Report on Essay writing competition

Title of Event	: "Essay writing competition for students on "Women Empowerment"
Venue	: Seminar hall
Date	: 08-06-2018
Time	: 10.00 AM
Organized by	: Management, AIET
No. of students	: 85 Students

The institute organized an Essay writing competition for students on Women Empowerment in the Seminar Hall at 10.00 AM on 08-06-2018. The main motto for organizing this competition is to create awareness among the students and staff about the need for uplifting girls personally. Intellectually, socially and professionally. Gender equality is not a basic right but a necessary foundation for a peaceful, prosperous and sustainable world. In this 21 century also there are many women who have been continuously denied of their basic human rights such as Right to Education and Right to Equality. Through this competition, the college management wanted to convey a strong message that females are no less than men and have equal opportunities in all matters namely, religion, economy, education, culture, and polity.

Competitions of such kind bring awareness among the students and staff about gender based violence, domestic violence and steps to mitigate them. Further through such platforms, women would also learn about the social protection rights and economic packages available to them. Competitions are learning areas to empower women to realize their potential and compete for equal opportunities in building a successful home and career. Many boys and girls took part in the competition to bring about a change in their attitude towards women and the society. The best essays have been selected and have been awarded with certificates. Prize distribution was done in the end to the winners by Mr. A. Shankar, faculty, Department of mechanical engineering. The event witnessed a massive success with 55 female and 45 male students stepping up to write inspiring messages.

Report on Sports and Games competition

Title of Event: Sports and Games competition

Venue: College ground

Date: 24-11-2018

Time: 10.00 AM to 4.00PM

No. of participants: 105 students

The Institute has organized Sports and Games competition to students on 24-11-2018 in the college ground. The competition took place under the guidance of Mr. A. Shankar, Assistant professor, and AIET. The competition was conducted to build sportive nature among the students. Sports help them learn life skills such as teamwork, leadership, accountability, patience, self-confidence and prepares them to face life challenges. Games explore and test students' skills, efforts and teach them to develop new ways of managing the obstacles. Games and Sports give us encouragement to face all the hard challenges of life. They improve our physical stamina and mental strength which make us more productive and agile. Those who do not take up sports and games in their daily life end up as dull, boring, and pessimistic individuals.

Students have enthusiastically participated in a variety of sports and games such as Kabaddi, Basketball, Volleyball and Chess. Outdoor games help students build a strong and healthy physique; In-door games help build their mental agility and discipline. The qualities and skills which sports teach are useful to us to face life's challenges and problems.

Along with the faculty members, 55 female and 50 male students participated in the event.

Prizes were distributed to the winners of various competitions at the end of the program.

Report on International Women's Day

Title of Event: International Women's Day Celebration

Venue: Seminar hall

Date: 08-03-2019

Time: 10.00 AM

No. of participants: 100 students

The Institute organized International Women's Day celebration in the college seminar hall on 8-03-2019. Dr. Y. Jayaprada senior faculty was the Chief Guest. She said that, it is a great responsibility to empower women as it is necessary for gender equality. She added that, in the past, women were restricted to homes and were not permitted to step out of their home for work. But now, women are given an equal opportunity to work and are allowed to stand among, and, at times, ahead of men in many fields.

Dr. Y. Jayaprada feels that gender justices and fair representation is still a distant dream in a male dominated world. Though women are increasingly storming the male bastions, there are still many barriers for women to draw level with men. Women are still under represented, under paid, exploited and discriminated against in various walks of life.

A male chauvinistic attitude and a patriarchal mind-set is not helping address the long pending the grievances and demands of women. Unless there is a transformation in the mind-set and attitudes of the society in general, we cannot ensure a level playing field and fair treatment of the fair sex.

Women should have the freedom of choice to make their Me choices. As it is the case freedom is rarely given to the oppressed by the oppressors, it has to be fought for and attained after a long and hard fought battle. For this to happen, women should have the agency and support to get their rightful share. Awareness, agitation, agency and legislation will go a long way in alleviating the subordinate condition of women across the world.

She concluded her speech by saying that women can be independent and self-reliant in a man dominated world through self-determination and effort. Women deserve the dignity as equal human beings and not as a weaker gender. It is high time that our world a knowledge the equal contribution of women to the betterment of humankind. The speech resonated well with the audience. Everybody lauded the guest for an exceptional speech.
