4.2.1 - Library is automated using Integrated Library Management System (ILMS)

The institute has a Large Area of a library which is fully automated with NewGenLib software, it covers the entire gamut of Library activities such as Acquisition, Cataloguing, and Circulation with provisions for renewal, reservation, serial control, Online Public, Access Catalogue (OPAC) and generating various types of reports and statistics. Our Library is very spacious and voluminous enough to accommodate more than 32911 volumes of books and 5124 Titles. It has a modern infrastructure with a reading capacity of 150 students. We have subscribed for useful online journals of J-Gate Plus, Delnet, altogether more than 31,000 e journals and more than 11000 e-books and 1215 Printed Journals.

The institute provides library facilities with following working hours: 8:00 am to 6:00 pm for the students as well as staff members. The library has seating capacity to accommodate 150 users. E-Learning facility is also available with 15 Computers along with internet connection for browsing. We have adequate number of Text Books & Reference Books for the students in good condition. The institute provides Book Bank facility for the needy & poor students. The College library has a fully automated library management system. Accession books register, Issuing book register, Students physical attendance register and E-library attendance register are maintained in different forms manually. The College Library has succeeded in transmitting all the physical list of books in electronic form and even the new records are updated. The College library maintains its day to day records by total four library staff members.
