### ALUMNI'S FEEDBACK

#### Santhosh Reddy

As I have studied in this college, the college infrastructure and the faculty were fabulous. The placements in this college were abundant so the placements were pretty enough as I am being a ECE student I am glad to choose this department

#### Narender

I am immature student and never use to get good CGPA but faculty never discouraged me, they always encouraged and motivated me to get a good score. With the faculty encouragement I have got the best placement in this college with highest package

#### Archana

As I am being an introvert student, I used to never mingle with anyone but when I entered to this college the faculty were very friendly and motivated me to mingle with everyone. This is the college where I lost stage fear and now because of that I can be bold in every aspect

#### Ramya

As college days are very memorable for everyone, this college encourages everyone to achieve their goals and here students can participate in many sports competitions. They also conduct some technical fests which are helpful to the students who are interested in technical.

#### Naresh

I have seen many colleges but this college have motivational classes, seminars, interactions with many top companies CEO's and well maintained labs, lab equipment's were more which is very much helpful for students
