GENDER EQUALITY DAY:

Gender equality is a crucial and ongoing effort that involves addressing systemic issues, changing cultural norms, and advocating for equal opportunities and rights for all genders.

We promoting educational initiatives to raise awareness and challenge stereotypes, the implementation of policies ensuring equal opportunities in employment, empowerment of women in leadership roles, healthcare access for all genders, legal reforms against discrimination and violence, initiatives to combat gender-based violence, advocating for work-life balance and parental leave, reshaping media representations, fostering community engagement, and establishing measurable metrics for progress. By addressing these aspects collectively, society can work towards creating a more equitable, diverse and inclusive environment for everyone.

BATHUKAMMA CELEBRATIONS

The report provides an overview of the Bathukamma celebrations held at Avanthi Institute of Engineering and Technology (AIET). Bathukamma, is a significant Hindu festival celebrated with great enthusiasm and grandeur across Telangana. The college organizes various cultural events and festivities during this auspicious occasion to foster a sense of community and cultural diversity among its students, faculty, and staff.

The primary objective of the Bathukamma celebrations, Historically, bathukamma meant "festival of life" and was celebrated to thank Goddess Parvati for her blessings for the crop harvest and income she helped generate this (current) year and again ask her blessing for the next year. These celebrations aim to create a joyful and inclusive atmosphere on campus, promoting cultural understanding and encouraging students to participate in extracurricular activities beyond their academic pursuits. Leading up to the Bathukamma celebrations, the institute undertakes extensive preparations to ensure the smooth execution of the event. The organizing committee, comprising faculty members and student representatives, works diligently to plan various activities, including cultural performances. Competitions and traditional rituals. They also collaborated with local artisans and decorators to create a vibrant and visually appealing ambiance on the campus. The Bathukamma celebrations at the college featured a variety of cultural performances and competitions, showcasing the talents of students in music, dance, and drama. Students were given the opportunity to participate in events such as classical dance performances and traditional folk dances. These activities not only provided a platform for students to exhibit their skills but also promote cultural exchange and appreciation among diverse communities. To honor the religious and traditional significance of Bathukamma, the college organized rituals and customs associated with the festival. Students and faculty members actively participated and enjoyed the Bathukamma festivities.

AIDS DAY:

We initiative to raise awareness about HIV/AIDS, supporting those affected by the virus, and commemorating those who have lost their lives to AIDS-related illnesses. This awareness provides an opportunity to unite people in the fight against HIV, show solidarity with the millions living with the virus, and emphasize the importance of prevention, testing, and access to treatment. The day is marked by various events, including educational programs, memorial services, and campaigns to reduce the stigma associated with HIV/AIDS. The red ribbon, a symbol of awareness and support for those living with HIV, is prominently displayed during this time. We serves as a crucial platform for advocating global collaboration to ultimately achieve the goal of an AIDS-free generation.

NATIONAL YOUTH DAY:

As on today we conducted this event to commemorate the birth anniversary of Swami Vivekananda, a prominent Hindu monk and a key figure in the introduction of Indian philosophies of Vedanta and Yoga to the Western world to inspire and empower the youth.

We aim to promote the values of youthfulness, idealism, and enthusiasm among the young population. It encourages the youth to reflect on Swami Vivekananda's teachings, which emphasize the importance of self-discipline, knowledge, and service to society. This marked by various events, including discussions on themes related to youth development, leadership, and social responsibility. We serve as a reminder of the potential and energy that the youth possess in contributing to the progress and well-being of the nation. It encourages them to strive for excellence, cultivate a sense of responsibility, and actively engage in social and national development initiatives.

NATIONAL VOTERS DAY:

Our primary objective is to encourage, facilitate, and maximize the enrollment of eligible voters, especially the newly eligible ones, and to promote awareness about the importance of participating in the democratic process. This event is marked by various activities, including voter registration drives, awareness campaigns, and events. The focus is on educating citizens, particularly young and first-time voters, about the significance of voting in a democratic system. We often organize seminars, discussions, and competitions to engage students in learning about the electoral process and their role in shaping the future of the nation through their votes. This event emphasizes the value of active and informed citizenship, fostering a sense of responsibility among citizens to exercise their right to vote. The occasion serves as a platform for celebrating the strength of democracy and encouraging people to contribute to the democratic process by participating in elections and making informed choices.

AWARENESS PROGRAM ON HIGHER EDUCATION IN ZILLA PARISHAD

PATASALA, MAJIDPUR:

We Conducted an Awareness Program on Higher Education at Zilla Parishad Patasala aims to inform and empower students about the opportunities and pathways available for pursuing advanced education beyond the secondary level. The program could include informative sessions on various higher education options such as universities, colleges, vocational training, and specialized programs. Representatives from educational institutions as like we share insights into admission processes, scholarships, and career prospects. Awareness on selecting suitable courses, preparing for entrance exams, and understanding financial aid could be organized. Additionally, alumni or professionals might be invited to share their experiences, inspiring students to consider higher education as a means of personal and professional growth. The program seeks to foster a culture of academic ambition, equipping students with the knowledge and resources needed to make informed decisions about their educational futures.

We focus on a specific theme to highlight a critical environmental issue to resonate with current global concerns and encourage collective action. The day involves various activities, events, and initiatives organized by communities, schools, businesses, and governments around the world.

Activities include Tree Planting which drives to contribute to reforestation efforts and combat deforestation. Clean-up Campaigns which include individuals participate in clean-up activities to address plastic pollution, litter, and waste in their local environments.

The overarching goal is to encourage global awareness and action for the protection of the environment.
