## INSTITUTE VISION, MISSION AND QUALITY POLICY

### VISION:

To develop highly skilled professionals with ethics and human values.

### MISSION:

To provide a positive and professional learning environment where all students are inspired to strive for excellence in order to achieve their potential as dignified and competent engineers, technology innovators, managers and leaders in global society through a cohesive network for the parents, students, college staff and industry.

### QUALITY POLICY

- To pursue global standards of excellence in all our endeavors namely teaching, research, consultancy and continuing education and to remain accountable in our core and support functions, through processes of self-evaluation and continuous improvement.
- Technical excellence, ethics and human values are key parameters in the vision recognized by the Institution. The mission statement emphasizes the need for expertise, industry exposure, dedication and professionalism, as well as holistic personal development to achieve the vision of the institution.
- In order to realize its vision and mission, the College has a system-driven participatory governance where all stakeholders (students, staff, management, parents, alumni, employers and community representatives) are actively involved and accountable for its activities at different levels. The College's vision and mission are communicated to all stakeholders by displaying at the College's website, the Principal office, the HOD room, bulletin boards, the library, syllabus books and classrooms/laboratories.
- The Governing body, composed in accordance with the norms in vogue, oversees the management of the Institute and ensures the smooth functioning of the Institute. The Board meets regularly to review the activities of the institution and provide guidance for further improvement in relation to the vision, mission and strategic plan.

## DEPARTMENT WISE VISION AND MISSION

### Department of Computer Science and Engineering

#### Vision:

To become a center of excellence the computer science and information technology discipline with a strong research and teaching environment.

#### Mission:

The Mission of the Department of Computer Science and Engineering is to:

M1: To provide qualitative education and generate new knowledge by engaging in cutting edge research and by offering state of the art undergraduate ,post graduate ,leading careers as computer professional in the widely diversified of industry ,government and academia.

M2: To promote a teaching and learning process that yields advancements in state of art in computer science and engineering in integration of research result and innovative into other scientific discipline leading to new products.

M3: To harness human capital for sustainable competitive edge and social relevance by including the philosophy of continuous learning and innovation in computer science and engineering.

M4: To provide inculcate team work, imbibe leadership qualities, professional ethics and social responsibilities.

### Department of Electronics & Communication Engineering

#### Vision:

To become a center of excellence and to produce high quality, self motivated, creative and ethical engineering and technologists, contributing effectively to Electronics and Communication Engineering.

## Internal Compliant Committee

The Committee for Managing Gender Issues has been set up as the Internal Complaints Committee was required to set up as per the Supreme Court Guidelines. This would normally limit its outcomes to resolution, settlement, or prosecution. However, ICC was set up not only to deal with complaints of sexual harassment of women in the workplace but also to focus on creating awareness, counseling and educating about gender issues. For example, specific components of induction programmes were formally introduced and are based on creating awareness and informing students about the Institute's framework for dealing with such issues. In addition, gender sensitization workshops for staff and students are also conducted.

## Functions & Responsibilities:

- ✓ To develop a policy against sexual harassment of women at the Institute.
- ✓ To ensure the implementation of the policy in letter and spirit through proper reporting of the complaints and their follow-up procedures.
- ✓ To uphold the commitment of the Institute to provide an environment free of gender based discrimination.
- ✓ To create a secure physical and social environment to deter any act of sexual harassment.
- ✓ To evolve a permanent mechanism for the prevention and redressal of sexual harassment cases and other acts of gender based violence at the Institute.

## Maintenance Committee

The Maintenance Committee Is Responsible For Ensuring Proper And Regular Maintenance Of All Of The Institutional Structures On Campus. These Areas Are As Specified (But Not Limited To) The Areas Described And Be Responsible For Repair Or Maintenance Activity Related To All Common Amenities. It Shall Be Also Responsible For Providing And Maintaining A Safe, Orderly And Respectful Learning Environment Which Will Contribute To Student And Staff Achievements And Focus On Institutional Environmental Issues In Keeping With A Safe

### ENTREPRENEURSHIP DEVELOPMENT CELL

An Entrepreneurship Development Cell was established in the college to encourage the students' sense of entrepreneurship. The Cell strives to establish an entrepreneurial ecosystem on campus and offers students a platform to develop ideas into financially viable technological businesses. The cell's goal is to outfit faculty members who are enthusiastic about putting programs into action. Since its start, the cell has pushed students to consider options outside of internships and jobs. To boost the students' business spirit, numerous inspirational speeches and awareness campaigns are held.
