Consolidated Students Feedback on Curriculum (2018-19)

The following questionnaire has been circulated among the students to obtain their feed-back on various academic and learning environment related issues. 790 students have given their feed-back. The student's opinion was sought on the intelligibility and relevance of curriculum to the industry and job-market.

The rating given is as follows:

Excellent-5, Very good-4, Good-3, Fair -2, Poor -1.

The range of rating is as follows:

Excellent- 4.6-5, Very Good-3.6-4.5, Good- 2.6-3.5, Fair-1.6-2.5, Poor-0-1.5

S.No	Parameter	Excellent(5)	Very Good(4)	Good(3)	Fair(2)	Poor(1)	Overall Score(5)
1	How satisfied are you with the institute course curriculum?	720	25	30	12	1	4.8
2	Do you feel that this curriculum is useful for the job market?	645	80	58	5	2	4.7
3	Does the institute have right testing and grading method?	615	65	105	4	1	4.6
4	How organized is the course in terms of the time frame, assessment. access to materials?	633	64	64	26	3	4.6
5	What do you feel about the learning environment?	135	554	79	19	3	4.0
6	Did the faculty make use of adequate teaching and learning materials?	131	470	145	42	2	3.8
7	How well did the faculty respond to the student queries?	65	655	64	5	1	4.0
8	How do you rate the length of the syllabus?	35	42	644	57	12	3.0

ANALYSIS REPORT:

Based on the feed-back given by seven hundred and ninety students, the following analysis report has been prepared:

- There have to be more courses on emerging technologies in CSE.
- Conduct a workshop on wealth management for the Management students.
- Organize a workshop for ECE students on latest tools and technologies.
- More online journals and materials have to be subscribed to keep in touch with the latest trends in industry and academia.
- More workshops, seminars and talks have to be arranged to make the students keep in touch with the latest developments in their branch of engineering.

ANALYSIS REPORT:

Based on the feed-back given by twenty Alumni, the following analysis report has been prepared:

- The syllabus has to be revisited to change the emphasis and focus on more updated and market friendly topics.
- Students have to be provided with research inputs in their respective subjects by the faculty members to learn core concepts better.
- The course has to be tailored to meet the requirements of the time-frame, assessment and access to materials.
- Organize a guest lecture on how to apply ethical principles in engineering practices
- Fresh insights have to be obtained from the academia and industry to make the curriculum useful to life-long learning.
- Conduct a workshop on modern tools usage for enabling the students to use them effectively.

Date: 20/04/2019

To
The Director of Academic Planning
Jawaharlal Nehru Technological University Hyderabad,
Telangana.

Sub: Requesting the incorporation of suggested changes in B. Tech R-16 Curriculum

Sir,

We, Avanthi Institute of Engineering and Technology, Gunthapally, would like to bring to your notice some of the suggestions of various stake-holders viz., student, faculty, alumni, employers and parents feed-back on the relevance of the current curriculum to the job-market and ambience. As per the feed-back, we have come to the conclusion that a majority of stakeholders from different branches of Engineering have asked for the incorporation of some changes and updating of the current curriculum to match the needs of the industry and the present job-market.

The following suggestions have been made by different stake-holders:

1. The stakeholders of the CSE Department have expressed the desire to give students more exposure to the job skills and projects that are demanded by the industry. The IT industry should actively involve themselves in the designing of curriculum and training of students.
2. The stakeholders of the ECE Department have expressed their desire to make their domain more oriented towards IT application. There should be more electives from which students can choose freely.

Committed to Excellence in Technical Education

3. The stakeholders of the Mechanical Engineering Branch have asked for more IT enabled courses and applications in their domain to keep up with the latest trends in the automobile industry such as Electric vehicles. AI powered machines etc.

In this regard, we would like to request you to kindly look into the suggestions of the stakeholders and address the issue at the earliest.

Thanks, and regards,

Yours sincerely,
