**Letter of Intent ("LOI")**

Dear Marry Praveen Reddy,

With reference to your interview conducted by us, we are pleased to inform that you have been shortlisted for the position of **Analyst and A4** with **Capgemini Technology Services India Limited** (hereinafter referred to as "Capgemini").

In this regard, we are proposing compensation package and benefits, the details of which are set forth in **Annexure 1** to this letter.

The final Employment Offer Letter shall be subject to your successful completion of all curricular requirements as laid down by the University/ Institute for award of the degree/ diploma and the minimum passing percentage/ grade/ rank/ class as determined by Capgemini.

The location of your initial reporting and training and the date of your joining would be communicated to you in due course of time post successful completion of your pre-joining trainings and final semester degree/ diploma examination.

The date of joining and the location of posting will be purely based on business requirements of Capgemini. Capgemini solely reserves the right to make any changes to the date of joining and the location of posting during the course of your training and employment with Capgemini.

Upon accepting this LOI, you will be provided access to the ADAPT (Accelerated Digital Aid for Pre-onboarding Talent) eLearning platform which allows you to learn and master the concepts and skills required to be industry ready. The learning will be a self-paced journey inclusive of assignments, assessments and webinars as deemed appropriate by Capgemini and the successful completion of the same is a prerequisite for joining Capgemini.

It is very essential that you effectively leverage this platform to complete the courses and clear the assignments and assessments. The progress made by you in this learning journey would not only help you in getting on-boarded on priority but also help you to be trained for advanced skills relevant to your career at Capgemini. We also encourage you to learn beyond the prescribed course curriculum and acquire industry recognized certifications to accelerate your career in this competitive industry.

Dear M. SaiRohith

July 30, 2022

I am pleased to inform you that you have been admitted into the Computer Science program at Lewis University. You are required to submit your official transcript and diploma of a completed B.S. degree before the end of your first semester of enrollment. If you are unable to provide the documents by that time, you must contact your academic advisor before being allowed to register for future semesters.

Please note that it is Lewis academic policy that all graduate students maintain a 3.0 overall GPA to continue their enrollment in the program.

Check-in and International Student Orientation for all new international students will be held on April 19, 20 and 21 2023. It is mandatory for all incoming Lewis University students. Spring 2022 classes begin August 22, 2022.

Any questions concerning your graduate program should be directed to your advisor, [academicservices@lewisu.edu](mailto:academicservices@lewisu.edu). You will be contacted by the department concerning any prerequisite requirements that you may have.

Choosing **Lewis University** at Romeoville means engaging in challenging academic pursuits and exploring opportunities that will prepare you for your future-any future you can imagine. You will do this in one of the world's greatest cities, full of opportunities to enjoy culture, sports, the arts, and great food.

Dear **R.SUSHMITHA**,

Congratulations! I am pleased to offer you admission to the University of Dayton for **Fall 2020!**

Our records indicate that your intended graduate program of study is **Master of Computer Science/Computer Science.**

As a top-tier Catholic research university, we are committed to educating the whole person, linking learning with leadership and service, and supporting each student as a member of our community. You'll also benefit from small classes, academic advising and the ability to work one-on-one with dedicated faculty.

You will digitally receive information on next steps: your visa document and instructions, health insurance and the academic calendar, among other useful informational pieces. In addition, read about your housing and meal options, how to arrange for airport pickup and the upcoming orientation program that you will attend. Please also prepare your official transcripts for presentation upon arrival.

The University of Dayton offers a variety of support services for international students designed to help you prepare for your arrival and acclimate to your new life on campus. Student support services include visa preparation, assistance with your year-one course selection, our signature Professional Development & Academic Skills course, advising and pre-arrival support. You will have access to signature student experiences including airport pickup, cultural events and career and internship preparation. All students participate in student orientation, and our dedicated academic advisers are available to assist you with flexible course selection and registration.

As you continue to move forward with the next phase in your educational career, we are here to help you and answer any questions you may have about the University. Please contact Zoe Lavinder at [lavinder1@udayton.edu](mailto:lavinder1@udayton.edu).
