1. About Avanthi Educational Society:

Avanthi Educational Society was registered in the year 1991 and some of the institutions promoted by the society are now in the forefront of premier educational institutions. The Avanthi PG College, Hyderabad has been repeatedly adjudged as one of the best institutions and ranked as a top 2 institution in Andhra Pradesh and top 16 institutions in India by "INDIA - TODAY" a reputed national magazine. Avanthi consistently endeavors to keep abreast and ahead of its times.

The academic policies of the Society have been well conceived and it offers various science programs at Degree and Post Graduate levels, and professional courses in core and applied Engineering, Pharmacy and management levels through a consortium of colleges at Hyderabad, Viskhapatnam and Vizianagaram. Since its inception, Avanthi is functioning under the aegis of Sri M. Srinivasa Rao - harbinger of higher education. Starting with a humble strength of 9 students, the society evolved 14 Education Institutions giving a multi pronged platform for various courses. A strength of about 14000 students is a striking testimony for its sojourn in the path of progress.

2. about the Institution:

Avanthi Institute of Engineering & Technology, Hyderabad is sponsored by Avanthi Educational Society, established in the year 2005, with the able leadership of Sri.M.Srinivasa Rao, came into being with a congregation of dedicated academicians and able administrators in the field of higher education and learning. This Institution has achieved NAAC accreditation for period of 5 years from 2018 to 2023. UG Programs ECE & CSE are accredited by NBA (National Board of Accreditation). The society has grown into a large group of more than 13 educational institutions having student strength more than 16,000 pursuing education in the field of Engineering & Technology, science, commerce, IT & Management under this fold.

Career in today's dynamic environment needs, choosing the better location as a bench mark to realize the goals and objectives. A dream of education today, tomorrow and everyone know what was yesterday. Avanthi is committed to improve the core competencies and it extends full support to its students, at all times, to meet with the global competitive edge as technical education has immense potentials to generate substantial economic growth in the country. Our students acquire knowledge and relevant skill sets through Classroom Lectures, Case Analysis, Team Work, Academic Projects and Expert Seminars which help develop their Conceptual, Analytical and Decision making Skills.

3. About AIET IQAC

An internal mechanism for sustenance, assurance and enhancement of the quality culture of education is imparted by AIET. AIET have established the Internal Quality Assurance Cell (IQAC) as a post accreditation quality sustenance activity. AIET, enlisted/recognized under section 2(f) and eligible to receive central assistance under Section 12B of the UGC Act, 1956 and fit to receive General Development Assistance.

Internal Quality Assurance Cell (IQAC) maintaining the momentum of quality consciousness is crucial. Internal Quality Assurance Cell, in fact, is a mechanism to build and ensure a quality culture at the institutional level. AIET have an internal quality assurance system, with appropriate structure and processes, and with enough flexibility to meet the diverse needs of the stakeholders. The IQAC- AIET is meant for planning, guiding and monitoring Quality Assurance (QA) activities of the colleges. The IQAC channelize and systematize the efforts and measures of an institution towards academic excellence. The IQAC-AIET became a driving force for ushering in quality by working out intervention strategies to remove deficiencies and enhance quality.

Goals of the IQAC- AIET:

- To develop a quality system for to improve the academic and administrative performance of the AIET
- To promote measures for institutional functioning towards quality enhancement through internationalization of quality culture and institutionalization of best practices.
- Development and application of quality benchmarks/parameters for the various academic and administrative activities of the AIET;
- Arrangement for feedback responses from students, parents and other stakeholders on quality-related institutional processes;
- Dissemination of information on the various quality parameters of higher education;
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles;
- Documentation of the various programmes / activities of the College, leading to quality improvement;
- Acting as a nodal agency of the AIET for coordinating quality-related activities, including adoption and dissemination of good practices
- Development of the Annual Quality Assurance Report (AQAR) of the AIET based on the quality parameters/assessment criteria developed by the relevant quality assurance body (like NAAC, NBA) in the prescribed format.

IQAC MINUTES OF MEETING

Meeting of the Committee Constituted for Internal Quality Assurance Cell was held in the Conference Room on 25-10-2021 at 10 AM under the Leadership of Dr. G Rama Chandra Reddy, Chairperson IQAC, Avanthi Institute of Engineering and Technology, Gunthapally.

About IQAC Cell

Internal Quality Assurance Cell (IQAC) was established at AIET after receiving the accreditation status from NBA for its major UG programs as a post accreditation quality sustenance measure. Since quality enhancement is a continuous process, the IQAC should be a part of the institution's system and work towards realizing the goals of quality enhancement and sustenance.

The IQAC has to make a significant and meaningful contribution in the post-accreditation phase through channelizing the efforts and measures of an institution towards academic excellence.

AGENDA:

1. The Academic activities for the present academic year were planned by discussing with the HODs.
2. All HODs should plan field visits, Add-on Programs, and FDPs for the academic year.
3. Improvement of result and result analysis was discussed
4. Planning to Conduct seminar on time management and organizational skills
5. Facilitating the creation of a learner-centric environment conducive for quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process.
6. Arrangement for feedback responses from students, parents and other stakeholders on quality-related institutional processes.
7. Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles.
8. Planning to conduct seminar on how to develop team work and leadership skills.

RESOLUTION:

The IQAC has evolved mechanisms and procedures for ensuring the following:

1. Timely, efficient and progressive performance of academic, administrative and financial tasks.
2. The relevance and quality of academic and research programs.
3. Equitable access to and affordability of academic programs for students
4. Optimization and integration of modern methods of teaching and learning.
5. The credibility of evaluation procedures.
6. The adequacy, maintenance and proper allocation of support structure and services.
7. Research sharing and networking with other institutions.
8. MOUs exchanged with various organizations.
