Training & Placement Cell

The Training & Placement Cell of AVIH playsavital role in students'futures and is an essential pillar of the AVIH.The Training and Placement Cell (TPC) tirelessly strives to bridge the gap between the aspirations and capabilities of our students, ensuring their successful transition into the professional realm.

The Training and Placement Cell, cultivates an environment that fosters collaboration with the industry. The Training and Placement Cell (TPC) plays a pivotal role in facilitating the successful employment of graduating students. This process commences early, starting from the students' first year, with a focus on talent identification, categorization, and the systematic improvement of individual strengths and weaknesses. TPC diligently organizes training programs aimed at enhancing students' soft skills and overall personality. Formal invitations, through letters and emails, are extended to a variety of companies and organizations, inviting them to participate in on-campus recruitment drives.

Furthermore, the Training and Placement Cell actively arranges internships for interested students, thereby providing them with valuable hands-on experience and the necessary preparation to enter the job market confidently. Occupational training sessions, encompassing areas such as communication skills, time management and stress management, are conducted to equip students with the adaptability required to thrive in diverse work environments and cultures. Additionally, teachers contribute to this process by preparing detailed company profiles, aiding students in comprehending the nuances of workplace culture and job prerequisites.

Industry Institute Interaction Cell

The continual interaction between the industry and our institute, AVIH, is of paramount importance. In order to fortify this relationship, the Industry-Institution Interaction Cell (IIIC) was established. This cell serves as a robust platform, facilitating communication between the students, faculty members and the industry, thereby enhancing awareness regarding the industry's expectations from our graduates. IIIC serves as a podium for the presentation of best practices, the latest industry technologies, and their practical implementation.

Furthermore, the Industry-Institution Interaction Cell (IIIC) actively encourages the participation of industry experts in ongoing curriculum design and career development programs. This involvement is instrumental in refining the skill sets of students, aligning them more closely with industry expectations. In our pursuit of elevating academic standards on the global knowledge index, considerable emphasis is placed on exposing faculty members to the industry. This exposure is designed to enrich the Teaching-Learning Process and empower the institution to produce high-caliber students in accordance with rigorous quality standards.

- To systematically investigate and discern shared avenues for engagement with the industry
- To collaborate with industry or corporate entities, aimed at delivering real-time technological exposure
- To facilitate and stimulate diverse research endeavors undertaken by both faculty members and students
- To foster strategic alliances with industrial and research organizations across diverse domains

ALUMNI COMMITTEE

This is to inform all the members of College Alumni Committee that a meeting is scheduled in Board Room on 22/06/2022 at 10:00 am, to discuss the following points.

- ✓ To identify strengths and aptitude of students
- ✓ To develop qualities, attitude and skills such as working in a team, inter personal skills and communication, etc.
- ✓ To motivate the students for participating in technical/sports competitions inside or outside the Institution
- ✓ To organize alumni meet once in a year to get feedback on improvement in academics and conduction of co-curricular extracurricular activities
- \checkmark Alumni of an educational institution make substantial contributions to the advancement of the Institute. In addition to serving as key stakeholders of the institution, they provide valuable guidance and feedback to their younger peers concerning their career prospects. Nurturing enduring relationships with alumni holds paramount significance for the prosperity of both students and educational institutions. Alumni play multifaceted roles, contributing significantly to the institute's reputation, particularly through word-of-mouth marketing endeavors. Educational institutions recognize the pivotal role alumni play and consistently rely on their support to offer mentoring, internships, and career opportunities to current students. Establishing a vibrant and supportive alumni network is indispensable for an educational institution's continued success. The depth of alumni understanding and connection with the institution must not wane once they graduate. Consequently, both the institution and its alumni recognize the critical importance of maintaining robust alumni relations, mutually benefiting from these enduring connections. Alumni have the capacity to facilitate job placements for current students within their respective organizations. Additionally, alumni can actively engage in voluntary initiatives, such as mentoring students within their areas of expertise. Furthermore, they may assume a substantial role in endowing scholarships to meritorious students.

At AVIH, the formation of this committee took place to establish and maintain an enduring rapport with the alumni
