ASK Training Services

Memorandum of Understanding

Between

ASK Training Services

And

Ayanthi Institute of Engineering and Technology

For ASK Training Services

Proprietor

ASK Training Services

THE AGREEMENT

This AGREEMENT made and entered into on 24th Day of February 2020 between Avanthi Institute of Engineering and Technology– an institution at Near Ramoji Film City, Gunthapalli, Abdullahpurmet, Mandal, Telangana 501512 (hereinafter referred to as the "INSTITUTION" which expression shall where the contest so admits include its successors and permitted assigns) of one part

AND

ASK Training Services, located at #16-3, 6th Cross, 5th Main, Opp Bucket Biryani, Kullappa Circle, Kammanahalli, Bangalore 560084, Karnataka, India (hereinafter referred to as "ASSOCIATE" which expression shall where the contest so admits include its successors and permitted assigns) of the other part.

The agreement is operated through The Secretary of The INSTITUTION and Managing Director & CEO of The ASSOCIATE.

SCOPE

WHEREAS The ASSOCIATE is engaged in providing training, skill development, and has strength in development and delivery, innovations and marketing of technology trainings etc. particularly in the areas of Quantitative Analysis, Soft Skills, and Aptitude and has approached The INSTITUTION to establish and effective relationship in the larger interest of the sector

And

WHEREAS the INSTITUTION is a premier Educational society, devoted in providing Education services in Science and Technology in Electronics, Telecommunications, Information Technology, Computer Science and other related disciplines, has agreed for this mutual association. Now therefore in consideration of the previous and mutual covenants hereinafter contained, the parties hereto agree to jointly play an effective role in skill enhancement of the Technical and Engineering students through class room and industry specific practical training ensuring quality delivery towards excellence.

For ASK Training Services

Proprietor

ASK Training Services

Objectives

- Design, develop and deliver programs ensuring required quality in Aptitude, and Soft Skills which in turn will lead to professional courses as per the industry requirements and making aspirants employable.
- To be quality skill enhancement partner and projects/system integrator for corporate and government agencies
- Working closely with industry for establishing the curriculum as per its requirements and also with academia in order to enhance the quality of Technical and Engineering education in the country.
- Enhancing skills of students/aspirants through internship and vocational training.
- Also making efforts towards setting up a "Centre of Excellence" in order to enhance the competency level of aspirants and the faculty for Technical & Engineering education.

Role of the INSTITUTION

- (i) The INSTITUTION shall provide the available infrastructure & basic amenities such as food, female accommodation etc.; suitable and ready for delivering the training courses and other activities in conjunction with the ASSOCIATE in the scope.
- (ii) The INSTITUTION shall provide a workable space/ room with basic amenities for the staff of The ASSOCIATE to facilitate training activities for successful outcome of joint activities.
- (iii) The INSTITUTION shall nominate a coordinator as a point of contact (POC) for ASSOCIATE for proper operation of Trainings.
- (iv) The INSTITUTION shall treat ASSOCIATE as a training partner for joint activities for mutual benefits.

Role of the ASSOCIATE

- (i) The ASSOCIATE shall utilize its strength to align with various skill development programs and initiatives to meet the objectives of The INSTITUTION. It shall accordingly design and deliver various programs within the overall scope of MoU.
- (ii) The quality delivery is the responsibility of The ASSOCIATE and The ASSOCIATE would have to have in-house or engage the required manpower and the faculty as per the requirement, in conjunction with the INSTITUTION.
- (iii) The ASSOCIATE shall design, develop and provide required course materials & practical training to the students.

For ASK Training Services

Proprietor

ASK Training Services

(iv) The ASSOCIATE shall market the programs to make them successful. It shall also guide and support the students for proper placement.

PAYMENT

The INSTITUTION will provide the ASSOCIATE the following Payment: INR 2400 for Quantitative Aptitude, Reasoning, and Soft Skills, in total of 120 hours, for student strength of 150.

For **Company Specific Training**, the charge will be quoted by the ASSOCIATE in prior based on the company for which the training is to be carried out.

Payment:

25% Advance on signing of the Contract, 25% in the middle of Training and (25%+25%) on completion of the program. The above quoted prices are inclusive of any taxes to be paid.

Payment Due Date:

Payment to be made before the commencement of the program. At no time the INSTITUTION is liable for more than this ceiling amount. The above Payment will be provided to the ASSOCIATE at the signing of the MOU. The Payment received for the purpose of this MOU shall be administered by the ASSOCIATE in accordance with the Staff Rules and Regulations, and related the ASSOCIATE administrative procedure.

IMPLEMENTATION OF THE MOU

The Placement Officer of the INSTITUTION and the Executive Director of the ASSOCIATE shall make the necessary arrangement to ensure satisfactory implementation of the Partnership.

The parties agree to communicate systematically to exchange views and report on accomplishments with regards to this MOU.

Whenever the receipt of contribution Payment from the INSTITUTION or the timely of the activities by the ASSOCIATE is delayed or disrupted, the ASSOCIATE and the INSTITUTION will jointly investigate all possible remedial actions to be taken.

For ASK Training Services

With a specific purpose of bringing the B Tech students of AIET nearer to the Application Field of the subject matter being taught in the class and to make them aware of the ways and means through which such objectives are fulfilled.

1. Whereas the Institute, affiliated to JNTUH, Hyderabad located at Vill: Gunthapally Village, Hayathnagar(M), R.R District, Hyderabad-501512. is an AICTE, New Delhi approved Technological Institute of higher learning with different disciplines like ECE, CSE, EEE, Mech., etc. and has been imparting its students with quality and up to date technical instructions through deployment of empowered, sincere and experienced technical faculties. Through various interactive and exchange programs with other institutes, research laboratories and industries, larger exposure for the students are also aimed at,

2. Whereas **M/s Future Gen Technologies**, located at 5th Floor, Green House Building, Beside Aditya Trade Center, Satyam Theatre Road, Ameerpet, Hyderabad, is duly incorporated business house of long standing and reputed manufacturer of quality electronic equipments. With an innovative and in house R & D team, the company continues to bring in latest and state of the art instrumentations to serve its clientele. As a result, the company enjoys unstinted and continuous support from its satisfied customers.

5th Floor, Green House Building, Beside Aditya Trade Center, Satyam theatre Road,
Aditya Trade Center (Passport Office), Ameerpet, Hyderabad, Telangana - 500016

3. To foster the culture of garnering wider customer support and creating exalted customer base, the company always thrives on new and fresh ideas from the newer generation of young and intelligent technical brains from the institute and to sharpen their intellects to the best advantage to our industry and of the country as a whole.

4. Both AIET and M/s **Future Gen Technologies**, understand and appreciate the facts that through interactive, cooperative and collaborative efforts of industry and institute will play a very vital and productive role for an increasingly large role in economic advancement of the regional and national economic activities.

5. It is the intent of the CEO of M/s **Future Gen Technologies** and the Principal of AIET, to bring about a level of understanding between them and work out a comprehensive program of imparting relevant knowledge to students, expand technical engagement between the industry and institute, joint research and development cooperation to bring forth an increasing dissemination of knowledge power to everybody's best interest.

6. Through this document of mutual understanding, general rules of such an collaborative action-methodology is enumerated, which in no way shall interfere the respective focus areas of their original activities. This document provides the general structure and principles to facilitate a relationship between the two partners of understanding on amicable and no profit no loss basis.

7. The field of the cooperation between the two partners will be governed by the following:

- The agencies will sit together to decide on the areas where their cooperation will bring in maximum benefit to the technical minds of the students and maximum value added benefits to the product-end-users.

- Necessary inputs and knowledge to be imparted to the students to initiate the right thinking process in them and make them ready to accept a new and challenging assignment beyond their syllabus.
- The initiated and interested students will be shortlisted and recommended to the industry.
- The students thus nominated will be guided by the industry in the finer nuances of the target objective,
- The students will be amalgamated with the existing research and development team members to contribute their might,
- The activities shall be subdivided into categories like basic design and development, production planning, assembling, individual – batch and group testing, integrated testing etc. and ending with quality assurance and packaging,
- Necessary exposure as and when required by the students for fulfillment of academic criteria like Mini Project and Main Project will also be provided in a planned schedule,
- Performance of the students will be reviewed internally by the industry and it may culminate into job offer to suitable candidate,
- To meet the notional expenses incurred by the industry towards arranging necessary infrastructure, implements, documents, components etc., the students will be charged with a nominal fee of RR. 3,000/- per academic session and the same will be collected by the institute and forwarded to the industry,
- The effectiveness and usefulness of this initiative will be reviewed jointly by the institute and the industry at reasonable time intervals and will be acted upon accordingly,

- This understanding is envisaged to be in place for one year from the date of this agreement and may be extended by suitable periods decided during reviews,
- In case any dispute or conflict of interest arises during the tenure of this agreement, the same will be amicably settled through joint meetings between the agreed parties.

In agreement to the general arrangement presented above, both the parties –**Avanthi Institute Engineering and Technology** , Gunthapally Village, Hayathnagar(M), R.RDistrict , Hyderabad -501512. and **M/s Future Gen Technologies**, Hyderabad, put their respective endorsement on this Memorandum of Understanding on this 25th of July ,2014 to 24th of July, 2023.

Chambers of Commerce and Industry
Hyderabad**

and

**Avanthi Educational Society
PG, Pharmacy, and Engineering College
Hyderabad**

MEMORANDUM OF UNDERSTANDING
Between
THE FEDERATION OF TELANGANA AND ANDHRAPRADESH
CHAMBERS OF COMMERCE AND INDUSTRY (FTAPCCI), HYDERABAD
and
AVANTHI EDUCATIONAL SOCIETY, HYDERABAD

This Memorandum of Understanding (MOU) is entered between **The Federation of Telangana and Andhra Pradesh Chambers of Commerce and Industry (FTAPCCI)**, Incorporated under the Indian Companies Act, 1956 having its registered office at Hyderabad and represented by its undersigned of the **FIRST PARTY**;

And **Avanthi Educational Society**, a Hyderabad based College represented by undersigned of the **SECOND PARTY**;

Whereas **FTAPCCI** and **Avanthi Educational Society** shall be hereinafter jointly referred to as the "**Parties**" and singularly as a "**Party**"

The Parties have decided to agree to establish industry – academic collaboration in areas of mutual interest and in accordance with terms and conditions set forth in this Memorandum of Understanding (MoU).

FTAPCCI and **Avanthi Educational Society** agree on following activities:

1. **FTAPCCI** Members/Industry Members will share their knowledge and experience by way of taking sessions, participating in seminars and other academic activities of **Avanthi Educational Society**. Like Industry Expert Lectures to Students, Industry Training to Faculty & Students Internships, Value Added Courses, workshops ,Seminars, Faculty Development Programs, Mini Projects and Major Projects.
2. **FTAPCCI** will facilitate for offering internship to meritorious students of **Avanthi Educational Society** through **FTAPCCI** Members. However there can be screening test to the candidates interested in Internship or Project work.

3. FTAPCCI will arrange to provide periodic field visits to faculty and students of **Avanthi Educational Society** at its project sites/Factories of FTAPCCI members to enable them to get practical exposure and learning from interaction
4. FTAPCCI may offer specific assignments (case studies on industrial issues, sample surveys and data collection, presenting papers and publication in leading journals as joint publication) with identified deliverables to be executed by **Avanthi Educational Society**. Detail modalities including financials would be mutually worked out for each assignment.
5. All students & faculty of **Avanthi Educational Society** can join any free program organized by FTAPCCI. For paid programs FTAPCCI will offer 20% discount on the offered fees.

General Conditions:

1. FTAPCCI and **Avanthi Educational Society** shall designate one of its employees as the Coordinator. The Coordinator shall act as the administrative liaison in implementing the terms of this agreement.
2. The Coordinator shall be responsible for cooperating to assure mutual participation and supervision of the program.
3. The Coordinators shall be responsible for periodically review and identify ways to disrupt the operations and services of any of the parties.
4. FTAPCCI and **Avanthi Educational Society** agree to fulfill the obligations of this MOU in such a manner that it would not disrupt the operations and services of any of the parties.
5. This MoU begins on the effective date and expires on mutually agreed date with a notice period of six months, unless terminated earlier, in accordance with the MoU.

6. This MoU in no way restricts the FTAPCCI & Avanthi Educational Society from participating in similar activities with other private or public agencies, organizations or individuals.
7. Avanthi Educational Society and FTAPCCI recognize the shared responsibility they have with each other to abide by various regulations. Logo, name or any other trade mark will not be used by both the parties in their respective promotional material or elsewhere without a written consent from the other party.
8. Neither the FTAPCCI nor Avanthi Educational Society, will discriminate against any individual on the basis of age, sacred, race, color, handicap, sex or national origin in connection with the program.

This MoU will take effect from the date it is signed by representatives of the Parties. It will remain valid for Five Year, and may be continued thereafter suitable review and agreement. This Agreement constitutes the entire Agreement between the Avanthi Educational Society and FTAPCCI and superseded all proposals or prior agreement, oral or written, and all other communications, oral or written. This agreement shall not be amended, altered or changed except by written agreement of both parties.

The MoU is signed on 18 September 2018 at Hyderabad subject to approval of the respective academic/ administrative bodies.

About FTAPCCI

FTAPCCI is an Apex Body representing Industry, Trade & Professionals in the State of Telangana & Andhra Pradesh. It has more than 3000 direct members and with its 160 Associations/Chambers of Commerce an indirect membership of over 25000. It was a conscious decision of chamber to represent both the states because of its rich industrial and trade experience of more than 100 years of geographical area of erstwhile Andhra Pradesh.

The broad spectrum of Membership of FTAPCCI includes Manufacturing & Servicing Industries, Chartered Accountants, Tax Consultants, Legal Professionals, Consultants, Distributors, Agents, Traders, Dealers, Food Processing, Exporters, Financial Institutions, Hospitals, Hotels and many more. This makes FTAPCCI one among the largest Chambers in India. FTAPCCI is rendering excellent service for the development of economy and enriching the knowledge base of industry by organizing various events like GST, Blockchain Technology, etc. FTAPCCI has always been striving to promote the economy by way of creating greater awareness about Industry, Business Opportunities, Investment Partnerships and B2B Meetings with Foreign Delegates.

The Chamber liaises between Trade, Industry and the Government, participating & suggesting the Government of its Policies on Industry, Labour Laws, Energy, Environment, Direct, Indirect Taxes and various issues related to the Industry. It also draws attention and represents Industry to the Government towards the difficulties of Industry & Trade. The Chamber conducts studies on various subjects related to Trade and Industry and acts as a Knowledge Chamber.

FTAPCCI had the proud privilege of visits by Sri Pranab Mukharjee and Dr. A.P.J Abdul Kalam, the then President of India, Central Ministers, Governors, Chief Ministers and other Ministers of State have also addressed the members of the Industry on several subjects at FTAPCCI.

Avanthi Educational Society - PG, Pharmacy, and Engineering College

Avanthi Educational Society was registered in the year 1991 and some of the institutions promoted by the society are now in the forefront of premier educational institutions. The Avanthi PG College, Hyderabad has been repeatedly adjudged as one of the best institutions and ranked as a top 2 institution in Andhra Pradesh and top 16 institution in India by "INDIA - TODAY" a reputed national magazine. Avanthi consistently endeavors to keep abreast and ahead of its times. The academic policies of the Society have been well conceived and it offers various science programs at Degree and Post Graduate levels, and professional courses in core and applied Engineering, Pharmacy and management levels through a consortium of colleges at Hyderabad, Viskhapatnam and Vizianagaram. Since its inception, Avanthi is functioning under the aegis of Sri M. Srinivasa Rao - harbinger of higher education. Starting with a humble strength of 9 students, the society evolved 14 Education Institutions giving a multi pronged platform for various courses. A strength of about 14000 students is a striking testimony for its sojourn in the path of progress.

WEBTEK LABS PVT LTD is committed to strengthening its recognized role as a major research and training organization through increased interaction with major national research institutes and laboratories. **AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY** seeks to foster scientific creativity and productivity, leading to improved competitiveness and productivity through increased contact between its staff and the faculty, graduate students and undergraduate students of **AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY** recognized, through experience, that cooperation and collaboration are a critical mechanism for increasing the impact of its students, research staff, capabilities, and facilities.

C. It is the intent of the Director of **WEBTEK LABS PVT LTD** and the **PRINCIPAL** of **AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY** to foster and expand research, education and cooperation between the two institutions through this Memorandum of understanding. This document provides the general structure and principles to facilitate a relationship between the two institutions and is not intended to interfere with or alter relationships between students and staff of each institution.

II. Objectives of and Environment for Interaction

- A.** Increasing the cooperative and collaborative links between **WEBTEK LABS PVT LTD** and **AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY** will enhance the scientific, technical, and engineering competence and breadth of the two institutions, while making better use of their respective facilities and enabling their faculty and staff to work together to develop stronger programs of mutual interest and benefit. This enhanced capability will permit both **WEBTEK LABS PVT LTD** and **AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY** to accomplish goals together that they could not achieve separately.
- B.** It is anticipated that a collaboration between **WEBTEK LABS PVT LTD** and **AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY** will bring new and additional resources to both partners through new programs, collaborations, efficiencies, and resource use optimization; enrich the regional economic environment with innovative, dynamic new companies born from the partnership, perhaps leading to the creation of a regional center, designer to enhance the creation of partnerships between private, and academic sectors.

III. Term and Termination of this Memorandum of Understanding

- 1.** AND WHEREAS both **AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY** and **WEBTEK LABS PVT LTD** cooperative arrangement towards – strengthening technical education (through curriculum, faculty, infrastructure, pedagogy improvements) in line with the IT industry's requirements of relevant skill-sets in various disciplines at graduate levels in different time-frames.

6. This MOU will be in operation for duration of 3 (Three) months.

7. During the period of this MOU:

WEBTEK LABS PVT LTD will ensure the completion of the Certificate Training on Machine Learning with Python and major projects on Machine Learning with Python(16 Batches) and JAVA(9 Batches) for the final year students and Certificate Training on 'C' Language for the third Year students of CSE.

8. The project will be gradually completed in all aspects viz, teaching, demonstration, guiding, building the modules, integration of the modules, coding etc, And testing of the final results.

9. The Parties may establish a "Combined Functioning Group" to manage and execute the cooperative activities mentioned in this MOLL

a. The Parties will endeavor to ensure that the Functioning Group is composed of the representatives of the institutes, organizations and academic community related to the field of **Machine Learning with Python, Java and 'C' Language**.

b. Each Party will nominate appropriate personnel to discuss and promote detailed cooperation activities for the implementation of this MOU, When necessary and as mutually agreed, the Parties may hold working meetings. One Party shall notify the other Party of any modification in writing in case of change in the assigned personnel.

C. Certificate Training and Major project feedback from students should be good enough to extend MOU for further period . Memorandum of Understanding on this 28th of January 2019 and it continues till 27th of January 2024.

MEMORANDUM OF UNDERSTANDING

BETWEEN

COIGN Consultants Pvt. Ltd

AND

**AVANTHI INSTITUTE OF ENGINEERING &
TECHNOLOGY**

COIGN Consultants Pvt.Ltd
Office address : # S11 3rd Floor Balled Estates Tarnaka,secunderabad-500017
Email:contact@coign.net : www.coign.net

This Memorandum of Understanding is being entered into on the below mentioned date between:

COIGN Consultants Pvt.ltd

And

Avanthi Institute of Engineering and Technology

With a specific purpose of bringing the B Tech students of AIET nearer to the Application Field of the subject matter being taught in the class and to make them aware of the ways and means through which such objectives are fulfilled.

1. Whereas the Institute, affiliated to JNTU, Hyderabad, located at VIII: Gunthapally, Hayatnagar Mandal, RR District, is an AICTE, New Delhi approved Technological Institute of higher learning with different disciplines Like ECE, CSE, EEE, Mech., IIT etc. and has been imparting its students with quality and up to date technical instructions through deployment of empowered, sincere and experienced technical faculties. Through various interactive and exchange programs with other institutes, research laboratories and industries, larger exposure for the students are also aimed at,

2. Whereas COIGN Consultants Pvt.ltd located at Balled Estates S11 3 rd Floor Tarnaka, is duly incorporated business house of long standing and reputed manufacturer of quality electronic equipments. With an innovative and in house R it D team, the company continues to bring in latest and state of the art instrumentations to serve its clientele. As a result, the company enjoys unstinted and continuous support from its satisfied customers.

3. To foster the culture of garnering wider customer support and creating exalted customer base, the company always thrives on new and fresh ideas from the newer generation of young and intelligent technical brains from the institute and to sharpen their intellects to the best advantage to our industry and of the country as a whole.

4. Both MET and COIGN Consultants Pvt.ltd understand and appreciate the facts that through interactive, cooperative and collaborative efforts of industry and institute will play a very vital and productive role for an increasingly large role in economic advancement of the regional and national economic activities.

COIGN Consultants Pvt.ltd

Office address : # S11 3rd Floor Balled Estates Tarnaka, secunderabad-500017

Email:contact@coign.net | www.coign.net

5. It is the intent of the CEO of COIGN Consultants Pvt. Ltd and the principal of AIET to bring about a level of understanding between them and work out a comprehensive program of imparting relevant knowledge to students, expand technical engagement between the industry and institute, joint research and development cooperation to bring forth an increasing dissemination of knowledge power to everybody's best interest.

6. Through this document of mutual understanding, general rules of such an collaborative action-methodology is enumerated, which in no way shall interfere the respective focus areas of their original activities. This document provides the general structure and principles to facilitate a relationship between the two partners of understanding on amicable and no profit no loss basis.

7. The field of the cooperation between the two partners will be governed by the following:

- The agencies will sit together to decide on the areas where their cooperation will bring in maximum benefit to the technical minds of the students and maximum value added benefits to the product-end-users.
- Necessary inputs and knowledge to be imparted to the students to initiate the right thinking process in them and make them ready to accept a new and challenging assignment beyond their syllabus.
- The initiated and interested students will be shortlisted and recommended to the industry.
- The students thus nominated will be guided by the industry in the finer nuances of the target objective,
- The students will be amalgamated with the existing research and development team members to contribute their might,
- The activities shall be subdivided into categories like basic design and development, production planning, assembling, individual batch and group testing, integrated testing etc. and ending with quality assurance and packaging.

- Performance of the students will be reviewed internally by the industry and it may culminate into job offer to suitable candidate,
- Necessary exposure as and when required by the students & Faculties for fulfilment of academic criteria like Value Added Courses, workshops, Seminars, Faculty Development Programmes, Internships , Mini Projects and Major Projects will also be provided in a planned schedule,
- To meet the notional expenses incurred by the industry towards arranging necessary infrastructure, implements, documents, components etc., the students will be charged with a nominal fee of RR. 3,000/- per academic session and the same will be collected by the institute and forwarded to the industry,
- The effectiveness and usefulness of this initiative will be reviewed jointly by the institute and the industry at reasonable time intervals and will be acted upon accordingly,
- This understanding is envisaged to be in place for one year from the date of this agreement and may be extended by suitable periods decided during reviews,
- In case any dispute or conflict of interest arises during the tenure of this agreement, the same will be amicably settled through joint meetings between the agreed parties.

In agreement to the general arrangement presented above, both the parties - Avanthi Institute Engineering and Technology, Hayatnagar and COIGN Consultants Pvt.ltd, Hyderabad, put their respective endorsement on this Memorandum of Understanding on this 14th of July 2018 and it continues till 13th of July 2023.

This Memorandum of Understanding is being entered into on the below mentioned date between:

M/s Innovative Systems
and
Avan̄thi Institute of Engineering and Technology

With a specific purpose of bringing the B Tech students of AVIH nearer to the Application Field of the subject matter being taught in the class and to make them aware of the ways and means through which such objectives are fulfilled.

1. Whereas the Institute, affiliated to JNTUH, Hyderabad located at VIII: Gunthapally Village, Hayathnagar(M), R.R District, Hyderabad-501512. is an AICTE, New Delhi approved Technological Institute of higher learning with different disciplines like ECE, CSE, EEE, Mech, M-Tech, MBA etc. and has been imparting its students with quality and up to date technical instructions through deployment of empowered, sincere and experienced technical faculties. Through various interactive and exchange programs with other institutes, research laboratories and industries, larger exposure for the students are also aimed at,

2. Whereas M/s **Innovative Systems**, located at E.C.I.L. Post, Hyderabad, is duly incorporated business house of long standing and reputed manufacturer of quality electronic equipments. With an innovative and in house R & D team, the company continues to bring in latest and state of the art instrumentations to serve its clientele. As a result, the company enjoys unstinted and continuous support from its satisfied customers.

3. To foster the culture of garnering wider customer support and creating exalted customer base, the company always thrives on new and fresh ideas from the newer generation of young and intelligent technical brains from the institute and to sharpen their intellects to the best advantage to our industry and of the country as a whole.

4. Both AIET and M/s **Innovative Systems**, understand and appreciate the facts that through interactive, cooperative and collaborative efforts of industry and institute will play a very vital and productive role for an increasingly large role in economic advancement of the regional and national economic activities.

5. It is the intent of the CEO of M/s **Innovative Systems** and the Director of AIET, to bring about a level of understanding between them and work out a comprehensive program of imparting relevant knowledge to students, expand technical engagement between the industry and institute, joint research and development cooperation to bring forth an increasing dissemination of knowledge power to everybody's best interest.

6. Through this document of mutual understanding, general rules of such an collaborative action-methodology is enumerated, which in no way shall interfere the respective focus areas of their original activities. This document provides the general structure and principles to facilitate a relationship between the two partners of understanding on amicable and no profit no loss basis.

7. The field of the cooperation between the two partners will be governed by the following:

- The agencies will sit together to decide on the areas where their cooperation will bring in maximum benefit to the technical minds of the students and maximum value added benefits to the product-end-users.
- Necessary inputs and knowledge to be imparted to the students to initiate the right thinking process in them and make them ready to accept a new and challenging assignment beyond their syllabus.

- The initiated and interested students will be shortlisted and recommended to the industry.
- The students thus nominated will be guided by the industry in the finer nuances of the target objective,
- The students will be amalgamated with the existing research and development team members to contribute their might,
- The activities shall be subdivided into categories like basic design and development, production planning, assembling, individual – batch and group testing, integrated testing etc. and ending with quality assurance and packaging,
- Necessary exposure as and when required by the students for fulfillment of academic criteria like Value Added Courses, workshops, Seminars, Faculty Development Programs, Internships, Mini Projects and Major Projects will also be provided in a planned schedule,
- Performance of the students will be reviewed internally by the industry and it may culminate into job offer to suitable candidate,
- To meet the notional expenses incurred by the industry towards arranging necessary infrastructure, implements, documents, components etc., the students will be charged with a nominal fee of RR. 3,000/- per academic session and the same will be collected by the institute and forwarded to the industry,
- The effectiveness and usefulness of this initiative will be reviewed jointly by the institute and the industry at reasonable time intervals and will be acted upon accordingly,
- This understanding is envisaged to be in place for five years from the date of this agreement and may be extended by suitable periods decided during reviews,
- In case any dispute or conflict of interest arises during the tenure of this agreement, the same will be amicably settled through joint meetings between the agreed parties.

In agreement to the general arrangement presented above, both the parties Avanathi Institute Engineering and Technology, Gunthapally Village, Hayathnagar(M), R.R District, Hyderabad-501512. And M/s Innovative Systems, Hyderabad, put their respective endorsement on this Memorandum of Understanding on this 27th of July, 2018 to 26th of July,2023.

Such changes will be formalized in writing as an 'Addendum' to this MOU. Any changes/amendments to this MOU not in conformance to this section shall be deemed to be void-ab-initio.

10. Intellectual Proprietary Rights:

All intellectual or proprietary property and information, supplied or developed by either Party shall be and remain the sole and exclusive property of the Party who supplied or developed same. Upon termination of this MOU and upon written request, the Party in receipt of the requesting Party's intellectual or proprietary property and/or information pursuant to this MOU shall return such information to the requesting Party.

11. Force Majeure:

- a. Neither party to this MOU shall be liable for any failure or delay on its part in performing any of its obligations under this MOU, if such failure or delay shall be result of or arising out of Force Majeure conditions and, provided that the party claiming Force Majeure shall use its best efforts to avoid or remove such cause of non-performance and shall fulfil and continue performance hereunder with the utmost dispatch whenever and to the extent such cause or causes are removed.
- b. Any extraordinary event, which cannot be controlled by the parties, shall for the purpose of this MOU be considered as a Force Majeure event. Such events include acts of God.

acts or omissions of any Government or agency thereof, compliance with rules, regulations or order of any Government Authority. Provided however, if either party claims that existence of any of the aforesaid conditions is delaying or disabling the performance by said party of its obligations under this MOU, such party shall give immediate notice to the other party of the existence of such conditions whose existence are claimed to delay or disable the performance of obligations as aforesaid.

12. Jurisdiction and Arbitration:

- a. In the event of any dispute or difference between the Parties hereto, the courts in Pune alone shall have exclusive jurisdiction to try any matter arising between the Parties hereto and accordingly both the Parties shall submit to the exclusive jurisdiction of courts in Hyderabad, Telangana.
- b. Any dispute arising out of, in relation to or in respect to this MOU shall be settled through mutual consultation and agreement, by the Parties to this MOU. In case a settlement is not arrived at within fifteen (15) days of reference, the dispute/s shall be referred to a sole arbitrator to be appointed in accordance to the Arbitration and Conciliation Act, 1996 as amended from time to time. The place of arbitration shall be Hyderabad, Telangana.

IN WITNESS WHEREOF, the Parties hereto have duly executed this Agreement as on the day, month and year first hereinabove written

Memorandum of Understanding

This Memorandum of Understanding is made at Hyderabad on 20th day of July, 2014.

BETWEEN

Navya Institute of Computer Technologies an Institute Recognized by Govt. Of India, under minister of MSME , having its Registered Office at 6-2/3/1, Phanigiri Colony, Dilsukhnagar, Hyderabad – 500 060 branded as “NICT” a Training Institute of Taxation & Computer Accounting Packages (which term shall so far as the context admits be deemed to mean and include its successors, administrators, executors and assignees) of the **First Part**.

AND

Avanthi Institute of Engineering & Technology hereinafter referred to as “AVANTHI” (Which term shall so far as the context admits be deemed to mean and include its successors and assigns) of the **Second Part**,

WHEREAS:

1. NICT is a Training Partner associated with various corporates for providing training to the students as part of their activity.
2. **Avanthi Institute of Engineering & Technology** , is an Educational institution affiliated to JNTU. The College offers various Graduate & Post Graduate Courses.
3. AVANTHI College is willing to enter into a Memorandum of Understanding (MOU) with NICT to conduct **Workshops on Taxation & Computer Accounting Packages** which are very much useful for the career of the students in their employment.

**NOW IT IS HEREBY AGREED BY AND BETWEEN THE PARTIES
HERETO AS UNDER:**

1. Objective:

The objective of this MOU is to enable students of AVANTHI College access resources that would enhance their employability.

2. Period of MOU:

This MOU shall come into force and effect from the date of execution and shall remain valid for a period of Ten years till 2024. However, the same will be reviewed , extended or terminated on or before the expiry of the said duration period.

3. Roles & Responsibilities of the College:

- a. The College shall be responsible to nominate one person with adequate accountability and responsibility to coordinate the engagement. The person so appointed would act as the single point of contact (SPOC) for the proposed initiative.
- b. The College shall share the details of the students like name, email ID, contact details who are willing to undergo the aforesaid skill enhancement initiative through Career Clap with NICT in the College Letterhead. The College further authorises NICT to share the above information with NASSCOM Foundation/ Barclays to get in touch with the students for updating them about various job fairs, placement drives etc, and to seek feedback of the program.

- c. It would be the responsibility of the College to ensure that proper publicity of the Program is made through College website.
- d. To encourage the Students to register for the Program by informing them about the benefits of the program.
- e. To provide all the support services and facilities to NICT during the conduct of the said Training Program.
- f. To coordinate with NICT and facilitate conduct of all the assessments including the assessment to be conducted by the external agency (if any) identified by NICT, as per schedule communicated by NICT.

4. Roles & Responsibilities of NICT:

- a. NICT shall be responsible to provide access to employability enhancement related activities through blended learning model including use of Career Clap.
- b. NICT will arrange for assessment of its own and also arrange external assessment as required.

5. Other Terms & Conditions:

Following are the other terms and conditions of MOU:

- a. The students enrolled should complete the training as scheduled.
- b. The students should register online through Career Clap and appear for Assessments as required.
- c. Program Coordinator to be appointed by college
- d. TPO's active support and participation is required for smooth & efficient conduct of the program

e. The College shall not write/publish any material or use any logos/names of NICT/ Nasscom Foundation/ Barclays in any of the publications without prior written consent and approval from NICT.

6. **Commercials:**

This Training Program is charged Rs. 400/- per Student for Taxation and Rs. 400/- for Tally ERP.9.

Certification:

Certificates shall be awarded by NICT to the students on successful completion of the training and clearing of the assessment held post completion of the training program.

7. **Limitations and Warranties :**

Both parties agree that it would be their endeavour to prevent any liability arising out of default or non-compliance of the MOU terms by the other party.

8. **Termination:**

a. Both parties can terminate the MOU with a prior written thirty (30) days notice on default of terms of non-adherence to any condition or responsibilities by the other party as outlined in this MOU in case such default is not rectified within such 30 days.

9. Both parties also agree that it would be their professional endeavour that despite any termination of the MOU, progress would continue, without any prejudice to the ongoing Training Programs, which would be without any hindrance and would be progressed for completion.

10. Entirety & Amendment:

This MOU contains the entire understanding between the Parties in relation to the Training Program. If during the operation of the MOU, circumstances may rise which call for alteration / modification to this MOU, such alteration / modification shall be mutually discussed and agreed upon in writing. Such changes will be formalized in writing as an 'Addendum' to this MOU. Any changes/amendments to this MOU not in conformance to this section shall be deemed to be void-ab-initio.

11. Intellectual Proprietary Rights:

All intellectual or proprietary property and information, supplied or developed by either Party shall be and remain the sole and exclusive property of the Party who supplied or developed same. Upon termination of this MOU and upon written request, the Party in receipt of the requesting Party's intellectual or proprietary property and/or information pursuant to this MOU shall return such information to the requesting Party.

12. Confidential Information:

- a. Both the parties under take to each other to keep confidential all information (written or oral) concerning the business and affair so of the other, which has been obtained or received during the course(s) of performance hereunder, save that which is inconsequential or obvious.
- b. Already in its possession other than as a result of a breach of this clause ,or in the hand so of the public other than as a result of a breach of this clause.

- c. In the event of any of the parties becoming legally compelled to disclose any confidential information, such party shall give sufficient notice to the other party so as to enable the other party to seek a timely protective order or any other appropriate relief. If such an order or other relief cannot be obtained, the party being required to make such a disclosure shall make the disclosure of the Confidential Information only to the extent that is legally required of it and no further.
- d. Both parties agree not to deal directly or enter into any business agreement with any of the partners or associates or customers of either party during the term of the agreement and also after the agreement has been terminated, not earlier than two years from the date of termination.

13. Force Majeure:

- a. Neither party to this MOU shall be liable for any failure or delay on its part in performing any of its obligations under this MOU, if such failure or delay shall be result of or arising out of Force Majeure conditions and, provided that the party claiming Force Majeure shall use its best efforts to avoid or remove such cause of non-performance and shall fulfil and continue performance hereunder with the utmost dispatch whenever and to the extent such cause or causes are removed.
- b. Any extraordinary event, which cannot be controlled by the parties, shall for the purpose of this MOU be considered as a Force Majeure event. Such events include acts of God, acts or omissions of any Government or agency thereof, compliance with rules, regulations or order of any Government Authority. Provided however, if either party claims that

existence of any of the aforesaid conditions is delaying or disabling the performance by said party of its obligations under this MOU, such party shall give immediate notice to the other party of the existence of such conditions whose existence are claimed to delay or disable the performance of obligations as aforesaid.

14. Jurisdiction and Arbitration:

- a. In the event of any dispute or difference between the Parties hereto, the courts in Hyderabad, RR Dist. alone shall have exclusive jurisdiction to try any matter arising between the Parties here-to and accordingly both the Parties shall submit to the exclusive jurisdiction of courts in Hyderabad, RR Dist.
- b. Any dispute arising out of, in relation to or in respect to this MOU shall be settled through mutual consultation and agreement, by the Parties to this MOU. In case a settlement is not arrived at within fifteen (15) days of reference, the dispute/s shall be referred to a sole arbitrator to be appointed in accordance to the Arbitration and Conciliation Act, 1996 as amended from time to time. The place of arbitration shall be Pune, India.

The Director,

Gunthapally,

Avanthi Institute of Engineering and Technology,
Gunthapally,
Hyderabad,

We, Physitech Power Systems, Hyderabad have entered into a Memorandum of Understanding (MoU) with Avanthi Institute of Engineering and technology, Hyderabad.

- To provide training in the fields of engineering, scientific computation, and simulation to the students and faculty members using various open source software.
- To explore the possibility of collaboration for industrial consulting and research activities by sharing/extending the facilities and exchanging knowledge/expertise.
- The duration of the MOU shall be for a period of 8 years from the effective date.
- During its tenancy, the MOU may be extended or terminated by a prior notice of not less than six months by either party. However, termination of the MOU will not in any manner affect the interests of the students/faculty/scientists who have been admitted to pursue a programme under the MOU.

Thanking you

\This Memorandum of Understanding is being entered into on the below
Mentioned date between:

MINDWAVE Informatics

And

Avanthi Institute of Engineering and Technology

With a specific purpose of bringing the B Tech students of AIET nearer to the Application Field of the subject matter being taught in the class and to make them aware of the ways and means through which such objectives are fulfilled.

1. Whereas the Institute, affiliated to JNTU, Hyderabad, located at VIII: Gunthapally, Hayatnagar Mandal, RR District, is an AICTE, New Delhi approved Technological Institute of higher learning with different disciplines Like ECE, CSE, EEE, Mech., IIT etc. and has been imparting its students with quality and up to date technical instructions through deployment of empowered, sincere and experienced technical faculties. Through various interactive and exchange programs with other institutes, research laboratories and industries, larger exposure for the students are also aimed at,

2. Whereas MINDWAVE Informatics located at 2nd Floor, SVR Towers, 8-2-1/A, Srinagar Colony Main Rd, Pratap Nagar, Venkateshwara Hills, Punjagutta, Hyderabad, Telangana, is duly incorporated business house of long standing and reputed manufacturer of quality electronic equipments. With an innovative and in house R it D team, the company continues to bring in latest and state of the art instrumentations to serve its clientele. As a result, the company enjoys unstinted and continuous support from its satisfied customers.

3. To foster the culture of garnering wider customer support and creating exalted customer base, the company always thrives on new and fresh ideas from the newer generation of young and intelligent technical brains from the institute and to sharpen their intellects to the best advantage to our industry and of the country as a whole.

4. Both MET and MINDWAVE Informatics understand and appreciate the facts that through interactive, cooperative and collaborative efforts of industry and institute will play a very vital and productive role for an increasingly large role in economic advancement of the regional and national economic activities.

5. It is the intent of the CEO of MINDWAVE Informatics and the principal of AIET to bring about a level of understanding between them and work out a comprehensive program of imparting relevant knowledge to students, expand technical engagement between the industry and institute, joint research and development cooperation to bring forth an increasing dissemination of knowledge power to everybody's best interest.

6. Through this document of mutual understanding, general rules of such an collaborative action-methodology is enumerated, which in no way shall interfere the respective focus areas of their original activities. This document provides the general structure and principles to facilitate a relationship between the two partners of understanding on amicable and no profit no loss basis.

7. The field of the cooperation between the two partners will be governed by the following:

- The agencies will sit together to decide on the areas where their cooperation will bring in maximum benefit to the technical minds of the students and maximum value added benefits to the product-end-users.
- Necessary inputs and knowledge to be imparted to the students to initiate the right thinking process in them and make them ready to accept a new and challenging assignment beyond their syllabus.
- The initiated and interested students will be shortlisted and recommended to the industry.
- The students thus nominated will be guided by the industry in the finer nuances of the target objective.

- The students will be amalgamated with the existing research and development team members to contribute their might,
- The activities shall be subdivided into categories like basic design and development, production planning, assembling, individual - batch and group testing, integrated testing etc. and ending with quality assurance and packaging.
- Performance of the students will be reviewed internally by the industry and it may culminate into job offer to suitable candidate,
- Necessary exposure as and when required by the students & Faculties for fulfillment of academic criteria like Value Added Courses, workshops ,Seminars, Faculty Development Programmes, Internships , Mini Projects and Major Projects will also be provided in a planned schedule,
- To meet the notional expenses incurred by the industry towards arranging necessary infrastructure, implements, documents, components etc., the students will be charged with a nominal fee of RR. 3,000/- per academic session and the same will be collected by the institute and forwarded to the industry,
- The effectiveness and usefulness of this initiative will be reviewed jointly by the institute and the industry at reasonable time intervals and will be acted upon accordingly,
- This understanding is envisaged to be in place for Five year from the date of this agreement and may be extended by suitable periods decided during reviews,
- In case any dispute or conflict of interest arises during the tenure of this agreement, the same will be amicably settled through joint meetings between the agreed parties.

In agreement to the general arrangement presented above, both the parties -
Avanthi Institute Engineering and Technology, Hayatnagar and MINDWAVE
Informatics, Hyderabad, put their respective endorsement on this Memorandum
of Understanding on this 24th of July 2018 and it continues till 23th of July
2023.

MEMORANDUM OF UNDERSTANDING

BETWEEN

SHELLX SOFTWARE Solutions Pvt.Ltd

AND

**AVANTHI INSTITUTE OF ENGINEERING &
TECHNOLOGY**

This Memorandum of Understanding is being entered into on the below mentioned date between:

SHELLX SOFTWARE Solutions Pvt.Ltd

And

Avanthi Institute of Engineering and Technology

With a specific purpose of bringing the B Tech-students of AIET nearer to the Application Field of the subject matter being taught in the class and to make them aware of the ways and means through which such objectives are fulfilled.

1. Whereas the Institute, affiliated to JNTU, Hyderabad, located at VIII: Gunthapally, Hayatnagar Mandal, RR District, is an AICTE, New Delhi approved Technological Institute of higher learning with different disciplines Like ECE, CSE, EEE, Mech., IIT etc. and has been imparting its students with quality and up to date technical instructions through deployment of empowered, sincere and experienced technical faculties. Through various interactive and exchange programs with other institutes, research laboratories and industries, larger exposure for the students are also aimed at,

2. Whereas SHELLX SOFTWARE Solutions Pvt.Ltd located at , Flat No .204, Deepthi Vihar Phanigiri Colony, Chaitanyapuri, Hyderabad, Telangana , is duly incorporated business house of long standing and reputed manufacturer of quality electronic equipments. With an innovative and in house R it D team, the company continues to bring in latest and state of the art instrumentations to serve its clientele. As a result, the company enjoys unstinted and continuous support from its satisfied customers.

3. To foster the culture of garnering wider customer support and creating exalted customer base, the company always thrives on new and fresh ideas from the newer generation of young and intelligent technical brains from the institute and to sharpen their intellects to the best advantage to our industry and of the country as a whole.

4. Both MET and SHELLX SOFTWARE Solutions Pvt.Ltd understand and appreciate the facts that through interactive, cooperative and collaborative efforts of industry and institute will play a very vital and productive role for an increasingly large role in economic advancement of the regional and national economic activities.

5.It is the intent of the CEO of SHELLX SOFTWARE Solutions Pvt.Ltd and the principal of AIET to bring about a level of understanding between them and work out a comprehensive program of imparting relevant knowledge to students, expand technical engagement between the industry and institute, joint research and development cooperation to bring forth an increasing dissemination of knowledge power to everybody's best interest.

6. Through this document of mutual understanding, general rules of such an collaborative action-methodology is enumerated, which in no way shall interfere the respective focus areas of their original activities. This document provides the general structure and principles to facilitate a relationship between the two partners of understanding on amicable and no profit no loss basis.

7. The field of the cooperation between the two partners will be governed by the following:

- The agencies will sit together to decide on the areas where their cooperation will bring in maximum benefit to the technical minds of the students and maximum value added benefits to the product-end-users.
- Necessary inputs and knowledge to be imparted to the students to initiate the right thinking process in them and make them ready to accept a new and challenging assignment beyond their syllabus.
- The initiated and interested students will be shortlisted and recommended to the industry.
- The students thus nominated will be guided by the industry in the finer nuances of the target objective.

SHELLX

Software Solutions Pvt. Ltd.

- The students will be amalgamated with the existing research and development team members to contribute their might,
- The activities shall be subdivided into categories like basic design and development, production planning, assembling, individual - batch and group testing, integrated testing etc. and ending with quality assurance and packaging.
- Performance of the students will be reviewed internally by the industry and it may culminate into job offer to suitable candidate,
- Necessary exposure as and when required by the students & Faculties for fulfillment of academic criteria like Value Added Courses, workshops ,Seminars, Faculty Development Programmers', Internships , Mini Projects and Major Projects will also be provided in a planned schedule,
