#### Academic Audit Report for the AY 2018-19

#### Name & Designation of the Members in Audit Committee:

Dr. Md Yousuf Ali - Principal, Avanthi Institute of Engineering & Technology

Dr.MV Raghavendra- IQAC Coordinator

N Sairam - Secretary, Avanthi Institute of Eng& technology

Dr. Y.Jaya Prada- Director

Mr. Swamy Rao Kulkarni, Head Training and Placements

Dr. Kishore Reddy- Head, Dept of Electronics

Mr. Ramesh Babu-Head, Dept of Mechanical

Mr.Shakeer Basha - Head, Dept of Computers

Mr. Kranthi Kumar-Head, Dept of Electrical

Criterion for Evaluation	Expert Observation	Comments/Suggestions
Curriculum	As the institution is an Affiliated college, committee has observed that the institution is strictly adhering the curriculum in the designing of syllabus & curriculum. Committee has observed that feedback is taken from the students on Curriculum and making desired changes as per the Market demands. Add on sessions are being implemented apart from regular class work and preparing students for global competition. Sufficient weight age has been given in Internal evaluation system.	More number of students shall be encouraged to enrol for Add on Courses. Apart from Theory, students shall be encouraged to do at least one project in 2nd/3rd year to understand their practical skills.
Curriculum Transaction	Committee has observed that the staff members are using sufficient ICT methodologies apart from conventional methods. Regular remedial sessions are being conducted to Slow learners and skill enhancement programs for Advance Learners. Parent Teacher meeting is conducted frequently there by submitting the entire report of the ward to their parent. Feedback mechanism is strictly implemented and analysed in proper time. Suitable action is also taken as corrective measures. Sufficient E Learning resources are made available both for students & Staff.	More number of NPTEL sessions must be enabled. Digital class rooms can be introduced to prepare students through Virtual learning.

Faculty Profile	All the staff members are well qualified and dedicated. Institution has its own HR policies making sure that they meet the norms set by Statutory Body/Affiliating university. Staff Members are encouraged to participate in various Conferences, workshops, refresher Courses and they are providing with financial assistance. Few faculty members are in the BOS of various Institutions and acting as Internal & External evaluators.	Faculty must be encouraged to research related activities. Number of Doctorate faculties is less and hence it is advised to existing staff members to enrol for PhD programs.
Student profile	Sufficient numbers of applications are received from aspiring students for admissions with very good academic record. As admissions are based purely on Merit, admitted students possess excellent communication skills, reasoning skills which enable them to attain the program/course outcomes.	Students with Telugu Medium background must be focussed on communication part. Special focus on such students needs to be emphasized. .
Department Infrastructure	Department is having sufficient laboratories with 300 computers for students and 30 computers for staff. All departmental laboratories are well equipped with necessary instruments. Stock Registers, Log In registers are being maintained properly.	Even though, infrastructure is sufficient but every lab in the department must be enabled with adequate facilities to perform additional experiments. More number of students should be encouraged to participate in Curricular & Co curricular activities.
Training & placement	It is observed that students are getting excellent placement assistance. Campus recruitment Training programs are regularly being conducted and students are trained as per the industry standards.	Certain measures shall be taken to improve students' performance in Communication Rounds. Students should be encouraged to prepare Video resumes and more focus to be given for Competitive exams.
Workshops & guest lectures	Departmental members are encouraged to attend seminars & Workshops. FDPs are being conducted.	Staff members must be encouraged to participate in other state University. Institution shall conduct a greater number of workshops with 3 day & 5 Day duration.

Strengths	1) Strategic location and easy accessibility 2) Highly Committed & responsible staff members 3) One of the Biggest Educational societies in the state of Telangana 4) Supportive management with Progressive Vision & parental care will be given for academic.	
Weakness	1) Consultancy and industry linkage needs to be strengthened 2) Commerce & Science streams are in two different blocks 3) Applied Research has to be strengthened 4) Lack of Indexed Journals	
Opportunities	1) Potential to acquire Autonomous State 2) Community Radio, which will provide many opportunities to the students and the faculty 3) Industry oriented courses can be designed to ensure employability	
Challenges	1) Attracting students from other States 2) Ensuring Quality in Self Financing Sector 3) Resource mobilization from Agencies apart from Government & UGC	
<b>Conclusion</b>		
· Fundamental rules and regulations followed by the college management and department staff members are very good.		
· Basic amenities in the college and the department is very good.		
· Library facility is very good and there is a vast scope of development.		
· Faculty Attrition ratio is low and that is good for a management.		
· Faculty members are well experienced, qualified and talented and need more motivation in the form of incentives for publications and training.		
· Students are given good placements and it may further be improved by placing them in MNC.		
Library can be strengthened and more number of Indexed Journals may be subscribed.
