Letter of Intent

May 18, 2022

Dear J RAGHUVARMA REDDY,

**Congratulations!**

We are pleased to inform that you have been selected for the position of **Trainee Service Engineer** in our Service & Installation department. You will be paid an annual salary of Rs.1,80,000/- ( One Lakh Eighty Thousands only) which excludes other benefits like Food expenses & TA/DA allowance.

The employee will be on "Probation" for the first 6 months of employment. Upon successful completion of the Probation period, you will be issued a "Letter of Employment Confirmation".

During the Probation period (until the Letter of Employment Confirmation is issued), if the management is not satisfied with the progress being made by the employee as identified in one or more of the formal periodic assessments mentioned above, We can end the employee's employment with a notice period in writing of 15 days. During the Probation period, the employee can also end the employment with us with the same 15 day notice period given in writing. Once the Letter of Confirmation is issued by us, the mutual notice period for separation of employment will be 3 months. Terms of Separation are detailed in the "Letter of Appointment" that will be issued to you prior to your date of joining us.

Upon completion of one year of employment employees typically go through a formal year-end performance review. Typically this process results in a job title change, a mutual determination of career path/track that is ideal for the employee to take, and more importantly a salary adjustment and goal settings for the 2<sup>nd</sup> year of employment.

Your employment will commence in the month of July 2015. We will notify you of the exact date of joining by the end of June 2015 and will issue a "Letter of Appointment" fifteen days prior to your date of joining.

Please note that this offer of employment is contingent upon passing your final exams and clearing backlog, if any, from your prior years of study before the date of joining.

We wish you all the very best in your final exams and sincerely hope you graduate with flying colours.
