Annual Gender Sensitization Action Plan:

Avanthi Institute of Engineering and Technology, through its proactive faculty, staff and student programs, takes up the following measures under the aegis of its Centre for Women Empowerment and Gender Equality:

- Promoting a dialogue between the concerned parties for human dignity and social responsibility.
- Holding regular meetings of Anti-ragging/Women Grievances Redressal Committees for monitoring and evaluation of Gender Equality in the institution.
- Organizing Public Awareness Campaigns about Human Values and Rights for All.
- Encouraging female students and faculty members to be Gender Champions.
- Promote communication that reflects unbiased representation of Gender.
- Providing sanitation services for good menstrual health.
- Providing safety and security for the girl students and female staff within the campus.
- Conducting regular awareness-raising activities among students and staff.
- Hold students' meets and have open and closed sessions on gender related scenarios and encourage students to take up leadership roles.
- Promoting leadership qualities among girl students by encouraging them to take an initiative in striving for the well-being of the adolescent girls.
- Educating the students about Cyber Crimes in today's world.
- Promoting team work among the students, building self-confidence and sportive nature through extra-curricular activities like sports and games for girl students and female faculty members.

Programs Conducted By The Institution For The Promotion Of Gender Equity During The Year: 2022-2023

Gender sensitivity is a way of thinking that fosters respect and compassion for other genders. It helps in creating awareness regarding gender equality issues and modifying the behavior and views that people hold about themselves and other genders. Women across societies do not enjoy equal rights with men in many walks of life. To work towards the behavioral change of individuals, mainly the behavioral change of students and staff of AIET, the institute has organized many awareness programs on Gender Equality issues, to create an open mind in the students and staff and to familiarize them with the constitutional rights and safeguards for women. In this regard, AIET has organized the following programs to create awareness among female students and staff.

Several lectures and talks on the topics of Gender discrimination, violence against women, oppression and exploitation of women etc., are regularly organized to sensitize the students on these issues. Women have been waging a long battle for equality and fair treatment in a male dominated world. Though the lot of women has improved significantly from the past, there are still serious lapses by the society in guaranteeing a life of dignity and a level playing field for them.

Unless the society and men in particular empathize with the condition of women and volunteer to contribute their lot for the up-liftment of women, we cannot expect a drastic change in their condition. The college actively seeks the opinion and intervention of the male students and staff in promoting gender equity, sensitization and up-liftment of women. To this end, it organizes several events and programs like "International Women's Day, Women's Health and Sanitization, Breast Cancer Awareness, Career Opportunities, Gender Balance and Equity, Human Rights and Values etc" in which male students and faculty members take the initiative to help the female students and women in society fight for their equal rights and opportunities.

A Report on rally for Balance of Gender Equity

Title of Event: Rally for Balance of Gender Equity

Venue: In Campus

Date: 19-01-2023

Time: 10.00 AM

Organized by: Management

No. of participants: 110 students

The Institute has organized a Rally on Balance of Gender Equity at 10.00 AM in the college premises on 19-01-2023. The main motto of this rally is to create awareness among the faculty and the students that both men and women have equal opportunities in all matters namely, religion, economy, education, culture, and polity.

Speaking on the occasion, Mr. G. Ramachandra Reddy, Principal emphasized that "Gender equality and the empowerment of all women and girls" is not only an explicit goal but also a driver of sustainable development in all its dimensions, from ending poverty and hunger. Promoting prosperity and inclusive growth and building peaceful, just and inclusive societies to securing the protection of the planet and its natural resources'.

As an institution working towards brighter futures for all individuals, Avanathi Institute of Engineering and Technology is committed to foster gender equity and has organized this rally to bring about a change in the mind-set of the students and staff. The rally had an everlasting imprint in the minds of all the stake-holders. By making education compulsory to both men and women, preventing violence against girls and women, giving proper value to women's work, getting women into power and to empower women in all forms, as inequality between genders doesn't only effect individuals it can change entire economies.

A Report on rally for Human Values and Rights for All

Title of Event: Awareness Program on Human Values and Rights for All (Rally)

Venue: Gunthapally Village

Date: 10 December 2022

Time: 10.00 AM to 1.00 PM

Organized by: NSS Department

The Women's Grievance Cell of the college has organized a rally for "Human Values and Rights for All" from 10.00 am on 10-08-2022 in the nearby village, Gunthapally. The main motto for organizing this rally is to create awareness among the villagers about basic human rights and the rights of all individuals that are enshrined in the constitution of India. Mr. V Hari Nayak, Asst. Professor in Mechanical Engineering, AIET and Mr.N Ramesh, Asst. Professor in English, AIET were the spokespersons.

Addressing the audience, Mr. K Ravi remarked "Our history has proven that investing in human rights can help us emerge stronger from a crisis. If we stand united in the fight against discriminations and inequality and demand the freedoms that we all deserve, we will pave the way to the world we aspire to, with human dignity and justice at its core" The faculty members educated the villagers about Human rights and told them that Human rights are standards that recognize and protect the dignity of all human being and further govern how individual human beings live in society and with each other, as well as their relationship with the State and the responsibilities that the State have towards them. The team also approached the local ZPH School, Gunthapally, and educated the students about different human rights and steps to safeguard them. They spoke about various rights including:

- Right to Education
- Right to equality and protection before law
- Remedies for violation of fundamental rights

- Right to life and personal liberty
- Freedom of Speech and Expression
- Equality in opportunity of public service
- Prohibition of trafficking and forced labor
- Right to property

Equality and equal protections before law and non discrimination on the basis of any ground such as race, color, sex, language, religion etc...

The team has created awareness about the fundamental rights enjoyed by all like that of Social, Economic and Civil rights. They also briefed the villagers about the right to Education and the initiatives taken by the Government to provide free and compulsory education to all. They urged the villagers To Stop and Avoid Child Marriages and opt for compulsory primary education for transforming the lives of their children and uplifting their families from poverty.

Some individuals and sections of the society have not exercised their rights to their satisfaction. In an unequal world, not everyone gets to enjoy equal rights. Sometimes, rights are realized after a long hard battle by the aggrieved individuals and sections. The deepening of democracy, rule of law, robust institutions and the activism of enlightened citizens often guarantee rights to the vulnerable sections of the society. The organizers of the event impressed upon the need for an active and enlightened citizenry for a more egalitarian social and world order.

Report on Breast Cancer Awareness program

Title of Event: Breast Cancer Awareness Program

Venue: Seminar Hall

Date: 19.01.2023

Time: 10.00AM

Guest Speaker: Sri Laxmi, AmanPreeth kaur

No. of participants: 95

The Institute has organized an awareness program for Breast Cancer on 16-10-2022 in the college seminar hall. The program began with a welcome note by the faculty by Sri Laxmi. AmanPreeth kaur, was the speaker.

The speaker created awareness on Breast Cancer, its causes and preventive measures through her elaborate speech.

Brest Cancer is a group of diseases in which cells in breast tissues changes and divide in controlled, typically resulting in a lump or mass. Most breast Cancer begin in the lobules(milk glands) or in the ducts that connect the lobules to the nipples.

Breast Cancer typically has no symptoms when the tumor is small and most easily treated, that is why screening is important in early detection. The most common physical sign is a painless lump. Sometimes breast cancer spreads to the underarms lymph nodes and causes a lump or swelling. even before the original breast tumor is large enough to be felt. Less common signs and symptoms include breast pain or heaviness; persistent changes, such as swelling, thickening, or redness of the skin: and nipples changes, such as spontaneous discharge, scaliness or retraction. Any persistent change in the breast should be evaluated by a physician. She rolled out the statistics to prove the alarming increase in breast cancer cases in the recent years.

The speaker also explained how to carry out Self Breast Examination (SBE) and advised the girl students and women employees on the measures to be taken to protect themselves from the dreadful disease. The program was well received by all and was very useful.

- The speaker's elaborate presentation covered aspects like:
- Probable Symptoms that cause breast cancer, ovarian cancer, etc
- Ways to identify it in early stages to be cured off like Dimpling, Puckering. Stretching pain in the back, retracted nipple etc.,
- The factors causing cancer- genetic, physiological, dietary, environmental and life style.
- Precautionary measures like avoiding cholesterol rich fat diet, alcohol intake, reducing obesity, curtailing use of tobacco, being aware on aspects like endocrine disruption due to oral contraceptive use, physical inactivity, proper clothing, benefits of breast feeding etc.,

The speaker also briefed the participants on methods of early detection and curative measures. Showing demonstrative clippings they explained about Self Breast Examination (SBE), clinical Tests, mammography and ultra sound scanning. The speaker also advised the girl-students to be conservative, follow healthy food containing fibres rich foods with Vitamin A, E and C, Beta carotenes and selenium supplements. The conclusion was a discussion of the painful treatment process like surgery which is often followed by radiation to melt the malignant lumps. Psychological rehabilitation of affected patients through chemotherapy and re-breast construction with silicon support was discussed with video clippings.

All the audience thanked the management for their initiative to create awareness among women regarding this deadly disease. Everyone appreciated the program and opined that these kinds of programs are very useful and may be conducted frequently.

All the lady faculty members and 95 female students participated in the awareness program.

Report on Gender Champions Program

Title of Event: Program on Gender Champions

Venue: Seminar Hall

Date: 22-10-2022

Time: 01.00 PM to 04.00 PM

Organized by; Mangement

No. of participants: 130 students

In order to move towards a gender just society that treats women equally, the Ministry of Women and Child Development (MWCD) in collaboration with Ministry of Education initiated Gender Champions as responsible leaders who will facilitate an enabling environment within their schools/colleges/academic institution where girls are treated with dignity and respect. Gender Champions can be both boys and girls above 16 years of age enrolled in educational institutions.

The Institute has organized a program on Gender Champions on 22-10-2022 at 10.00 AM in the college Seminar Hall. The focus of the program is to strengthen the potential of young girls and boys to advocate for gender equality and monitor progress towards gender justice.

The program began with a welcome note by the faculty. Dr.G.Chandrashekar, Associate Professor, AIET, graced as the speaker for the session. The speaker, in his speech, spoke at length and said that the Government of India has given utmost priority to improve gender sensitivity among youth, reducing disparity between men and women in various sectors such as health, education, socio-economic aspects, etc He opined that the college educates both girls and boys regarding gender equality and leaves no stone unturned to solve the problems faced by female students and women staff members.

www.aietg.ac.in email: principal.avanathi@gmail.com

He also listed some of the major initiatives taken by Government of India for removing the gender gap in all aspects:

- Beti Bachao Beti Padhao ensures the protection, survival and education of the girl child.
- Scheme for Adolescent Girls aims to empower girls in the age group 11-18 and to improve their social status through nutrition, life skills, home skills and vocational training.
- Working Women Hostel ensures the safety and security for working women.
- Samagra Shiksha Abhiyan (SSA) is an overarching program for improving school effectiveness measured in terms of equal opportunities for schooling and equitable learning outcomes and implementation of Right to Education Act

The broad mandate of the Gender mandate is to provide an integrated and inter-disciplinary approach and to understand the social and cultural constructions of gender that shape the experience of men and women in the society. The director said that the aim in organizing this program is to make the young boys and girls gender sensitive and create positive social norms that value the girls and their rights in the campus.

On this occasion, the director selected Dr.G.Chandrashekar, Associate Professor, AIET, to be the champion for the academic year 2022 and held her as an example to the students, especially for the girls for achieving many awards, publishing many papers in National and International journals. Dr.G.Chandrashekar, Associate Professor, AIET, felicitated Amarpreet kour, with a shawl and a memento, for her academic, research activities and professional excellence.

The occasion witnessed the presence of many persons including the Director, female faculty members, HODs of BS&H department and ECE department. Mrs.A.Swathi, WGC member and Ms. Uma, Asst.Prof of CSE Department, also felicitated Amarpreet kour for her academic, professional and research-oriented achievements.

Along with the faculty members, 60 female and 70 male students participated in the program.

Report on Career Development Program

Title of Event: Career Development Program

Venue: Seminar Hall

Date 23-12-2022

Time 10.00 AM to 1.00 PM

Guest: D.Ravi Varma,

No. of participants: 80 Students of III B.Tech and faculty

Career Development Program is an initiative by colleges and organizations to unearth the latent talents of their staff and students. It also makes them more productive and guides them in choosing a proper career path. Experts from industry and academia help the students and professionals clear their clutter and make them right career choices. A lack of proper career path results in wastage of talents, time and resources. Hence, the wise counsel of experts helps in avoiding the trap of poor career paths and unrealized potential.

The Institute has organized "Career Development Program" in the college seminar hall on 23-12-2022. The director of the college Dr. A. Chandra Sekhar described that "Career Development Programs are plans designed to match [unemployed abilities, needs and career goals to current and future opportunities within an organization. It is a way to set your employees up for success and long-term progression". Usually Career Development Program spans the entire work life of an individual and is an on-the-job opportunity. Whereas academic career development is when employees enroll in professional courses put on by an academic institution, the director remarked. D.Ravi Varma, HR, Pennant Technologies was the Guest Speaker. This Program was organized to allow individuals discover who they are, what they like to do and what they do best. The guest expert said that, many students are frustrated because they do not see the link between their coursework and goals for the future. He added saying that one must be confident about their

own inner abilities and where they want to see themselves in their future. He stated, one must always be ready to re-evaluate themselves and their achievements.

The guest briefed that in order to reach the ultimate goal; one must create short-term goals and try to achieve it on time. The guest speaker cited examples of organizations and said that any organizations have realized that to stay ahead of the competition, they need to invest in the skills and talents of their workforce. They are now fully committed to employee development as a way of achieving organization goals. Below are some benefits of having career development programs in place as mentioned by Guest speaker:

- Employee retention.
- Up skilling and re-skilling employees.
- Leadership development.

The lecture given by the Speaker D. Ravi Varma was so engaging that students and staff were spell bound to his lecture. He has demonstrated through a PPT for a better understanding of the concept. He concluded saying that, apart from the subject knowledge and computer skills one must plan SMART goals accompanied with good communication skills to excel in their professional life. Along with the faculty members, 35 female and 45 male students participated in the event.

Report on Awareness program on Social Media

Title of Event: Awareness program on Social media

Venue: Auditorium

Date: 12-12-2022

Time: 10:00 AM

No. of participants:300 students

The Institute has organized an awareness program on Cyber crime and social media on 12-12-2022 in the college auditorium. The Cyber security Awareness Program is a national public awareness effort aimed at increasing the understanding of cyber threats and empowering the public to be safer and more secure online. Cybercrime varies from computer fraud, unauthorized hacking, forgery, infringements of privacy, online gambling, propagation of harmful content, phishing, computer viruses, falsification of prostitution, theft, espionage, copyright infringement, financial crimes, sale of illegal articles, pornography, intellectual property crime, e-mail spoofing, cyber defamation and cyber stalking.

The college took the initiative to organize this awareness program to inform and to caution regarding various Cyber crimes that takes place via social media. The most commonly reported and seen crimes that occur on social media involve people making threats, bullying, harassing, and stalking others online. One of the main ways that cyber crimes on social media can impact digital marketing is by undermining trust in the platform. If users feel that their personal information is at risk of that they are being targeted by scams. They may be less likely to engage with brands and businesses on the platform.

The program began with a welcome note by the faculty. Mr.Hari Nayak assistant professor, Cyber Peace Foundation, was the Guest speaker. He said that cyber awareness program is to educate people about possible cyber threats and avoid a data breach. He added that there is no method which can guarantee complete security from the attacks but can help reduce their

occurrence and equip end-users and professionals with practical knowledge to mitigate such risks. He added that every individual, students, parents and enterprises must be aware of the cyber security force to keep oneself away from cyber-attacks and their prevention. He concluded that in this internet era, dependency on digital technologies will increase in the coming years. So, being aware of several cyber threats and their prevention is the only solution to safeguard our self from the malicious activities of hackers.

He further elaborated on the security risks and privacy issues of an online presence. In the age of e-commerce and internet banking, our sensitive information is no longer secure. We need to take adequate security measures and raise protective walls to safeguard our accounts and information. We need to rely on standard service providers to provide online security for us.

We are vulnerable to identity theft, cyber-bullying, trolling, abuse and threats due to our online lives. To save ourselves from such nuisance and harassment, we need to adopt proper security features and report any abuse immediately to the concerned platforms and authorities. We may fall prey to propaganda and fake information if we let our guard down. Such misleading information and propaganda could result in personal strife and social unrest, the resource person opined.

According to him, there are four different types of privacy protection: physical, virtual, third party and legislation. He urged the attendees to make use of these privacy protection measures and have a secure and safe on-line presence.

All the students, including the faculty members, benefited a lot from the session. Along with the faculty members, 125 girls and 175 boys participated in the event.

Report on Women Hygiene and Sanitization Program

Title of Event: Awareness Program on Women Hygiene and Sanitization

Venue: Seminar Hall

Date: 08-02-2023

Time: 10:00 AM,

Speech by: Mrs. Srilaxmi Assistant professor

No. of participants: 92 Female students

The Institute organized an awareness program on women sanitization on 08-02-2023 in the college seminar hall. The principal aim of this awareness programme is to create awareness among the students and staff about Women hygiene and safety measures. Poor sanitation has significant impact on the safety, well-being and educational prospects of women. Girls' lack of access to a clean, safe toilet, especially during menstruation, perpetuates risk, shame and fear. This has long-term impacts on women's health, education, livelihoods and safety but it also impacts the economy, as failing to provide for the sanitation needs of women ultimately risks excluding half of the potential work force. Giving utmost priority to Women's health and hygiene, the college organised this programme.

Mrs. Srilaxmi, Assistant Professor, AIET was the speaker. She said that cleanliness is vital because of the various cycles women go through, including menstruation. Irregular cleaning and poor hygiene during periods can lead to the growth and spread of bacteria in genitals. A lack of sanitation affects female empowerment and women's health, she exclaimed.

Mrs. Srilaxmi also said that in 2018, the Indian Government launched its 'Ujjwala Sanitary Napkin initiative under which women can have access to low-cost sanitary pads. She advised the women sanitary workers of the institution to use sanitary pads instead of cloth in order to maintain good hygiene during menstruation. Addressing this issue requires action from government at all levels, business, civil society as well as from households, she exhorted. She

concluded her lecture by stating that the overall purpose of this awareness program is to educate the students and staff about a healthy living environment for every woman and to provide safety, security and dignity for people and to maintain cleanliness during the monthly call. She also suggested few measures to tackle this situation which includes:

- Behaviour change education
- Scaling up programmes
- Improved sanitation facilities in houses, schools, colleges, workplaces, bus stations, etc.

All the students including the faculty members benefitted a lot from the program Along with the faculty members, 92 female students participated in the event.
