Sub: Requesting the incorporation of suggested changes in B. Tech R-18 Curriculum

Sir,

We, Avanthi Institute of Engineering and Technology, Gunthapally, would like to bring to your notice some of the suggestions of various stake-holders viz., student, faculty, alumni, employers and parents feed-back on the relevance of the current curriculum to the job-market and ambience. As per the feed-back, we have come to the conclusion that a majority of stakeholders from different branches of Engineering have asked for the incorporation of some changes and updating of the current curriculum to match the needs of the industry and the present job-market.

The following suggestions have been made by different stake-holders:

The various stakeholders have asked for the inclusion of latest tools like Power BI, Quantum computing, Data analytics and Real time stock market analysis subjects in the curriculum.

In this regard, we would like to request you to kindly look into the suggestions of the stakeholders and address the issue at the earliest.

Thanks, and regards,

  
Yours sincerely,

Sub: Requesting the incorporation of suggested changes in B. Tech R-18 Curriculum-Req Reg.

Sir,

We, Avanthi Institute of Engineering and Technology, Gunthapally, would like to bring to your notice some of the suggestions of various stake-holders viz., student, faculty, alumni, and employers feed-back on the relevance of the current curriculum to the job-market. After evaluating the feed-back, there is a need to make the syllabus more application and skill-oriented in view of the persistent demands of the industry and job-market.

The following suggestions have been made by different stake-holders:

1. The stakeholders of the CSE Department have asked for open electives like Devops, Quantum computing etc. which are deemed more relevant in the IT industry.
  2. The stakeholders of the ECE Department have asked for open electives which are deemed more relevant in the industry. They have also requested IT related courses like AI & ML to be more aligned with the IT industry.
  3. The stakeholders of the Mechanical Engineering Branch have suggested incorporating AI related topics and Machine Learning to meet the demands of the industry and job-market better.
- In this regard, we would like to request you to kindly look into the suggestions of the stakeholders and address the issue at the earliest.

The following suggestions have been made by different stake-holders:

1. May we bring the suggestion to allot credits for sports in the curriculum to your notice.
2. The stakeholders of all branches of engineering have suggested more industry-academia interface and incorporation of programs like soft-skills and life-long learning skills.

In this regard, we would like to request you to kindly look into the suggestions of the stakeholders and address the issue at the earliest.

Sub: Requesting the incorporation of suggested changes in B. Tech R-16 Curriculum

Sir,

We, Avanthi Institute of Engineering and Technology, Gunthapally, would like to bring to your notice some of the suggestions of various stake-holders viz., student, faculty, alumni, employers and parents feed-back on the relevance of the current curriculum to the job-market and ambience. As per the feed-back, we have come to the conclusion that a majority of stakeholders from different branches of Engineering have asked for the incorporation of some changes and updating of the current curriculum to match the needs of the industry and the present job-market.

The following suggestions have been made by different stake-holders:

1. The stakeholders of the CSE Department have expressed the desire to give students more exposure to the job skills and projects that are demanded by the industry. The IT industry should actively involve themselves in the designing of curriculum and training of students.
2. The stakeholders of the ECE Department have expressed their desire to make their domain more oriented towards IT application. There should be more electives from which students can choose freely.

*Committed to Excellence in Technical Education*

3. The stakeholders of the Mechanical Engineering Branch have asked for more IT enabled courses and applications in their domain to keep up with the latest trends in the automobile industry such as Electric vehicles. AI powered machines etc.

In this regard, we would like to request you to kindly look into the suggestions of the stakeholders and address the issue at the earliest.

Thanks, and regards,
