Avanthi Institute of Engineering & Technology organizes and participates in various extension activities to promote College-Neighborhood-Community network. Major emphasis is given on student engagement, service orientation and holistic development of students contributing to good citizenship. Most of the extension activities are carried out with the help of the NSS Unit of the college consisting of student volunteers and students. The aim of the extension activities is to raise awareness of the students and general public on various social issues such as environmental protection, consumer rights, civic sense, health and hygiene, child care etc.,

A range of social extension activities like Current Humanitarian Challenges, Eye Camp , Awareness About The Importance Of Nutrition And Its Impact On Health , NSS Volunteers Orientation, Old Age Home Visit, Advocating For The Rights And Well-Being Of Children, Save Girl Child, Awareness Program On Higher Education In Zilla parishad Patasala , Majidpur , Tree Plantation And Swachh Telangana, Awareness And Taking Action Against Child Labour etc., have been organized by the institute during the last five years. These programs conducted by the college have served their twin purposes of raising awareness and helping the general public. The positive impact these programs have had on the society and neighborhood community in terms of raising awareness and providing relief to the community is proof of the commitment of the institute towards society.

#### **Blood Donation Camps**

Organizing blood donation camps in collaboration with the Jeevan Jyothi voluntary blood bank is a crucial initiative. ### TO COMMEMORATE THE FOUNDATION DAY OF THE ELECTION COMMISSION OF INDIA:

Our primary objective is to encourage, facilitate, and maximize the enrollment of eligible voters, especially the newly eligible ones, and to promote awareness about the importance of participating in the democratic process. This event is marked by various activities, including voter registration drives, awareness campaigns, and events. The focus is on educating citizens, particularly young and first-time voters, about the significance of voting in a democratic system. We often organize seminars, discussions, and competitions to engage students in learning about the electoral process and their role in shaping the future of the nation through their votes.

#### Outcome:

This event emphasizes the value of active and informed citizenship, fostering a sense of responsibility among citizens to exercise their right to vote. The occasion serves as a platform for celebrating the strength of democracy and encouraging people to contribute to the democratic process by participating in elections and making informed choices.

### **EYE CAMP:**

We conducted an health initiative that aims to provide accessible eye care services to individuals in underserved or remote areas. To bring ophthalmic professionals and necessary resources to communities that may have limited access to eye care facilities. During in eye camp, a range of services is offered, including eye examinations, vision testing, and the distribution of prescription glasses. Additionally, individuals identified with more serious eye conditions may be referred for further evaluation or surgery, if required. The camps often prioritize preventive eye care, raising awareness about common eye diseases, hygiene practices, and the importance of regular eye check-ups.

### **Outcome:**

We play a crucial role in addressing visual impairments, preventing blindness, and improving overall eye health in populations with limited healthcare infrastructure. They are particularly beneficial in rural areas where people may face challenges in reaching urban healthcare facilities. These camps contribute to community well-being by enhancing the quality of life through improved vision and reducing the burden of preventable eye diseases.

### TO COMMEMORATE THE FOUNDATION DAY OF THE ELECTION COMMISSION OF INDIA:

Our primary objective is to encourage, facilitate, and maximize the enrollment of eligible voters, especially the newly eligible ones, and to promote awareness about the importance of participating in the democratic process. This event is marked by various activities, including voter registration drives, awareness campaigns, and events. The focus is on educating citizens, particularly young and first-time voters, about the significance of voting in a democratic system. We often organize seminars, discussions, and competitions to engage students in learning about the electoral process and their role in shaping the future of the nation through their votes.

### OUTCOME:

This event emphasizes the value of active and informed citizenship, fostering a sense of responsibility among citizens to exercise their right to vote. The occasion serves as a platform for celebrating the strength of democracy and encouraging people to contribute to the democratic process by participating in elections and making informed choices.

- Form a coordinating committee to oversee the details of the tree plantation and cleanliness drive.

##### 2. Identified Plantation Sites:

- Selected suitable locations for tree plantation, considering factors such as soil quality, water availability, and ecological impact.

- Focused on areas that need reforestation & where the planting can enhance green cover.

##### 3. Species Selection:

- Chosen native / locally adapted tree species that are well-suited to the region's climate and ecosystem.

- Considered the environmental benefits, including shade, air purification, and habitat creation.

##### 4. Community Participation:

- Engaged the students to participate actively in the tree plantation drive.

- Encouraged students to take ownership of the planted trees and commit to their care.

##### 5. Educational Programs:

- Conducted awareness programs about the importance of trees, environmental conservation, and waste reduction.

- Organize discussion on sustainable practices and eco-friendly habits.

##### 6. Cleanliness Drive (Swachh Telangana):

- Simultaneously conducted a cleanliness drive, encouraging volunteers to collect and properly dispose of litter and waste.

### TO RAISE AWARENESS ABOUT ENVIRONMENTAL ISSUES AND PROMOTE ACTIONS TO PROTECT THE PLANET:

This is a flagship event by us with serving as a platform for individuals to come together and address pressing environmental challenges. We focus on a specific theme to highlight a critical environmental issue to resonate with current global concerns and encourage collective action. The day involves various activities, events, and initiatives organized by communities, schools, businesses, and governments around the world.

Activities include Tree Planting which drives to contribute to reforestation efforts and combat deforestation. Clean-up Campaigns which include individuals participate in clean-up activities to address plastic pollution, litter, and waste in their local environments.

The overarching goal is to encourage global awareness and action for the protection of the environment. It emphasizes the importance of individual and collective efforts in promoting sustainable practices, biodiversity conservation, and addressing climate change to ensure a healthier and more resilient planet for current and future generations.

### HONORING AND ADVOCATING FOR THE RIGHTS AND WELL-BEING OF CHILDREN:

A special occasion to promote the welfare of children by conducting various events and activities including educational programs, cultural performances, and fun-filled activities to emphasize the importance of providing children with a safe, nurturing, and supportive environment for their holistic development. It serves as a reminder to uphold the rights of children and to work towards creating a world where every child can grow up in a healthy, happy, and secure environment. We honor the unique qualities and potential of children. Students are often encouraged to express themselves creatively, fostering an atmosphere of fun and learning. We serves as a reminder to advocate for and protect the rights of children, ensuring that they have access to quality education, healthcare, and a safe environment to thrive. This event symbolizes a collective commitment to nurturing the potential of every child and building a future where their voices and aspirations are heard and valued.

### TREE PLANTATION AND SWACH TELANGANA:

A combined initiative "Tree Plantation and Swachh Telangana" campaign aimed at promoting tree planting activities and fostering a clean and green environment.

Here are some suggestions on how such an initiative could be organized:

#### 1. Planning and Coordination:

- Form a coordinating committee to oversee the details of the tree plantation and cleanliness drive.

#### 2. Identified Plantation Sites:

- Selected suitable locations for tree plantation, considering factors such as soil quality, water availability, and ecological impact.

- Focused on areas that need reforestation & where the planting can enhance green cover.

#### 3. Species Selection:

- Chosen native / locally adapted tree species that are well-suited to the region's climate and ecosystem.

- Considered the environmental benefits, including shade, air purification, and habitat creation.

#### 4. Community Participation:

- Engaged the students to participate actively in the tree plantation drive.

- Encouraged students to take ownership of the planted trees and commit to their care.

#### 5. Educational Programs:

- Conducted awareness programs about the importance of trees, environmental conservation, and waste reduction.

- Organize discussion on sustainable practices and eco-friendly habits.

#### 6. Cleanliness Drive (Swachh Telangana):

- Simultaneously conducted a cleanliness drive, encouraging volunteers to collect and properly dispose of litter and waste.

- Provided waste bins in public spaces and raise awareness about waste segregation.

### EYE CAMP:

We conducted an health initiative that aims to provide accessible eye care services to individuals in underserved or remote areas. To bring ophthalmic professionals and necessary resources to communities that may have limited access to eye care facilities. During in eye camp, a range of services is offered, including eye examinations, vision testing, and the distribution of prescription glasses. Additionally, individuals identified with more serious eye conditions may be referred for further evaluation or surgery, if required. The camps often prioritize preventive eye care, raising awareness about common eye diseases, hygiene practices, and the importance of regular eye check-ups. We play a crucial role in addressing visual impairments, preventing blindness, and improving overall eye health in populations with limited healthcare infrastructure. They are particularly beneficial in rural areas where people may face challenges in reaching urban healthcare facilities. These camps contribute to community well-being by enhancing the quality of life through improved vision and reducing the burden of preventable eye diseases.

### HONORING AND ADVOCATING FOR THE RIGHTS AND WELL-BEING OF CHILDREN:

A special occasion to promote the welfare of children by conducting various events and activities including educational programs, cultural performances, and fun-filled activities to emphasize the importance of providing children with a safe, nurturing, and supportive environment for their holistic development. It serves as a reminder to uphold the rights of children and to work towards creating a world where every child can grow up in a healthy, happy, and secure environment. We honor the unique qualities and potential of children. Students are often encouraged to express themselves creatively, fostering an atmosphere of fun and learning. We serves as a reminder to advocate for and protect the rights of children, ensuring that they have access to quality education, healthcare, and a safe environment to thrive. This event symbolizes a collective commitment to nurturing the potential of every child and building a future where their voices and aspirations are heard and valued.

### TREE PLANTATION AND SWACH TELANGANA:

A combined initiative "Tree Plantation and Swachh Telangana" campaign aimed at promoting tree planting activities and fostering a clean and green environment.

Here are some suggestions on how such an initiative could be organized:

#### 1. Planning and Coordination:

- Form a coordinating committee to oversee the details of the tree plantation and cleanliness drive.

#### 2. Identified Plantation Sites:

- Selected suitable locations for tree plantation, considering factors such as soil quality, water availability, and ecological impact.

- Focused on areas that need reforestation & where the planting can enhance green cover.

#### 3. Species Selection:

- Chosen native / locally adapted tree species that are well-suited to the region's climate and ecosystem.

- Considered the environmental benefits, including shade, air purification, and habitat creation.

#### 4. Community Participation:

- Engaged the students to participate actively in the tree plantation drive.

- Encouraged students to take ownership of the planted trees and commit to their care.

#### 5. Educational Programs:

- Conducted awareness programs about the importance of trees, environmental conservation, and waste reduction.

- Organize discussion on sustainable practices and eco-friendly habits.

#### 6. Cleanliness Drive (Swachh Telangana):

- Simultaneously conducted a cleanliness drive, encouraging volunteers to collect and properly dispose of litter and waste.

- Provided waste bins in public spaces and raise awareness about waste segregation.

### TREE PLANTATION AND SWACH TELANGANA:

A combined initiative "Tree Plantation and Swachh Telangana" campaign aimed at promoting tree planting activities and fostering a clean and green environment.

Here are some suggestions on how such an initiative could be organized:

#### 1. Planning and Coordination:

- Form a coordinating committee to oversee the details of the tree plantation and cleanliness drive.

#### 2. Identified Plantation Sites:

- Selected suitable locations for tree plantation, considering factors such as soil quality, water availability, and ecological impact.

- Focused on areas that need reforestation & where the planting can enhance green cover.

#### 3. Species Selection:

- Chosen native / locally adapted tree species that are well-suited to the region's climate and ecosystem.

- Considered the environmental benefits, including shade, air purification, and habitat creation.

#### 4. Community Participation:

- Engaged the students to participate actively in the tree plantation drive.

- Encouraged students to take ownership of the planted trees and commit to their care.

#### 5. Educational Programs:

- Conducted awareness programs about the importance of trees, environmental conservation, and waste reduction.

- Organize discussion on sustainable practices and eco-friendly habits.

#### 6. Cleanliness Drive (Swachh Telangana):

- Simultaneously conducted a cleanliness drive, encouraging volunteers to collect and properly dispose of litter and waste.

- Provided waste bins in public spaces and raise awareness about waste segregation.
