Subject: - Request to sponsor the funds for research in the field of electronics reg.

Avanthi Institute of Engineering & Technology, Hyderabad is by Avanthi Educational society, established in the year 1991, with the able leadership of Sri M.Srinivasa Rao, came into being with a congregation of dedicated academicians and able administrators in the field of higher education and learning. This Institution has achieved accreditation status from National Board of accreditation for ECE, CSE, EEE, and UG Programmes. The society has grown into a large group of more than 13 educational institutions having student strength more than 20,000 pursuing education in the field of Engineering & Technology, Science, Commerce, IT,& Management under this fold. We have R&D CELL and Incubation center where research projects will be undertaken.

From this academic year, our organization is concentrating more on research projects, and we have good profile of faculty who are more interested to work in research and innovation activities. So if your organization is interested to sponsor for research to our institution we will be glad to work with you.

Hoping to work with you soon.

Thanks and Regards,

Subject: - Request to sponsor the funds for research in the field of electronics reg.

Avanathi Institute of Engineering & Technology, Hyderabad is by Avanathi Educational society, established in the year 1991, with the able leadership of Sri M.Srinivasa Rao, came into being with a congregation of dedicated academicians and able administrators in the field of higher education and learning. This Institution has achieved accreditation status from National Board of accreditation for ECE, CSE, EEE, and UG Programmes. The society has grown into a large group of more than 13 educational institutions having student strength more than 20,000 pursuing education in the field of Engineering & Technology, Science, Commerce, IT, & Management under this fold. We have R&D CELL and Incubation center where research projects will be undertaken.

From this academic year, our organization is concentrating more on research projects, and we have good profile of faculty who are more interested to work in research and innovation activities. So if your organization is interested to sponsor for research to our institution we will be glad to work with you.

Hoping to work with you soon.

Thanks and Regards

Subject: - Request to sponsor the funds for research in the field of electronics reg.

Avanathi Institute of Engineering & Technology, Hyderabad is by Avanathi Educational society, established in the year 1991, with the able leadership of Sri M.Srinivasa Rao, came into being with a congregation of dedicated academicians and able administrators in the field of higher education and learning. This Institution has achieved accreditation status from National Board of accreditation for ECE, CSE, EEE, and UG Programmes. The society has grown into a large group of more than 13 educational institutions having student strength more than 20,000 pursuing education in the field of Engineering & Technology, Science, Commerce, IT, & Management under this fold. We have R&D CELL and Incubation center where research projects will be undertaken.

From this academic year, our organization is concentrating more on research projects, and we have good profile of faculty who are more interested to work in research and innovation activities. So if your organization is interested to sponsor for research to our institution we will be glad to work with you.

Hoping to work with you soon.
