### RESEARCH & DEVELOPMENT CELL

Avanthi Institute of Engineering & Technology has established important scientific industrial R&D Operations with the purpose and mission of pursuing and promoting research in frontier Technologies as well as various engineering disciplines.

AVIH created a Research and Development cell to instill research and innovation talents in staff and students. R&D Cell provides a platform for young brains in the Institute to grow in terms of creativity and invention. Only rigorous R&D efforts will result in innovative achievements

In our college, we encourage student clubs as they allow students to explore their ideas, develop Their abilities, and prepare them for life. Student groups provide a forum for the exchange of novel ideas and perspectives. It aids in the transformation and overall development of students. The Clubs are specifically designed to assist students in becoming involved and finding their own space on campus.

To,  
The Principal,  
Avanthi Institute of Engineering and Technology,  
Hyderabad.

Sub: Requesting to held a Meeting regarding Research & Development cell.

Respected Sir,

I would like to ask you permission to allow us to conduct a meeting regarding the activities and further

Developments in R & D cell. I am conducting the meeting among all the coordinators from all the Departments.

The meeting would last about 1hour and would be arranged at a time convenient to the faculty schedule. If you agree, kindly sign below acknowledging your consent and permission for me to conduct this meeting at our conference hall.

Your approval to conduct this meeting will be greatly appreciated.

Sincerely,

  
Dr. SK SHAKEER BASHA

## IOT CLUB

### Logo:

### About:

Welcome to the future, where everyone and everything is connected to the internet. We already use

THE INTERNET OF THINGS in our daily lives, with smart phones, tablets, computers, and televisions that are internet-connected. These devices are intended for internet use. People are now

Using the internet; if it begins to use things, our lives may be made easier. The IoTClub is a resource

for the most recent information on the Internet of Things.

### Objectives:

- Acquire knowledge in current IOT research domain and IOT application
- Influence professional practice in technical education
- Develop the project prototype by channeling development in terms of academic qualifications and imbibing training.
- Make aware about modern IOT tools and methodologies
- To enhance technical skills in the IOT domain

## ECE CLUB

Logo:

### About:

To improve and impart futuristic and innovative technological education for the excellence of Electronics and Communication Engineering with new ideas and innovation to meet industrial expectations and social needs with ethical and global awareness reinforced by an efficient research platform for the advancement of humanity. Through its innovative hardware and software, ECE Club is dedicated to providing the finest experience to students, educators, creative professionals, and Consumers worldwide.

### Objectives:

- To encourage students towards research objectives.
- To get the students of ECE club placed into the core organizations
- To technically strengthen the students by integrating their skills in the various fields of Engineering & technology, to cope up with the highly competitive environment.
- To skill students to the updating analysis methods and design techniques.

## SPARK CLUB

Logo:

### About:

The SPARK CLUB is a student-run organization that provides resources, hosts activities/events, and aims to build a welcoming social setting for electrical & electronics engineering students and anyone interested in electrical engineering. We represent the electrical & electronics engineering students to the other branches, Faculty, and to external organizations by giving them a voice in academic affairs and open opportunities to interact with professional engineers and researchers. It advocates for electrical engineering students' needs to the faculty & department.

### Objectives:

- To provide a platform where the students can put their innovative efforts and clear their doubts to transform them into reality.
- To enhance the opinion and the dissenting opinion through the club's activities.
- To provide an exposure to the latest updates in the field of electrical engineering
- To enhance the technical innovativeness of our institute students by organizing the workshops and competitions on various technical level in order to attract the interest of the students towards technical aspects of their education.
- To develop a comprehensive knowledge of electronics and bring about projects based on core electronics gave the initiation to Electronics Club activities.

## IAENG INTERNATIONAL ASSOCIATION OF ENGINEERS

Date: 8 September 2020

To Whom It May Concern:

### Official Letter for the IAENG Membership

Member Name: Dr. SRILAPUREDDY KISHORE REDDY

Member Number: 128215

IAENG is a non-profit international association for the engineers and the computer scientists. IAENG has been found by a group of engineers and computer scientists from over thirty different countries. Our goals are to promote the co-operation between the professionals in various fields of the engineering and to cultivate an environment for the advance and development of the technology. Our objectives include:

- Promoting the interactions between the engineers;
- Advancing the application of engineering techniques from the academics to the industry;
- Facilitating the exchange of information and ideas among the engineers and scientists freely.

This letter is to certify that the above person is an IAENG member. For the information about IAENG Membership, please visit our website <http://www.iaeng.org/membership.htm>

If you have any question, you are very welcome to contact us at any time.

Best regards,

Joan Mok  
Assistant Secretary  
International Association of Engineers (IAENG)
