INSTITUTE VISION, MISSION AND QUALITY POLICY

VISION:

To develop highly skilled professionals with ethics and human values.

MISSION:

To provide a positive and professional learning environment where all students are inspired to strive for excellence in order to achieve their potential as dignified and competent engineers, technology innovators, managers and leaders in global society through a cohesive network for the parents, students, college staff and industry.

QUALITY POLICY

- To pursue global standards of excellence in all our endeavors namely teaching, research, consultancy and continuing education and to remain accountable in our core and support functions, through processes of self-evaluation and continuous improvement.
- Technical excellence, ethics and human values are key parameters in the vision recognized by the Institution. The mission statement emphasizes the need for expertise, industry exposure, dedication and professionalism, as well as holistic personal development to achieve the vision of the institution.
- In order to realize its vision and mission, the College has a system-driven participatory governance where all stakeholders (students, staff, management, parents, alumni, employers and community representatives) are actively involved and accountable for its activities at different levels. The College's vision and mission are communicated to all stakeholders by displaying at the College's website, the Principal office, the HOD room, bulletin boards, the library, syllabus books and classrooms/laboratories.
- The Governing body, composed in accordance with the norms in vogue, oversees the management of the Institute and ensures the smooth functioning of the Institute. The Board meets regularly to review the activities of the institution and provide guidance for further improvement in relation to the vision, mission and strategic plan.

National Education Policy

New National Education Policy 2023: The New National Education Policy is nothing short of revolutionary in the education system in India. After our education policy monotonously followed the same norms for 34 years, the **Ministry of Education (formerly known as MHRD)** did some serious amendments in it on **29 July 2020**. This New National Education Policy was recently approved by the Indian government in 2023. So, it is only natural that the question "What this New National Education Policy actually is?" must be coming to people's minds.

When the NEP was launched in 2023, its motto was **Educate, Encourage and Enlighten**. The government's purpose to launch this policy was to develop 21st-century skills in the students of India. The amendments in NEP from the previous education policy strive for Research, Innovation, and Quality. For the seamless implementation of this education policy, the government is willing to give big funds. In 2021, Nirmala Sitaraman said that funds of Rs. 50,000 crores will be given to the National Research Foundation, and Rs. 40 crore to Ekalavya Schools.

Name of the Education Policy	National Education Policy 2023
Organized by	Ministry of Education, India
The motto of the Policy	Educate, Encourage and Enlighten
Launch Date	29 July 2020
Number of Editions of Education Policy in India	3 (1968, 1986, and 2020)
Major Amendment From the Last Education Policy	Replacement of 10+2 Structure by 5+3+3+4 Structure
Four Pillars of the Policy	Access, Equity, Quality, and Accountability
Aim of the Policy	100% Youth and Adult Literacy

Subject: Requesting for permission to conduct A One-day Awareness Programme on "NATIONAL EDUCATION POLICY 2020" on 20-12-2023 for the teaching staff and students of Avanthi Institute of Engineering & Technology.

Respected Sir,

I hope this letter finds you in good health and spirits. I am writing to request your permission to conduct a One-day Awareness Programme on "NATIONAL EDUCATION POLICY 2020" for the teaching staff of Avanthi Institute of Engineering & Technology.

The Awareness Programme is focused on National Education Policy and is aimed at providing a platform for teaching staff to develop knowledge, skills, values, and dispositions that support responsible commitment to human rights, sustainable development and living, and global well- being, thereby reflecting a truly global citizen.

The awareness programme will be conducted on 20-12-2023. We have made all the necessary arrangements, including the invitation of knowledgeable and experienced speaker and the provision of audio-visual aids. Our team has also taken into consideration all necessary measures to ensure a smooth and secure event.

I am confident that this event will be a great success and will enlighten of our staff and students in various ways. I would really appreciate if you could grant us permission to proceed with the Awareness Programme.

Thank you

Yours Sincerely,

INSTITUTIONAL STRATEGIC PLAN

Preamble:

Over the past 18 years, Avanathi Institute of Engineering and Technology has been engaged in providing quality education for the future generations of engineers. AVIH was started in 2005 with four B. Tech programs (ECE, CSE, EEE, Mech) with an intake 240, today it has emerged as a leading institution in the state. With an unparalleled infrastructure and state-of-art facilities, outstanding academic results and achievements in sports and NSS, we are positioned as a college of choice for the students to weave their engineering dreams into reality. The institution is NAAC accredited with "B++ grade and affiliated to JNTUH, Hyderabad and is now one among the Best Engineering colleges in Telangana as per the survey conducted by Times of India Magazine. Our academic excellence has been the cornerstone of our reputation, our students and graduates are recognized and valued for their integrity, commitment, ethical behavior and leadership qualities.

Its In-House training and placement department (TPC) trains the students in a distinguished methodology for both on and off campus placement activities. Career Guidance Cell (CGC) Supplements information that helps and guide the students for their future careers. Entrepreneurship Development Cell (EDC) organizes activities to turn the students into successful Entrepreneurs.

Industry Institute Interaction Cell (IC) injects the practical exposure and congenial relationship with industry for which it signed more MOUs with the best institutions.

Avanathi Institute of Engineering and Technology (AVIH) have progressed so fast because of visionary patronage, committed leadership, hard work and community and Industry partnerships. These achievements are a testament to the fortitude of every faculty and staff member who enabled change at a pace never experienced before. The campus setting, learning environment and the vibrant community all contribute to an exceptional academic environment that gives the much to celebrate and build upon.

Since its inception it has been encouraging the students and faculty in their academic pursuits by imparting high quality technical education and striving hard to transform this institute into one of the best technological institutions in the country.

Strategic Plan:

To facilitate continued excellence and leadership in our mission, this Strategic Plan has been developed as a guide envisioning our future priorities. Aligned with the Institute's Mission, this Strategic Plan defines the objectives and strategies that will build towards the goals outlined.

Avanthi Institute of Engineering and Technology (AVIH) Planning and Development Committee prepared a draft strategy document with a vision, mission, goals and action items. The planning process started with a brainstorming session by a team of faculty members, focus group meetings with students, discussions in department faculty meetings and alumni inputs. The participants were grouped and completed an extensive SWOT analysis on the state-of-art of Avanthi Institute of Engineering and Technology. The PDC team developed ideas on the major goals, objectives and strategies. Suggestions and feedback were invited from all stakeholders: Parents, Faculty, Staff, Students, Alumni and Industry. The recommendations from all its stakeholders were consolidated as six major goals. Six groups of subcommittees reviewed the objectives and strategies and completed the draft plan. Finally, the draft plan was presented to the AVIH GB members, Chairman, Principal, and all HoDs, Professors and faculty for feedback and for fine tuning. After incorporating the suggestions and feedback, the Strategic Plan 2021-2028 has been finalized.

Our Vision, Mission and Values:

Vision:

To develop highly skilled professionals with ethics & human values.

Mission:

To provide a positive and professional learning environment where all students are inspired to strive for excellence in order to achieve their potential as dignified and competent engineers, technology innovators, managers and leaders in global society through a cohesive network for the parents, students, college staff and industry.

Quality Policy:

- To pursue global standards of excellence in all our endeavors namely teaching, research, consultancy and continuing education and to remain accountable in our core and support functions, through processes of self-evaluation and continuous improvement.
- Technical excellence, ethics and human values are key parameters in the vision recognized by the Institution. The mission statement emphasizes the need for expertise, industry exposure, dedication and professionalism, as well as holistic personal development to achieve the vision of the institution.
- In order to realize its vision and mission, the College has a system-driven participatory governance where all stakeholders (students, staff, management, parents, alumni, employers and community representatives) are actively involved and accountable for its activities at different levels. The College's vision and mission are communicated to all stakeholders by displaying at the College's website, the Principal office, the HOD room, bulletin boards, the library, syllabus books and classrooms/laboratories.
- The Governing body, composed in accordance with the norms in vogue, oversees the management of the Institute and ensures the smooth functioning of the Institute. The Board meets regularly to review the activities of the institution and provide guidance for further improvement in relation to the vision, mission and strategic plan.

Core Value:

Avanthi Institute of Engineering and Technology (AVIH) focused on five core values detailed below.

(i) Contributing to National Development

Contributing to National development has always been an implicit goal of AVIH. Serving the cause of social justice, ensuring equity, increasing access to higher education, human resource development and capacity building of individuals, to cater to the needs of the economy, society and the country as a whole, thereby, AVIH is contributing to the development of the Nation.

(ii) Fostering Global Competencies among Students

www.aietg.ac.in email: principal.avanthi@gmail.com

With liberalization and globalization of economic activities, the need to develop skilled human resources of a high caliber is imperative. Therefore, AVIH is preparing the students to achieve core competencies, to face the global challenges successfully and be innovative, creative and entrepreneurial in their approach. Towards achieving this, AVIH established collaborations with industries, network with the neighborhood agencies/bodies and foster a closer relationship between the “world of competent-learning and the world of skilled work”.

(iii) Inculcating a Value System among Students

Although skill development is crucial to the success of students in the job market, skills are of less value in the absence of appropriate value systems. In India, with cultural pluralities and diversities, it is essential that students imbibe the appropriate values commensurate with social, cultural, economic and environmental realities, at the local and national level. AVIH takes responsibility for instilling the desired value systems among students.

(iv) Promoting the Use of Technology & Innovation

Technological advancement and innovations in educational transactions have to be undertaken by all, to make a visible impact on academic development as well as administration. To keep pace with the developments in other spheres of human endeavor, AVIH has enriched the learning experiences of their students by providing them with state-of-the-art educational technologies including Information and Communication Technologies (ICT). AVIH established Technology Incubation Hub, and Entrepreneurship Development Cell to encourage students and faculty for Innovation.

(v) Quest for Excellence

The Institute is committed to excellence in all spheres of its activities, and through internal and external reviews, and will work towards continuous improvement. The Institute will demonstrate excellence by our people, programs and outcomes, as well as by the quality of decisions and actions recognized through awards and honors. This “Quest for Excellence” started with the assessment or even earlier, by the establishment of the Internal Quality Assurance Cell (IQAC) in the campus.

Weakness

- Being an affiliated institution, it limits academic flexibility.
- Limited financing is available for sponsored research and development.
- There aren't many postgraduate programs, and the number of PG students admitted is rather low.
- Challenges to draw big MNCs for campus postings of Packages more than 10 LPA.
- While overcoming linguistic hurdles, students from rural areas are working hard to meet national and international standards in technical education.

Opportunities

- Startups and tech-driven businesses can emerge from the establishment of an ecosystem that fosters student creativity and entrepreneurship.
- Seeking autonomy as an institution under the auspices of JNTU Hyderabad and UGC New Delhi.
- To engage in cooperative and connecting efforts with the public and private sectors
- To increase the Innovation Cell's and EDC's activities
- The college's location will maximize the chance to serve a greater number of students with rural backgrounds.
- Fostering an entrepreneurial culture among students by putting awareness-raising, capacity-building, and sensitization programs into practice.

Challenges

- Attract and hold onto highly skilled teachers.
- Excessively long wait times for government student fee receipts for scholarship recipients there by limiting the institution's expansion.
- Creating an environment that supports creativity, research, and start-ups.
- Keeping the admissions rate at predetermined levels despite rising competition
- Drawing students from other states and high rankers in order to foster a culture of competition.
- Teaching rural kids in accordance with business requirements.
- Enhancing the caliber of student work
- Admissions to core engineering disciplines, including the electrical, mechanical, and civil departments, are trending downward.

Internal Compliant Committee

The Committee for Managing Gender Issues has been set up as the Internal Complaints Committee was required to set up as per the Supreme Court Guidelines. This would normally limit its outcomes to resolution, settlement, or prosecution. However, ICC was set up not only to deal with complaints of sexual harassment of women in the workplace but also to focus on creating awareness, counseling and educating about gender issues. For example, specific components of induction programmes were formally introduced and are based on creating awareness and informing students about the Institute's framework for dealing with such issues. In addition, gender sensitization workshops for staff and students are also conducted.

Functions & Responsibilities:

- ✓ To develop a policy against sexual harassment of women at the Institute.
- ✓ To ensure the implementation of the policy in letter and spirit through proper reporting of the complaints and their follow-up procedures.
- ✓ To uphold the commitment of the Institute to provide an environment free of gender based discrimination.
- ✓ To create a secure physical and social environment to deter any act of sexual harassment.
- ✓ To evolve a permanent mechanism for the prevention and redressal of sexual harassment cases and other acts of gender based violence at the Institute.

ENTREPRENEURSHIP DEVELOPMENT CELL

An Entrepreneurship Development Cell was established in the college to encourage the students' sense of entrepreneurship. The Cell strives to establish an entrepreneurial ecosystem on campus and offers students a platform to develop ideas into financially viable technological businesses. The cell's goal is to outfit faculty members who are enthusiastic about putting programs into action. Since its start, the cell has pushed students to consider options outside of internships and jobs. To boost the students' business spirit, numerous inspirational speeches and awareness campaigns are held.
