launching a startup company, a significant proportion of startups have to due to "lack of funding, bad business decisions, government policies, an economic crisis, a lack of market demand, or a combination of all of these."
