**7.2.1 - Describe two best practices successfully implemented by the Institution as per NAAC format provided in the Manual.**

**Response:**

### **BEST PRACTICE – I: Attaining Academic Excellence through Faculty Advanced Learning Programmes**

- The Institution encourages faculty to attend Faculty Development Programs (FDPs) on Pedagogy, Outcome-Based Education (OBE), Research Methodologies, and recent developments in the domain specific areas etc. They are also encouraged to attend Orientation courses, Refresher courses, Workshops, Training Programmes on recent and emerging technologies to update their knowledge and skills.
- The Institution enables faculty members to present/publish research papers in national and international conferences and also in journals with high impact factor. Faculty members who wish to attend conferences for presenting their research work either within the country or in other countries are encouraged by providing them with financial support to meet the expenditure towards registration, accommodation, etc

### **BEST PRACTICE – II: Employability Skills Development through ICT Tools**

Title of the Practice: Training programs for students to enhance their skill sets for a holistic development

The Practice:

The Institution provides well-structured skill training programs for students of all branches of B.E, M.E./M.Tech and MCA beginning from their initial semesters itself, which helps them learn progressively.

The third-party training partners also take care of providing on-line resources like on-line videos and on-line practice tests every week and they also monitor the performance of the students in the online tests.
