Memorandum of Understanding (MoU)

Between: **Student Tribe** And: **Avanthi institute of Engineering & Technology**

This Memorandum of Understanding (MoU) outlines the terms and conditions of collaboration between "**Student Tribe**" and **"Avanthi institute of Engineering and Technology"**, hereinafter referred to as the "College".

Purpose:

This MoU is established to formalize the partnership between the Student Tribe and the College. The partnership aims to promote mutual cooperation and benefit through various activities and services offered by the Student Tribe.

Partnership Offerings:

The Student Tribe agrees to provide the following services and support to the College:

1. Guest Lectures: The Student Tribe will arrange and facilitate 6 guest lectures by industry experts and professionals, enhancing the academic and practical knowledge of the college's students.

2. Ticketing Partner: The Student Tribe will serve as a ticketing partner for college events, managing ticket sales and related logistics.

3. Industrial Expert Workshops Partner: The Student Tribe will collaborate with the college to organize 3 industrial expert workshops, fostering industry-relevant skills and knowledge among students.

4. Snacks Partner: The Student Tribe will support college events by providing snacks and refreshments for attendees as needed.

5. Career Guidance Partner: The Student Tribe will offer career guidance sessions, workshops, and resources to assist college students in making informed career choices.

6. Sponsorship Partner: The Student Tribe will explore sponsorship opportunities for college events and initiatives, facilitating financial support and resources.

7. Outreach Partner: The Student Tribe will assist the college in expanding its outreach and engagement efforts, connecting with a broader audience and community.

8. Online Collaboration Partner: The Student Tribe will collaborate with the college on online initiatives, projects, and campaigns to enhance the digital presence and relevance of both parties.

9. Internship and Job Opportunities Partner: The Student Tribe will actively seek and facilitate internship and job opportunities for college students by leveraging its network and connections with industry professionals and organizations. This partnership will support students in gaining practical experience and advancing their career prospects.

st.
Student Tribe

Terms and Conditions:

1. This MoU is effective from **September 15, 2023** and shall remain in force for a period of **August 1, 2024**, unless terminated by either party with 30 days written notice.

2. The specific details and schedules of each partnership offering will be discussed and agreed upon separately through mutual consent in writing.

3. Both parties will collaborate in good faith, respecting each other's objectives and values.

4. Any financial arrangements or sponsorship agreements will be documented separately and may require additional contracts or agreements.

5. Both parties will designate a point of contact to facilitate communication and coordination of activities.

Confidentiality:

Any confidential information shared during the course of this partnership shall be kept confidential and not disclosed to third parties without the prior written consent of both parties.

Amendments:

This MOU may be amended or modified in writing by mutual consent of both parties.

Termination:

Either party may terminate this MOU by providing written notice to the other party, with a reasonable notice period.

UNIVERSITY ACADEMIC PROGRAMME SERVICE AGREEMENT

This University Academic Programme Service Agreement ("**Agreement**") is made and entered into on 14th March 2023 ("**Effective Date**"), by and between:

M/S. TalentSprint Private Limited, a Company incorporated under the provisions of the Companies Act, 1956, bearing CIN No : U80902TG2008PTC062284; and having its registered office at First Floor, PSR Prime Towers, Beside DLF Cyber City, Gachibowli, Hyderabad - 500 032, and represented by Mr. Sridhar K., Chief Business Officer (hereafter known as the "**TalentSprint**") which term shall, unless it be repugnant to the subject or context thereof, include its Affiliates, successors-in-office, successors-in-interest and assigns) of the **FIRST** Part :

AND

Avanthi Institute of Engineering & Technology, registered under the act Registered under Andhra Pradesh (Telangana Areas)Public Societies Registration Act , 1350 Fasli(Act I of 1350 F) and having its Registered office Guntapally(v), Abdullapurmet (M), R.R Dist ,Telangana - 501512, represented by Dr Y Jayaprada, HR Director ,(hereafter known as the "**Institution/Institute**") which term shall, unless it be repugnant to the subject or context thereof, include its Affiliates, successors-in-office, successors-in-interest and permitted assigns) of the **SECOND** Part.

TalentSprint and **Institution** are hereinafter collectively referred to as "**Parties**" and individually referred to as "**Party**".

WHEREAS:

A. TalentSprint brings transformational high-end and deep-tech learning programs to young and experienced professionals. TalentSprint's digital platform offers a hybrid onsite/online experience to seekers of deep technology expertise. TalentSprint partners with top academic institutions and global corporations to create and deliver world class programs, certifications, and outcomes. TalentSprint is a National Stock Exchange ("**NSE**") group company and a subsidiary of the NSE Academy. TalentSprint conducts market research, surveys and studies from time to time and identifies the need for deep-tech programs and other disruptive technologies and those in the convergence of such major technologies and diverse industry verticals.

B. Avanthi Institute of Engineering & Technology was established in the year 2005 with a vision to develop highly skilled professionals with ethics & human values and also to cater Industry Ready Young Engineers to the Society.

Avanthi Institute of Engineering & Technology Q6 Gunthapally

Our Institution is established under Avanthi Education Society which is rated as one of the premier Group of Institutions.

Avanthi Institute of Engineering & technology is Accredited by NBA twice & NAAC . Our institution is ranked twice among Top 200 Institutions in Engineering & technology Category by Times of India.Our Alumni has spread across all major Organizations & Companies across the globe which highlights the Institutions focus towards delivering quality education along with skill oriented programs enabling students to be Industry Ready.We have been consistently achieving good Academic results along with a Good Placement track record.Institution is associated with TASK, HYSEA, IEEE, CSI chapters for knowledge delivery in niche areas.

Two students from our institution are University Gold Medal recipients for their outstanding Academic performance amongst all colleges under JNTU, Hyderabad.

C. TalentSprint has been appointed as "India Implementation Partner" for Pega University Academic Programme ("**UAP**") by Pegasystems Worldwide India Private Limited ("**Pega**") vide Master Services Agreement Dated November 23, 2021 and renewed thereafter to offer Technical Course I and Technical Course II technical Courses of Certified System Architect (Tech Course I CSA) and Certified Senior System Architect (Tech Course IICSSA) certification programs to eligible institutions and universities.

D. Institution has requested to TalentSprint that they are keen to implement UAP in their organization in association with TalentSprint and on the basis of representations of Institution, TalentSprint has agreed to provide the said services to the Institution subject to the terms and conditions herein.

E. The Parties are now desirous of entering into a definitive agreement for the purposes of documenting their specific mutual understanding and arrangements relating to the matter specified hereinabove and for that purpose are entering into this Agreement.

NOW THEREFORE, in consideration of the mutual promises and covenants set forth herein, the parties through friendly consultation in accordance with relevant laws and regulations and in the spirit of mutual benefit, honesty and good faith the Parties agree as follows: -

1. DEFINITIONS AND INTERPRETATION:

1.1. DEFINITIONS

"**Affiliates**" shall mean in relation to a Party, an entity which controls, is controlled by, or is under common control with such Party, where "control" means a person that directs the management and policies of the Party, through the ownership of at least 50% (fifty percent) of the voting securities or the ability to appoint majority directors on the board.

"**Confidential Information**" includes, without limitation, all products, services, process, invention, improvement or development carried on or used by either party, any and all technical data, system study reports, system requirements, specifications, designs, drawings, business models, discoveries, ideas, concepts, knowhow, research, samples, flowcharts, blueprints, any and all technology, computed programs, codes, algorithms, process, copyrightable materials, schematics, forecasts, strategies, employee details, participant or user information, business and contractual relationships, business partners, suppliers of services or any content, budgets, financial information, costs, sales or marketing plans and Intellectual Property Rights (*defined hereafter*), or other information,

whether written or oral or in any format, belonging to one Party and supplied by such Party to the other Party in the course of this agreement either in electronic, oral or physical form, or which may come to the knowledge of the other Party by virtue of this agreement, whether or not specifically marked as being confidential. Confidential Information does not include information that (a) is in the public domain at the time it was disclosed; (b) was in receiving Party's lawful possession or known by it prior to receipt from disclosing Party, (c) becomes known from a third-party source, provided any such source is legally entitled to have and to disclose such information without restriction, or (d) was independently developed by the receiving Party without reference to any information received from the other Party.

"**Course Material**" shall mean the material prepared by Pega or TalentSprint in the form of printed or access to recorded digital/interactive multimedia provided to the Institution or students in any form.

"**Force Majeure Event**" means any acts or events beyond the control of the Parties and shall include but not be limited to the following events, i.e., civil disturbance, riots, strikes or lockouts, earthquakes, storm, tempest, other natural calamities, acts of God, emergency, epidemic and/or pandemic, quarantine restrictions, fire, civil commotion or unrest, terrorism, war, cyber-attack, blackout, expropriation or other governmental actions, any changes in the Applicable Laws or regulations, such that it restricts or prohibits either Party from performing its obligations as contemplated by this Agreement.

"**Intellectual Property Rights**" shall mean and include the rights in relation to a Party relating to intangible property, whether or not filed, perfected, registered or recorded and whether now or hereafter existing, filed, issued or acquired: patents, trademarks, trade dress, service marks, trade names and copyrights, data and applications, analytical methods, and all trade secrets and any other intellectual property right, including without limitation, the know-how, inventions, designs, new uses and processes, procedures and techniques, research, works of authorship, manuals, documentation, computer programs, software and codes and technical data and information.

"**Law**" shall mean any declaration, decree, directive, legislative enactment, order, ordinance, regulation, rule, judicial order, judgment, direction or other binding restriction of or by any Governmental authority, regulatory authority, statutory bodies, judicial or quasi-judicial bodies.

"**Programme**" shall mean the UAP incorporating Technical Course I and II technical Courses for on Pega's CSA, CSSA certifications as provided by TalentSprint and as more specifically provided under **Annexure 1** of the Agreement.

2. INTERPRETATIONS:

a. Unless the context of this Agreement otherwise requires any phrase introduced by the terms "including", "include", "in particular" or any similar expression are deemed to have the words "without limitation" following them and shall be construed as illustrative and shall not limit the sense of the words preceding those terms;

b. Heading and bold typeface are only for convenience and shall be ignored for the purpose of interpretation;

c. Words using the singular or plural number also include the plural or singular number, respectively;

d. Words of any gender are deemed to include the other gender;

e. The terms "hereof", "herein", "hereby", "hereto" and derivative or similar words refer to this entire Agreement or specified Articles of this Agreement, as the case may be;

f. Reference to any legislation or law or to any provision thereof shall include references to any such law as it may, after the date hereof, from time to time, be amended, supplemented or re-enacted, and any reference to statutory provision shall include any subordinate legislation made from time to time under that provision;

g. Reference to the word "include" shall be construed without limitation;

h. Reference to days, months and years are to Gregorian days, months and calendar years respectively; and

i. The Annexure annexed hereto shall constitute an integral part of this Agreement.

j. List of Annexures:
Annexure 1 : Broad Outline of Programme
Annexure 2 : Responsibilities of Institution
Annexure 3 : Responsibilities of TalentSprint
Annexure 4 : Schedule of Fees

3. TERM OF THE AGREEMENT:

This Agreement shall be valid for a period of five (5) years from the date of the execution of this Agreement (the "**Term**"). The Term is mutually renewable (in writing) on same terms and conditions unless otherwise agreed between the Parties in writing. During the Term of the agreement, the Programme implementation is subject to an annual written confirmation of continuity from TalentSprint.

4. APPOINTMENT OF TALENTSPRINT:

The Institution hereby appoints TalentSprint to implement UAP by providing technical courses to enrolled students of CSA and CSSA certifications in the Institution and provide services as more specifically provided under Annexure 1 and 3 of the Agreement.

5. RESPONSIBILITIES OF PARTIES:

5.1. **Responsibilities of Institution:** The Institution shall be responsible for the activities and obligations as specifically provided under **Annexure 2.**

5.2. **Responsibilities of TalentSprint:** TalentSprint shall be responsible for the activities and obligations as specifically provided under **Annexure 3.**

6. CONSIDERATION & TERMS OF PAYMENT:

6.1. In consideration for the services to be provided by TalentSprint under this Agreement, the Institution shall pay to TalentSprint the fee per student per annum each for CSA and CSSA modules of UAP as specifically provided in **Annexure 4** ("**Consideration**").

6.2. The payment of Consideration under this Agreement shall be exclusive of any taxes as may be applicable from time to time (*if any*), which shall be paid by the Institution to TalentSprint as provided in the invoice raised by TalentSprint.

6.3. Any payment required to be made by the Institution under the Clause, if subject to any deduction of applicable taxes at source, and where the Institution so deducts taxes at source, the Institution

shall promptly remit the same to the credit of TalentSprint within the applicable statutory due dates. The Institution shall strictly ensure statutory compliance in this regard.

6.4. In addition to the payment under Annexure 4, the Institution shall be responsible for payment of "**Certification Fees**" to Pega or to the concerned agency as may be appointed by them at the applicable rates from time to time. The Certification Fee shall be paid in advance before taking the certification test through the payment mode as required by Pega or the concerned agency appointed by them.

7. REPRESENTATIONS AND WARRANTIES:

7.1. Each Party represents and warrants to the other Party as follows: -

7.1.1. It has complete legal right, power and authority to enter into this Agreement and to perform its obligations hereunder, and this Agreement constitutes a valid, binding and enforceable obligation against it;

7.1.2. All necessary consents, approvals and authorizations required to be obtained by such Party in connection with the execution and delivery of this Agreement and the consummation of the transactions contemplated hereunder have been obtained; and

7.1.3. The execution and delivery of this Agreement will not result in the violation of any terms and conditions, or constitute default under applicable laws or other obligations by which it is bound, including any instrument or contract to which it is a party.

7.2. Institution represents and warrants to TalentSprint that-

7.2.1. It has adequate and necessary resources and infrastructure to perform its obligations hereunder;

7.2.2. The Institution shall not commit or omit to do any act which might inhibit restrict or interfere with successful implementation of the services of TalentSprint envisaged herein; and

7.2.3. The Institution has not entered into and shall not enter into any agreement during the Term, which might, directly or indirectly, in any manner whatsoever, which conflicts with this Agreement.

7.3. **Disclaimer by TalentSprint:** Nothing contained in this Agreement or implementation of Programme shall in any manner be construed to provide any representation or warranty from TalentSprint to assure any placements job offers from Pega or its implementation partners. Any such offer and selection shall be solely determined at the discretion of the Pega or its implementation partners, through a selection procedure as may be defined by Pega or its implementation partners and subject to its eligibility requirements.

8. INTELLECTUAL PROPERTY RIGHTS:

8.1. All Parties shall continue to hold and remain owner of their respective Intellectual Property Rights, on a perpetual worldwide basis, in any materials provided by each of the Party.

8.2. Without prejudice to the generality of the foregoing, TalentSprint shall be the sole and exclusive owner of any Intellectual Property Rights in the Course Material or any other information or documents provided by TalentSprint under or pursuant to this Agreement.

8.3. Without prejudice to the generality of the foregoing, Pega shall be the sole and exclusive owner of any Intellectual Property Rights in the Course Material or any other information or documents provided by Pega under or pursuant to the Programme delivered under this Agreement.

8.4. The Institution hereby acknowledges that any new concept, improvements or modification, whether by TalentSprint or the Institution or any of its staff/agent/representatives/Affiliates, to the Intellectual Property Rights of TalentSprint as provided under this Agreement shall become the exclusive property of TalentSprint, and shall insure to the benefit of TalentSprint on a perpetual basis.

8.5. The Institution shall provide all assistance to TalentSprint including signing any necessary documents and shall otherwise assist TalentSprint or any person designated by TalentSprint in transferring the Intellectual Property Rights mentioned herein above to TalentSprint or its designated person, as the case may be, unconditionally, irrevocably and in perpetuity. The Institution agrees to impose equivalent obligations on its Affiliates, personnel, agents, contractors, sub-contractors as applicable.

8.6. The Institution or any of its Affiliates, shall not in any manner make use of the Intellectual Property Rights of the TalentSprint which has not been expressly agreed between the Parties under this Agreement.

8.7. The Parties agree that Clause 19(4) of the Indian Copyrights Act, 1957 shall be excluded for the purposes of this Agreement.

8.8. The provisions of this Clause 7 shall survive the termination of the Agreement.

9. TERMS FOR USAGE OF THE PLATFORM:

Programmes under this agreement may be delivered on TalentSprint Platform, ipearl.ai.

9.1. Subject to the terms and conditions of this Agreement, Talentsprint hereby grants to the Institute during the Term, a non-exclusive, non-transferable, limited and personal right to use the Platform. At the end of the Term or early termination of the Agreement, the grant of right to use the Platform will expire automatically and with immediate effect. The terms and conditions of the right to use the Platform shall be governed by the provisions as mentioned here under this Agreement.

9.2. The grant of right to use the Platform is only for the internal and non-commercial use. The Institute shall use the Platform only in relation to the Program, and to the extent required for fulfilling the terms of this Agreement.

9.3. This right to use the Platform by the Institute does not convey any proprietary interest / ownership in the Platform.

9.4. Institute shall not use the Platform or any information obtained or derived from it for any other business /commercial gain by creating a computer program or through any other mode/means to compete with the Platform.

9.5. The Institute shall not attempt to decompile, disassemble, alter, amend or reverse engineer the Platform in any manner whatsoever.

9.6. Institute acknowledges that Platform is a commercially valuable proprietary interest of TalentSprint and has involved expenditure of substantial amounts of money, which affords a commercial advantage over its competitors, and that loss of this competitive advantage due to

unauthorized use or disclosure of the proprietary information would cause great injury or harm and irreparable loss to TalentSprint.

10. TERMINATION:

10.1. This Agreement may be terminated at any time during the Term, by mutual consent of Parties in writing.

10.2. In the event the Institution is desirous of terminating the Agreement, the Institution shall have the right to issue a prior 30 (thirty) days' written notice of termination only after payment of all dues to TalentSprint and TalentSprint provides a letter of confirmation to the Institution of clearance of all dues.

10.3. In the event TalentSprint is desirous of terminating the Agreement, it shall have a right to terminate without assigning any reason by giving the other Party a prior written notice of 30 (thirty) days' .

10.4. Either Party will be entitled to terminate this Agreement in the event of breach of the terms of the Agreement by the other Party, provided that a written notice has been served on the breaching Party. In the event such breach is capable of remedy, the non-breaching Party shall have the right to terminate only after the breaching Party fails to repair or remove the irregularity within a period of 30 (thirty) days from the date of issuance of the notice.

11. CONFIDENTIALITY:

11.1. All Confidential Information communicated and exchanged between the Parties in connection with the subject matter of this Agreement shall be received in strict confidence and will be used only for purposes of this Agreement, and that no Confidential Information will be disclosed by the Parties or, their agents, contractors or employees without the prior written consent of the other Party. Either Party may disclose Confidential Information only where it is:

a. Required to be disclosed by applicable Laws;
b. Required to be disclosed by any government authority; or
c. Necessary to be disclosed to professional advisors, directors, employees of a Party in connection with this Agreement only for purposes of this Agreement.

11.2. Provided that Confidential Information will not include information which: (i) is in the public domain; (ii) at or prior to the time of disclosure by a Party, was known to the other Party through lawful means or through act of a third party who is free to make such disclosure without breach of any legal obligation; or (iii) is developed by a Party independent of any Confidential Information it receives from the other Party.

11.3. Without prejudice to aforesaid, each Party acknowledges that the other may receive legally binding demands from a law enforcement authority for the disclosure of, or other assistance in respect of, personal data, or be required by Law to disclose any personal data to any person and in such circumstances the disclosing Party will not be in breach of this Agreement for complying with such obligations to the extent legally bound. The disclosing Party shall notify as soon as reasonably possible of any such demand unless otherwise prohibited, such as a prohibition under criminal law to preserve the confidentiality of a law enforcement investigation.

11.4. It is clarified here that upon termination or expiration of the Agreement, the Institution shall immediately stop using the Intellectual Property Rights and Confidential Information of

TalentSprint and shall immediately return all such information (including any copies thereof) to TalentSprint.

11.5. This Clause shall survive the termination of the Agreement.

12. INDEMNITY:

12.1. The Institution agrees that it shall not contravene any applicable Laws or infringe upon anyone's legal rights while fulfilling its obligations under this Agreement and shall be solely liable for any such contravention of applicable Law or such infringement.

12.2. The Institution further agrees to indemnify and hold harmless TalentSprint of any loss or damage to TalentSprint or its directors, employees, representative or Affiliates or in the event that any third party actions, claims, demands, costs, charges, damages and expenses (of every nature including attorney's fees and court costs), are brought against such Party or its directors, employees, representative or Affiliates under this Agreement in connection with any misrepresentation or the breach of the obligations of the indemnifying Party. Such Claim shall be made by the Indemnified Party by notice in writing ("Indemnity Notice") to the Indemnifying Party. In the event the Claim as set out in the Indemnity Notice is admitted by the Indemnifying Party, the Indemnifying Party shall make the indemnity payout within 60 (sixty) days from the date of the Indemnity Notice.

12.3. The Institution shall also take all necessary actions and support TalentSprint to defend any such action, if required by the Company. The provision of this Clause 10 shall survive the termination of the Agreement.

13. LIMITATION OF LIABILITY:

13.1. Under no circumstances shall TalentSprint be liable to Institution for (i) any indirect, incidental or consequential damages (including loss of profit or business), howsoever arising, whether under any law of contract, tort or otherwise, even if informed of the possibility of the same; (ii) the other party's lost revenues; or (iii) exemplary or punitive damages.

13.2. TalentSprint shall not be liable for any loss or damage that may arise due to the usage of hardware or any other material relating to the usage of the hardware in which the Program has been installed.

13.3. Except for breach of confidentiality obligations, breach of intellectual property rights, willful default, gross negligence and/or misrepresentation, in no event, will the total aggregate liability of TalentSprint to the Institution, in respect of Programme exceed the consideration paid in last one year from the date of such default/breach or Rs. 10 Lakhs, whichever is lower in relation to the Programme (as provided for in Annexure 1). TalentSprint shall not be liable for any Claims arising after the expiry of Term of the Agreement.

14. DATA SECURITY & PRIVACY:

14.1. Both Parties represent and warrant that its collection, access, use, storage, disposal and disclosure of any and all data, personal information of the counterparty and/ or any End User shall comply with the provisions of the Data Protection Legislation and all Applicable Laws, regulations wherever applicable at that time.

14.2. Further, unauthorized disclosure or use of personal information and/or personal data by either Party and/or any of its agents, employees, directors, or anyone acting on its behalf may result

in substantial harm and liability to the counterparty and hence the counterparty shall be entitled to seek equitable relief (including an injunction) in the event of a breach or threatened breach of these provisions and claim any damages as and when required.

14.3. Both Parties agree to make reasonable efforts to maintain security and monitor all use (including unauthorized use) from its respective site and to communicate the terms of the usage guidelines to the students.

15. NON-EXCLUSIVITY:

This Agreement is entered into on a non-exclusive basis and nothing in this Agreement shall restrict the right of TalentSprint to render similar services to any other person or organization. Institution shall not enter into any similar agreement with any third party in relation to the Programme provided or any other agreement which can result in breaching any of the obligations and warranties in this Agreement, without the prior written approval of TalentSprint.

16. NON-SOLICITATION:

During the Term and for a period of 2 (two) years thereafter, the Institution shall not, without the prior written consent of TalentSprint: (a) employ or attempt to employ any person who at the time is employed, or within the prior 6 (six) months has been employed by TalentSprint; (b) induce or attempt to induce any person to leave employment with TalentSprint.

17. GOVERNING LAW AND JURISDICTION:

This Agreement shall be governed by and construed in accordance with the laws of India, without regard to any choice of law or conflict of law provisions that would require the application of the laws of any other jurisdiction. Subject to Clause 14 (Dispute Resolution) below, any dispute arising under the Agreement shall be subject to the exclusive jurisdiction of competent courts of Hyderabad.

18. DISPUTE RESOLUTION:

In the event that the Parties fail to resolve the dispute amicably within a period of 30 (thirty) Days. Either Party shall refer the dispute to arbitration of a sole arbitrator to be appointed by TalentSprint. The award of the arbitrator so appointed shall be final and binding upon the Parties. The arbitration proceedings shall be conducted under the Arbitration and Conciliation Act 1996. The venue of the arbitration shall be Hyderabad and the arbitral proceedings shall be conducted in English language

19. AMENDMENTS:

This Agreement constitutes the entire agreement between the Parties regarding the subject matter of this Agreement, and supersedes all other prior agreements, understandings and negotiations, both written and oral, among the Parties with respect to the subject matter of this Agreement. This Agreement, may not be amended, nor any obligation waived, except by an instrument in writing signed by the duly authorised representatives of each of the Parties hereto.

20. ASSIGNMENT:

Institution shall not assign this Agreement, or assign or delegate any rights or obligations hereunder, without the prior written permission of TalentSprint. TalentSprint shall be free to assign its rights and obligations under the Agreement to any of its affiliates.

21. SUB-CONTRACTING:

In case of subcontracting of any work or services by TalentSprint for the purpose of Programme or this Agreement, TalentSprint shall be authorized to outsource or subcontract the work without any requirement for approval or permission from the other Party.

22. SEVERABILITY:

In the event any term of this Agreement is held to be invalid, illegal or otherwise unenforceable under any applicable law or rule in any jurisdiction, such invalidity, illegality or unenforceability shall not affect any other provision of this Agreement or any action in any other jurisdiction, but this Agreement shall be reformed, construed and enforced in such jurisdiction as if such invalid, illegal or unenforceable provision had never been contained herein.

23. STATUS OF EMPLOYEES:

At all times the employees and staff of the Institution shall be construed as employees of the Institution only and not of TalentSprint. TalentSprint shall have no liability towards the employees or staff of the Institution.

24. PUBLICATION:

The Institution shall not publish any articles or make any presentations or make any public announcement with respect to this Agreement or its association with TalentSprint without the prior approval of TalentSprint in writing.

25. CONDUCT OF THE PARTIES:

The Parties shall at all times ensure that the Parties or their employees or agents or Personnel observe good conduct, behavior, discipline and work together as a team during execution and implementation of the Agreement

26. WAIVER:

The failure of any Party to exercise any right or to demand the performance by the other Party of duties required hereunder shall not be deemed to constitute a waiver of any provision, condition or requirement hereof. No delay or omission of any Party to exercise any right hereunder on one occasion in any manner shall impair the exercise any such right on any other occasion.

27. FORCE MAJEURE:

Neither Party shall be responsible for failure to fulfil any obligation for so long as, and to the extent to which, the fulfilment of such obligation is impeded by a Force Majeure Event, provided that the Party subject to the Force Majeure Event: (i) has promptly notified the other Party of any circumstances which may result in failure to perform its obligations; (ii) could not have avoided the effect of the force majeure event by taking precautions which, having regard to all the matters known to it before the force majeure event occurred, it ought reasonably to have taken, but did not; and (iii) uses its best endeavours to minimise the adverse consequences that any failure in performance of its obligations might have, and to return the performance of such obligations to normal as soon as possible.

28. RELATIONSHIP OF PARTIES:

This Agreement is on principal-to-principal basis and (save where expressly stated in writing in this Agreement) nothing contained herein shall be deemed as any collaboration, partnership or agency between the Parties hereto.

29. ANTI-CORRUPTION AND ANTI-BRIBERY:

With respect to this agreement, the Parties acknowledges and agrees that the statutes of Prevention of Corruption Act, 1988 and Prevention of Money Laundering Act, 2002 prohibit its students and employees/ officers from offering, paying or authorizing any financial or other advantage to be given to any official or employee of any Governmental Authority or political party, political candidates or employees of government enterprises (each, an "Official") for the purposes of (1) obtaining a proper business advantage; (2) influencing such Official to take, or not to take, any action or decision; or (3) inducing such Official to use his or her influence to affect any act or decision of a Governmental Authority.

30. THIRD PARTY BENEFICIARY:

It is hereby agreed between the Parties that Pega shall be entitled to claim the benefit under Clause 5.4 as a third party beneficiary in spite of not being privy to this Agreement.

31. FURTHER ASSURANCES:

The Institution shall from time to time execute and deliver all such further documents and do all acts and things as TalentSprint may reasonably require to effectively carrying out the full intent and meaning of this Agreement.

32. COUNTERPARTS:

The Parties may execute this Agreement in counterparts. Each counterpart shall constitute an original document, and all counterparts shall constitute one and the same agreement.

33. NOTICES:

All documents, approvals, consents and notices to be provided under this Agreement must be given in English and must be sent in writing by Hand delivery to the notified person, fax, E-mail, Courier, first class airmail, postage prepaid, by either Party hereto, to the other at the addresses mentioned above unless specified otherwise. Also in case of a change of address the Party shall inform the other Party, in writing, about the change of address.

This Memorandum of Understanding is being entered into an the below Mentioned date between:

SIXPHRASE-Edutech Private Limited

And

Avanthi Institute of Engineering and Technology

With a specific purpose of bringing the B Tech students of AIET nearer to the Application Field of the subject matter being taught in the class and to make them aware of the ways and means through which such objectives are fulfilled.

1. Whereas the Institute, affiliated to JNTU, Hyderabad, located at VIII: Gunthapally, Hayatnagar Mandal, RR District, is an AICTE, New Delhi approved Technological Institute of higher learning with different disciplines Like ECE, CSE, EEE, Mech., IIT etc. and has been imparting its students with quality and up to date technical instructions through deployment of empowered, sincere and experienced technical faculties. Through various interactive and exchange programs with other institutes, research laboratories and industries, larger exposure for the students are also aimed at,

2. Whereas SIXPHRASE-Edutech Private Limited located at 7 GKD Nagar, PN Palayam, COIMBATORE, Tamil Nadu, is duly incorporated business house of long standing and reputed manufacturer of quality electronic equipments. With an innovative and in house R it D team, the company continues to bring in latest and state of the art instrumentations to serve its clientele. As a result, the company enjoys unstinted and continuous support from its satisfied customers.

3. To foster the culture of garnering wider customer support and creating exalted customer base, the company always thrives on new and fresh ideas from the newer generation of young and intelligent technical brains from the institute and to sharpen their intellects to the best advantage to our industry and of the country as a whole.

4. Both MET and SIXPHRASE-Edutech Private Limited understand and appreciate the facts that through interactive, cooperative and collaborative efforts of industry and institute will play a very vital and productive role for an increasingly large role in economic advancement of the regional and national economic activities.

5.It is the intent of the CEO of SIXPHRASE-Edutech Private Limited and the principal of AIET to bring about a level of understanding between them and work out a comprehensive program of imparting relevant knowledge to students, expand technical engagement between the industry and institute, joint research and development cooperation to bring forth an increasing dissemination of knowledge power to everybody's best interest.

6. Through this document of mutual understanding, general rules of such an collaborative action-methodology is enumerated, which in no way shall interfere the respective focus areas of their original activities. This document provides the general structure and principles to facilitate a relationship between the two partners of understanding on amicable and no profit no loss basis.

7. The field of the cooperation between the two partners will be governed by the following:

- The agencies will sit together to decide on the areas where their cooperation will bring in maximum benefit to the technical minds of the students and maximum value added benefits to the product-end-users.

- Necessary inputs and knowledge to be imparted to the students to initiate the right thinking process in them and make them ready to accept a new and challenging assignment beyond their syllabus.

- The initiated and interested students will be shortlisted and recommended to the industry.

- The students thus nominated will be guided by the industry in the finer nuances of the target objective,

• The students will be amalgamated with the existing research and development team members to contribute their might,

• The activities shall be subdivided into categories like basic design and development, production planning, assembling, individual - batch and group testing, integrated testing etc. and ending with quality assurance and packaging.

• Performance of the students will be reviewed internally by the industry and it may culminate into job offer to suitable candidate,

• Necessary exposure as and when required by the students & Faculties for fulfillment of academic criteria like Value Added Courses, workshops ,Seminars, Faulty Devolopment Programmes, Internships , Mini Projects and Major Projects will also be provided in a planned schedule,

• To meet the notional expenses incurred by the industry towards arranging necessary infrastructure, implements, documents, components etc., the students will be charged with a nominal fee of RR. 3,000/- per academic session and the same will be collected by the institute and forwarded to the industry,

• The effectiveness and usefulness of this initiative will be reviewed jointly by the institute and the industry at reasonable time intervals and will be acted upon accordingly,

• This understanding is envisaged to be in place for one year from the date of this agreement and may be extended by suitable periods decided during reviews,

• In case any dispute or conflict of interest arises during the tenure of this agreement, the same will be amicably settled through joint meetings between the agreed parties.

SIX PHRASE **SIXPHRASE – Edutech Private Limited**

MEMORANDUM OF UNDERSTANDING

(MoU)

BETWEEN

ExcelR Solutions

&

Avanthi Institute of Engineering & Technology, Hyderabad

FOR

Student Development & Faculty Development Programs on Different Emerging Software Technologies

MEMORANDUM OF UNDERSTANDING

This **Memorandum of Understanding** (hereinafter called as the 'MOU') is entered into on this the 28th day of December month 2022 (Date 28-12-2022), by and between **ExcelR Solutions,** (hereinafter referred as '**First Party**')

And

Avanthi Institute of Engineering & Technology, Hyderabad

(hereinafter referred to as "**Second Party**",

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party')

WHEREAS:

1. First Party is a EdTech company: ExcelR Solutions
2. First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources and provide each of them with enhanced opportunities.
3. The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
4. Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1: CO-OPERATION

5. Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings.

6. First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to the second party in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

7. The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

8. ExcelR would be the training delivery partner for the second party on various trending technologies

9. Training & Development and dissemination of knowledge for students of second party & affiliated colleges and employees of both the organizations.

10. ExcelR will reach out to students to communicate the course details, webinars, blogs, industry events etc.., which will be informative or promotional in nature.

11. ExcelR would work with incubation centers/ innovation cells of second party (Case to case basis), to formulate the business cases and data collection process from various industry and academic bodies that are associated with the second party

12. Cooperation between both parties would be extended to any other area which may be mutually beneficial to both the organizations.

CLAUSE 2: SCOPE OF THE MoU

13. The budding graduates from the institutions could play a key role in technological up-gradation, innovation, and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.

14. Curriculum Design: First Party will give valuable inputs to the Second Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.

15. Software Technologies Training: The first party will provide the trainings to the students and Faculties of the second party on different technologies like Data Science, Data Analyst, Artificial Intelligence, Tableau, Python, etc., Research and Development

16. Skill Development Programs: First Party to train the students of second Party on the emerging technologies in order to bridge the skill gap and make them industry ready.

17. Guest Lectures: First Party to extend the necessary support to deliver guest lectures to the students of the second Party on the technology trends and in house requirements.

18. Faculty Development Programs: First Party to train the faculties of second Party for imparting training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.

19. Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein

20. There is no financial commitment on the part of the second party to enroll the students and faculties for the different free trainings run by the first party under Everyday Learning Initiation.

21. First party would extend the help in providing artifacts such as training records, certificates to the second party upon a written request from the second party. This information is limited to only the students of second party and at the discretion of first party.

22. In case, second party wants to conduct customized commercial trainings then this agreement can be amend/adding annexure with mutually agreed terms.

CLAUSE 3: INTELLECTUAL PROPERTY

23. The first party will have the sole rights on the curriculum and related content provided in the trainings and it cannot be replicated or copied without the consent of the first party.

24. Confidentiality: Except as may otherwise be required by law, each party will hold confidential, during and after the term of this Agreement, any confidential information disclosed to it or its representatives, and will not disclose any such confidential information to any third party.

CLAUSE 4: VALIDITY

25. The period of the agreement is valid for a period of 2 years from the date of signing of this agreement

26. This agreement will be valid only at the intentions of the parties involved therein, this MOU could be dissolved or cancelled by either party any time by giving 30 days' notice and shall not have any legal bindings in nature. should either or all the parties to it opt to not act upon, the MOU loses its validity.

CLAUSE 5 : RELATIONSHIP BETWEEN THE PARTIES

27. It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under

the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

AGREED:

Memorandum of Understanding

This Memorandum of Understanding is entered on **30th Day of August in 2022** by and between **Edunet Foundation** having its office at A-11- 1105, Arcadia South City 2, Gurgaon 122018, India (hereinafter referred to as "**Edunet**"); and, **Avanthi's Scientific Technological & Research Academy**, Located at Guntapally (v), Abdullapurmet (M), Ranga Reddy Dist, Telangana – 501512 (Hereinafter referred to as "Institution").

Whereas, Edunet is a non-profit organization with multiple programs, sponsored by government and corporate entities, that are offered free to learners across the education spectrum, including but not limited to the Tech Saksham Program (www.techsaksham.org).

Whereas, Institution is a premier institution with the following details:

Established (year):	2008
Recognition, NAAC rating, ranking:	NA
Vision:	To develop highly skilled professionals with ethics & human values and also to cater Industry Ready Young Engineers to the Society.

And whereas, the Parties seek to collaborate with each other to mutually complement their synergies and to jointly work on building capacity of learners through one or more of the programs managed by Edunet.

Now therefore, this **Memorandum of Understanding** (hereinafter called "**MOU**") witnesses the following.

1. **Term and termination**: This MOU is valid for an initial term of 5 years from the Effective Date. It can be extended by further periods, as agreed to by the Parties from time to time. Either Party may terminate this MOU by giving the other minimum 30 days' notice. The MOU will be deemed terminated at the end of the notice period or after completing all ongoing activities so that the beneficiaries (learners and teachers) are not negatively impacted, whichever is later.

2. **Non-binding nature of this MOU**: The MOU is not binding on either Party and each is working with the other out of sheer good-will and for the benefit of the learners.

3. **Each Party is responsible for its own costs:** Both the Institution and Edunet will independently manage their cost towards fulfilment of obligations under this MOU.

4. **Team for program co-ordination**: Both the Parties shall appoint a suitable team who will serve as a primary point of contact on all matters related to program rollout. Individual learners and teachers may be in touch with corresponding trainers, mentors, advisors and peers during program rollout. However, all the matters related to the execution of this MOU shall reside with the signing authority.

5. **Society for Inclusive Education (SIE):** This is a student led initiative managed and supported by Edunet, that seeks to provide ubiquitous high quality learning opportunities to underserved communities through government and private schools/colleges around India. The Institute will set up a chapter of Society for Inclusive Education on its campus. This chapter will make Edunet programs available to local underserved institutions and/or student communities through community work, classroom sessions, fund raisers to purchase equipment and free learning

platforms. Office bearers will be chosen by the Institute in the first year. They may be either nominated or elected to the second year. The SIE chapter will have members from within the local student community who are willing to contribute some time towards the betterment of society. All members of SIE chapter at the Institution will be issued with appropriate certification that will help them meet their CAS/Community Work/SUPW requirements.

6. **Program Calendar & Academic Calendar**: The SPOCs from both Parties will work with their respective internal stakeholders to develop a calendar for the program(s) rollout at the start of every quarter. This calendar will then be synchronized and published for use by everyone.

7. **Responsibilities of Edunet and/or its program sponsors/partners**:
   a. **Orientation sessions**: Edunet will conduct orientation sessions for learners and educators, at a mutually agreed schedule, to onboard them onto the program(s).
   b. **Program materials**: Edunet will share all program materials with the institution and/or learners as required. All sharing will be online and/or through electronic media.
   c. **Face to face, instructor led sessions**: For learners in the Tech Saksham Program, face to face ILT sessions will be organized on campus and will be delivered by Edunet Trainers to program beneficiaries
   d. **Online instructor led sessions**: These sessions may take the form of webinars or mentoring workshops or technology bootcamps or innovation camps or career readiness workshops that will seek to assist learners in their career goals. These programs will be organized regularly as per a regular calendar, published online and will be conducted by Edunet team members or program sponsors or external stakeholders as appropriate.
   e. **Interaction with Industry experts:** Edunet will bring industry experts to the Institute to drive engagements with students through seminars/webinars or project mentorship.
   f. **Online platform availability**: Online platforms for each of the programs of interest to the Institution will be made available to it. Links for these platforms will be made available to the Institution in a timely manner
   g. **Assessments**: Edunet will conduct assessments, as required, for its programs prior to certification by Edunet and/or its industry partners and/or participating government agencies.
   h. **For programs with career paths**: Edunet will provide linkages with local and regional industry, government and the local start-up ecosystem (incubators etc) that will help learners with gainful employment and/or entrepreneurial opportunities. Interactions will be encouraged in terms of classroom sessions, workshops, internship opportunities, career opportunities and entrepreneurship opportunities.
   i. **SIE support**: Edunet will support the SIE chapter in the Institute with all support required. A separate program manual and guidelines will be sent to the SPOC.
   j. **Updates:** Edunet will keep Institution management updated with the progress of the program(s)

8. **Responsibilities of Institution:**
   a. **Learner identification**: The Institute will identify learners, volunteers and instructors who may participate in program(s) offered by Edunet. The institute will identify the learners who meet the criteria for the program as shared by Edunet
   b. **Support with orientation sessions**: Institute will support Edunet conduct orientation sessions for all stakeholders.
   c. **Publication of program calendars and goals**: Institute will publish, on a quarterly basis, a program calendar for all its participants.
   d. **Support with computer labs and classrooms**: Institute will make its labs available to learners. It will make classrooms and/or audio-visual equipment available for face-to-face sessions, whenever required.

e. **Support with attendance**: Institute will ensure that program participants enthusiastically participate in chosen programs, with minimum attendance as agreed between the Parties.

f. **Support with assessments**: Institute will ensure that assessments carried out onsite are proctored and professionally managed.

g. **SIE chapter**: The Institute will support the SIE chapter, led by its students, to the extent possible.

h. **No fees**: Institute will not charge any extra fees from learners for participation in Edunet programs.

IN WITNESS WHEREOF, the parties hereto have executed this MOU on the Effective Date.

This Memorandum of Understanding is being entered into on the below mentioned date between:

M/s Diplomat Electricals Pvt. Ltd

and

Avanthi Institute of Engineering and Technology

With a specific purpose of bringing the B Tech students of AIET nearer to the Application Field of the subject matter being taught in the class and to make them aware of the ways and means through which such objectives are fulfilled.

1. Whereas the Institute, affiliated to JNTUH, Hyderabad located at Vill: Gunthapally Village, Hayathnagar(M),R.R District ,Hyderabad-501512., is an AICTE, New Delhi approved Technological Institute of higher learning with different disciplines like ECE, CSE, EEE, Mech., etc. and has been imparting its students with quality and up to date technical instructions through deployment of empowered, sincere and experienced technical faculties. Through various interactive and exchange programs with other institutes, research laboratories and industries, larger exposure for the students are also aimed at,

2. Whereas M/s **Diplomat Electricals Pvt. Ltd**, located at **22 / 163 - 2 , 3rd Floor, Above Tadla Eye Hospital, Jayanagar Colony, Opp. KPHB, Kukatpally, Hyderabad**, is duly incorporated business house of long standing and reputed manufacturer of quality electronic equipments. With an innovative and in house R & D team, the company continues to bring in latest and state of the art instrumentations to serve its clientele. As a result, the company enjoys unstinted and continuous support from its satisfied customers.

DIPLOMAT ELECTRICALS PVT. LTD. HYDERABAD

3. To foster the culture of garnering wider customer support and creating exalted customer base, the company always thrives on new and fresh ideas from the newer generation of young and intelligent technical brains from the institute and to sharpen their intellects to the best advantage to our industry and of the country as a whole.

4. Both AIET and M/s **Diplomat Electricals Pvt. Ltd**, understand and appreciate the facts that through interactive, cooperative and collaborative efforts of industry and institute will play a very vital and productive role for an increasingly large role in economic advancement of the regional and national economic activities.

5. It is the intent of the CEO of M/s **Diplomat Electricals Pvt. Ltd** and the Principal of AIET, to bring about a level of understanding between them and work out a comprehensive program of imparting relevant knowledge to students, expand technical engagement between the industry and institute, joint research and development cooperation to bring forth an increasing dissemination of knowledge power to everybody's best interest.

6. Through this document of mutual understanding, general rules of such an collaborative action-methodology is enumerated, which in no way shall interfere the respective focus areas of their original activities. This document provides the general structure and principles to facilitate a relationship between the two partners of understanding on amicable and no profit no loss basis.

7. The field of the cooperation between the two partners will be governed by the following:

- The agencies will sit together to decide on the areas where their cooperation will bring in maximum benefit to the technical minds of the students and maximum value added benefits to the product-end-users.

- Necessary inputs and knowledge to be imparted to the students to initiate the right thinking process in them and make them ready to accept a new and challenging assignment beyond their syllabus.

- The initiated and interested students will be shortlisted and recommended to the industry.

- The students thus nominated will be guided by the industry in the finer nuances of the target objective,

- The students will be amalgamated with the existing research and development team members to contribute their might,

- The activities shall be subdivided into categories like basic design and development, production planning, assembling, individual – batch and group testing, integrated testing etc. and ending with quality assurance and packaging,

- Necessary exposure as and when required by the students for fulfillment of academic criteria like Value Added Courses, workshops, Seminars, Faulty Development Programs, Internships, Mini Projects and Major Projects will also be provided in a planned schedule,

- Performance of the students will be reviewed internally by the industry and it may culminate into job offer to suitable candidate,

- To meet the notional expenses incurred by the industry towards arranging necessary infrastructure, implements, documents, components etc., the students will be charged with a nominal fee of RR. 3,000/- per academic session and the same will be collected by the institute and forwarded to the industry,

DIPLOMAT ELECTRICAL PVT. LTD. HYDERABAD

- The effectiveness and usefulness of this initiative will be reviewed jointly by the institute and the industry at reasonable time intervals and will be acted upon accordingly,
- This understanding is envisaged to be in place for three years from the date of this agreement and may be extended by suitable periods decided during reviews,
- In case any dispute or conflict of interest arises during the tenure of this agreement, the same will be amicably settled through joint meetings between the agreed parties.

In agreement to the general arrangement presented above, both the parties –**Avanthi Institute Engineering and Technology**, Gunthapally Village, Hayathnagar(M), R.R District, Hyderabad-501512. And M/s **Diplomat Electricals Pvt. Ltd**, Hyderabad, put their respective endorsement on this Memorandum of Understanding on this 15th of July, 2021 to 14th of July,2024.

MEMORANDUM OF UNDERSTANDING

BETWEEN

WEBTEK LABS PVT LTD

AND

AVANTHI INSTITUTE OF ENGINEERING & TECHNOLOGY

PRINCIPAL
Avanthi Institute of Engg. & Tech.
Gunthapally (V), Abdullapurmet (Mdl) R.R.Dist

This MEMORANDUM OF UNDERSTANDING is entered into on this day of **January 30th, 2020.**

BETWEEN

AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY affiliated to JNTU, Hyderabad, TS and Approved by AICTE, New Delhi, is a technical educational institution that has been vested with the responsibilities of providing quality technical education in the field of engineering and technology.The institute is located at Gunthapally Village, Hayathnagar (M), RR Dist, Near Ramoji Film City,Hyderabad A.P- 501512.

WEBTEK LABS PVT LTD which is located at **4 Lee Road, Vaibhav, 5th Floor, Kolkata - 700020**

A. WEBTEK LABS PVT LTD and **AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY** are each esteemed institution, and they have a shared history of collaboration and cooperation in education, research, and public service. The two institutions have long collaborated in research consortia and programs. This history and its evolution lead to the recognition of a shared future together that sets the stage for this Memorandum of Understanding.

B. WEBTEK LABS PVT LTD is committed to strengthening its recognized role as a major research and training organization through increased interaction with major national research institutes and laboratories. **AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY** seeks to foster scientific creativity and productivity, leading to improved competitiveness and productivity through increased contact between its staff and the faculty, graduate students and undergraduate students of **AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY** recognized, through experience, that cooperation and collaboration are a critical mechanism for increasing the impact of its students, research staff, capabilities, and facilities.

C. It is the intent of the Director of **WEBTEK LABS PVT LTD** and the PRINCIPAL of **AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY** to foster and expand research, education and cooperation between the two institutions through this Memorandum of understanding. This document provides the general structure and principles to facilitate a relationship between the two institutions and is not intended to interfere with or alter relationships between students and staff of each institution.

II. Objectives of and Environment for Interaction

A. Increasing the cooperative and collaborative links between **WEBTEK LABS PVT LTD** and **AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY** will enhance the scientific, technical, and engineering competence and breadth of the two

institutions, while making better use of their respective facilities and enabling their faculty and staff to work together to develop stronger programs of mutual interest and benefit. This enhanced capability will permit both **WEBTEK LABS PVT LTD** and **AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY** to accomplish goals together that they could not achieve separately.

B. It is anticipated that a collaboration between **WEBTEK LABS PVT LTD** and **AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY** will bring new and additional resources to both partners through new programs, collaborations, efficiencies, and resource use optimization; enrich the regional economic environment with innovative, dynamic new companies born from the partnership, perhaps leading to the creation of a regional center, designer to enhance the creation of partnerships between private, and academic sectors.

III. Term and Termination of this Memorandum of Understanding

1. AND WHEREAS both **AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY** and **WEBTEK LABS PVT LTD** cooperative arrangement towards – strengthening technical education (through curriculum, faculty, infrastructure, pedagogy improvements) in line with the IT industry's requirements of relevant skill-sets in various disciplines at graduate levels in different time-frames.

2. AND WHEREAS both organizations are desirous to associate in all other related areas as may be agreed upon for furtherance of knowledge based enterprises, apt technical and management skill for future development of student's skills, exchanging of information concerning Communication and work towards effective Industry-Academic partnerships for Human resource Development and R & D.

NOW THE PARTIES HEREBY ACKNOWLEDGE AND DECLARE AS FOLLOWS:

1. The **AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY** and the **WEBTEK LABS PVT LTD**,Kolkata (Hereinafter referred to as "the Parties") agree to **establish a link ensuring Relevant Quality Training and Academic Projects that will hence be provided by the WEBTEK LABS PVT LTD for the students of CSE** stream of **AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY** especially through the following:

Program Details:

- Certificate training and Major Project assistance for **102** students at a price of Rs.**3,500**/-(Three thousands five hundred only) per student.
- Total program duration for Certificate Training (60 Hrs) + Major Project Execution(60 Hrs) total duration of 120 hours for 4th Year Students.

PRINCIPAL
Avanthi Institute of Engg. & Tech.
Guntlhapally (V), Abdullapurmet (Mdl) R.R.Dist

- Certificate Training will be on **Machine Learning with Python** and Major Projects will be on **Machine Learning with Python(16 Batches)** and **JAVA(9 Batches)**.
- In addition to the above training the Certificate training on **'C' language** will be provided to 3rd year students.
- Mentors will be provided in the ratio of 60:1.
- A daily feedback on the program is given to the branch HOD's.
- Simulation Projects and other related software projects are supported by IEEE standards.

Requirements from College:

1. Sufficient LABS with Technical specifications & Classrooms with projector are to be provided.

2. The concerned departments of the college must see to that student's attendance should be of minimum 80 percent.

3. Project coordinators are to be provided if necessary.

4. Transport has to be provided by the college.

2. The Funds Require to run do the project works and other programmers will be generated by the students of **AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY** and issued to **WEBTEK LABS PVT LTD** via the management of **AVANTHI INSTITUTE OF ENGINEERING AND TECHNOLOGY**.

3. **The payment for Major Project and Certificate Training: One student will be decided at the commencement of Training is Rs. 3500/- as agreed and by both the parties.**

4. **Both the parties has agreed for the following mode of payment:**

   a) 50% of the total payment has to be released after 10 days of commencement of Training..

   b) Remaining 50% of the payment to be made after completion of Major Projects.

   c) Separate certificates for Certificate Training and Major projects on behalf of WEBTEK LABS PVT LTD with associated oracle partner logo will be issued. On completion of certificate training and Major Projects Certificates will be given post full payment clearance.

5. The payment should be made in the form of **DD / CHEQUE** drawn in favor of **"WEBTEK LABS PVT LTD".**

PRINCIPAL
Avanthi Institute of Engg. & Tech.
Gantlagaan (V), Abdullapurmet (M), R.R. Dist.

6. **This MOU will be in operation for duration of 3 (Three)** months.

7. **During the period of this MOU:**
   WEBTEK LABS PVT LTD will ensure the completion of the Certificate Training on Machine Learning with Python and major projects on Machine Learning with Python(16 Batches) and JAVA(9 Batches) for the final year students and Certificate Training on 'C' Language for the third Year students of CSE.

8. The project will be gradually completed in all aspects viz, teaching, demonstration, guiding, building the modules, integration of the modules, coding etc, And testing of the final results.

9. The Parties may establish a "Combined Functioning Group" to manage and execute the cooperative activities mentioned in this MOU.

a. The Parties will endeavor to ensure that the Functioning Group is composed of the representatives of the institutes, organizations and academic community related to the field of **Machine Learning with Python, Java and 'C' Language.**

b. Each Party will nominate appropriate personnel to discuss and promote detailed cooperation activities for the implementation of this MOU, When necessary and as mutually agreed, the Parties may hold working meetings. One Party shall notify the other Party of any modification in writing in case of change in the assigned personnel.

C. Certificate Training and Major project feedback from students should be good enough to extend MOU for further period . Memorandum of Understanding on this 30th of January 2020 and it continues till 29th of January 2025.

CONSCIENCE TECHNOLOGIES

A Right Platform For All Engineers...

Memorandum of Understanding

This Memorandum of Understanding is made at **Avanthi Institute of Engineering and Technology** on Saturday day of 20 Jan, 2018.

BETWEEN

Conscience Technologies is a fast growing technology solution and service provider established in 2010.Conscience Technologies has highly skilled and dedicated IT Professionals to provide customized IT Solutions for several industries using 7 Years of Technical Experience having its Corporate office at #17-83/2c,3rd floor, Annapurna Function hall lane,Dilsukh Nagar,Hyderabad-500060, hereinafter referred to as "**CT**" (which term shall so far as the context admits be deemed to mean and include its successors, administrators, executors and Trainees) of the **First Part**.

AND

Avanthi Institute of Engineering and Technology located at **Gunthapally, Hayatnagar Mandal, RR District, Telangana 501512** hereinafter referred to as"**AVANTHI**" (An AICTE, New Delhi approved Technological Institute of higher learning with different disciplines Like ECE, CSE, EEE, Mech., IIT etc. and has been imparting its students with quality and up to date technical instructions through deployment of empowered, sincere and experienced technical faculties. Through various interactive and exchange programs with other institutes, research laboratories and industries, larger exposure for the students are also aimed at) of the **Second Part**.

WHEREAS:

1. CT is a Training Partner associated with various Colleges for providing training to the students as part of their project development and training activity.
2. **AVANTHI** College is an Educational institution affiliated to **JNTUH University**. The College offers various Graduate & Post Graduate Courses.

3. **AVANTHI** College is willing to enter into a Memorandum of Understanding (MOU) with **CT** for the skills enhancement initiative through project development and training, the technology platform and other face to face initiatives.

NOW IT IS HEREBY AGREED BY AND BETWEEN THE PARTIES HERETO AS UNDER:

1. **Objective:**

   The objective of this MOU is to enable students of **AVANTHI** College access resources that would enhance their employability.

2. **Period of MOU**:

   This MOU shall come into force and effect from the date of execution and shall remain valid for a period of One year from such date after which the same may be reviewed by either party. However, if the same is not renewed this arrangement will be deemed terminated on the expiry of the said duration period.

3. **Roles & Responsibilities of the College:**

1. Project work for final B-TECH, M-TECH, and MBA class shall be conducted at **AVANTHI** from 22.1.2018.
2. Two engineers from M/s Conscience Technologies will be available for guiding the students at any instant of time during the Value Added Courses, workshops, Seminars, Faulty Development Programs, Internships , Mini Projects and Major Projects.
3. The project work schedule prepared by coordinators of the department and Director M/s Conscience Technologies shall be strictly followed.
4. Fees of Rs.2300/- per student shall be paid to M/s Conscience Technologies.
5. The additional component cost shall be charged as per the requirements.

6. The project titles shall be finalized before one week from commencement of the program in consultation with Head of the Department and need to be completed according to the schedule in all respects.
7. Class rooms and labs with necessary teaching aids shall be provided by the college during the project work.
8. The agreement shall hold good for the academic year 2018.
9. Students shall bring the necessary equipment like soldering stations, multi meters required for the project work.
10. Students have to pay extra amount in case of any damage of hardware projects.

4. Roles & Responsibilities of CT:

a. CT shall be responsible to provide access to employability enhancement related activities through blended learning model including use of Training Programs.
b. CT will arrange for assessment of its own and also arrange external assessment as required.

5. Other Terms & Conditions:

Following are the other terms and conditions of MOU:

a. The students enrolled should complete the training as scheduled.
b. The students should be regular to the project class and support CT Trainers.
c. Project Coordinator to be appointed by college
d. Project Coordinator's/Guide's active support and participation is required for smooth & efficient conduct of the Project
e. The College shall not write/publish any material or use any logos/names of CT in any of the publications without prior written consent and approval from CT.

6. Commercials:

This Training Program is of cost. CT shall charge fees on whatsoever name from the students or the College for conducting the aforesaid training program.

7. Certification:

Certificates shall be awarded by CT to the students on successful completion of the project training and development of the assessment held post completion of the training program.

8. Limitations and Warranties :

Both parties agree that it would be their endeavour to prevent any liability arising out of default or non-compliance of the MOU terms by the other party.

9. Termination:

a. Both parties can terminate the MOU with a prior written thirty (30) day notice on default of terms of non-adherence to any condition or responsibilities by the other party as outlined in this MOU in case such default is not rectified within such 30 days.
b. Both parties also agree that it would be their professional endeavour that despite any termination of the MOU, progress would continue, without any prejudice to the ongoing Training Programs, which would be without any hindrance and would be progressed for completion.

10. Entirety & Amendment:

This MOU contains the entire understanding between the Parties in relation to the Project Training & Development Program. If during the operation of the MOU, circumstances may rise which call for alteration / modification to this MOU, such alteration / modification shall be mutually discussed and agreed upon in writing. Such changes will be formalized in writing as an 'Addendum' to this MOU. Any changes/amendments to this MOU not in conformance to this section shall be deemed to be void-ab-initio.

11. Intellectual Proprietary Rights:

All intellectual or proprietary property and information, supplied or developed by either Party shall be and remain the sole and exclusive property of the Party who supplied or developed same. Upon termination of this MOU and upon written request, the Party in receipt of the requesting Party's intellectual or proprietary property and/or information pursuant to this MOU shall return such information to the requesting Party.

12. Confidential Information:

a. Both parties undertake to each other to keep confidential all information (written or oral) concerning the business and affairs of the other, which has been obtained or received during the course(s) of performance hereunder, save that which is inconsequential or obvious;
b. Already in its possession other than as a result of a breach of this clause; or in the hands of the public other than as a result of a breach of this clause.
c. In the event of any of the parties becoming legally compelled to disclose any confidential information, such party shall give sufficient notice to the other party so as to enable the other party to seek a timely protective order or any other

appropriate relief. If such an order or other relief cannot be obtained, the party being required to make such a disclosure shall make the disclosure of the Confidential Information only to the extent that is legally required of it and no further.

d. Both parties agree not to deal directly or enter into any business agreement with any of the partners or associates or customers of either party during the term of the agreement and also after the agreement have been terminated, not earlier than two years from the date of termination.

13. Force Majeure:

a. Neither party to this MOU shall be liable for any failure or delay on its part in performing any of its obligations under this MOU, if such failure or delay shall be result of or arising out of Force Majeure conditions and, provided that the party claiming Force Majeure shall use its best efforts to avoid or remove such cause of non-performance and shall fulfil and continue performance hereunder with the utmost dispatch whenever and to the extent such cause or causes are removed.

b. Any extraordinary event, which cannot be controlled by the parties, shall for the purpose of this MOU be considered as a Force Majeure event. Such events include acts of God, acts or omissions of any Government or agency thereof, compliance with rules, regulations or order of any Government Authority. Provided however, if either party claims that existence of any of the aforesaid conditions is delaying or disabling the performance by said party of its obligations under this MOU, such party shall give immediate notice to the other party of the existence of such conditions whose existence are claimed to delay or disable the performance of obligations as aforesaid.

CONSCIENCE TECHNOLOGIES

Innovative Systems

Towards Quality Service

E-mail: innovative_systems@rediffmail.com

H. No.1-7-202, South Kamalanagar,
E.C.I.L. Post, Hyderabad - 500062

This Memorandum of Understanding is being entered into on the below mentioned date between:

M/s Innovative Systems

and

Avanthi Institute of Engineering and Technology

With a specific purpose of bringing the B Tech students of AVIH nearer to the Application Field of the subject matter being taught in the class and to make them aware of the ways and means through which such objectives are fulfilled.

1. Whereas the Institute, affiliated to JNTUH, Hyderabad located at VIll: Gunthapally Village, Hayathnagar(M), R.R District, Hyderabad-501512. is an AICTE, New Delhi approved Technological Institute of higher learning with different disciplines like ECE, CSE, EEE, Mech, M-Tech, MBA etc. and has been imparting its students with quality and up to date technical instructions through deployment of empowered, sincere and experienced technical faculties. Through various interactive and exchange programs with other institutes, research laboratories and industries, larger exposure for the students are also aimed at,

2. Whereas M/s **Innovative Systems**, located at **E.C.I.L. Post, Hyderabad**, is duly incorporated business house of long standing and reputed manufacturer of quality electronic equipments. With an innovative and in house R & D team, the company continues to bring in latest and state of the art instrumentations to serve its clientele. As a result, the company enjoys unstinted and continuous support from its satisfied customers.

3. To foster the culture of garnering wider customer support and creating exalted customer base, the company always thrives on new and fresh ideas from the newer generation of young and intelligent technical brains from the institute and to sharpen their intellects to the best advantage to our industry and of the country as a whole.

4. Both AIET and M/s **Innovative Systems**, understand and appreciate the facts that through interactive, cooperative and collaborative efforts of industry and institute will play a very vital and productive role for an increasingly large role in economic advancement of the regional and national economic activities.

5. It is the intent of the CEO of M/s **Innovative Systems** and the Director of AIET, to bring about a level of understanding between them and work out a comprehensive program of imparting relevant knowledge to students, expand technical engagement between the industry and institute, joint research and development cooperation to bring forth an increasing dissemination of knowledge power to everybody's best interest.

6. Through this document of mutual understanding, general rules of such an collaborative action-methodology is enumerated, which in no way shall interfere the respective focus areas of their original activities. This document provides the general structure and principles to facilitate a relationship between the two partners of understanding on amicable and no profit no loss basis.

7. The field of the cooperation between the two partners will be governed by the following:

- The agencies will sit together to decide on the areas where their cooperation will bring in maximum benefit to the technical minds of the students and maximum value added benefits to the product-end-users.
- Necessary inputs and knowledge to be imparted to the students to initiate the right thinking process in them and make them ready to accept a new and challenging assignment beyond their syllabus.

- The initiated and interested students will be shortlisted and recommended to the industry.

- The students thus nominated will be guided by the industry in the finer nuances of the target objective,

- The students will be amalgamated with the existing research and development team members to contribute their might,

- The activities shall be subdivided into categories like basic design and development, production planning, assembling, individual – batch and group testing, integrated testing etc. and ending with quality assurance and packaging,

- Necessary exposure as and when required by the students for fulfillment of academic criteria like Value Added Courses, workshops, Seminars, Faulty Development Programs, Internships, Mini Projects and Major Projects will also be provided in a planned schedule,

- Performance of the students will be reviewed internally by the industry and it may culminate into job offer to suitable candidate,

- To meet the notional expenses incurred by the industry towards arranging necessary infrastructure, implements, documents, components etc., the students will be charged with a nominal fee of RR. 3,000/- per academic session and the same will be collected by the institute and forwarded to the industry,

- The effectiveness and usefulness of this initiative will be reviewed jointly by the institute and the industry at reasonable time intervals and will be acted upon accordingly,

- This understanding is envisaged to be in place for five years from the date of this agreement and may be extended by suitable periods decided during reviews,

- In case any dispute or conflict of interest arises during the tenure of this agreement, the same will be amicably settled through joint meetings between the agreed parties.

In agreement to the general arrangement presented above, both the parties Avanthi Institute Engineering and Technology, Gunthapally Village, Hayathnagar(M), R.R District, Hyderabad-501512. And M/s **Innovative Systems**, Hyderabad, put their respective endorsement on this Memorandum of Understanding on this 27th of July, 2018 to 26th of July,2023.

FACE **Focus Academy for Career Enhancement**
An IIM Graduates Enterprise

Service Level Agreement (SLA)

The Service Level Agreement (SLA) is entered into on 13th February 2018 between

Avanthi Institute Of Engineering & Technology Near Ramoji Film City, RR District, Gunthapalli, Telangana 501512 and **Focus Academy for Career Enhancement (FACE)**, No.12, Lakshmi Nagar, Thottipalayam Pirivu, Avinashi Road, Coimbatore - 641014.

Avanthi Institute Of Engineering & Technology is represented by Principal, ***Dr. MD.Yousuf Ali*** and **FACE** is represented by ***M. Sai Kiran***, *Business Development Manager – Hyderabad 1.*

Avanthi Institute Of Engineering & Technology and **FACE** decided to lay down the terms and conditions of the SLA with the following clauses. The terms and conditions are not limited to the following but new terms shall only be added with mutual consent of both the parties.

Disputes if any are subject to jurisdiction of Coimbatore courts only.

For Avanthi Institute Of Engineering & Technology

Principal

Mr. Moola Sai Kiran Goud

(Manager,Business Development)

Section 1 – Program and batch details (common for all phases)

Full Name of College	Avanthi Institute of Engineering and Technology
Program Name	WOWS (10 hours) , Recruitment Essential (20 hours), Campus placement cracker(60 hours), Aptitude refresher (18 hours), CSAC (12 hours)
Total Program Duration (in Days)	NA
Total Program Duration (in Hours)	120 hours
No of Phases	4 Phases
Degree and Passing out year of students to be trained	B.Tech, 2019 Pass-out students
Training Dates (IMPORTANT: If exact dates are not known, please mention tentative week of execution and no of days)	Phase 1 : 15th,16th February 2018 Phase 2: 17th,19th,20th, 27th, 28th Feb 2018 Phase 3: yet to be confirmed Phase 4: yet to be confirmed
Semester of Study of students to be trained	Phase 1 : 6th Semester Students Phase 2 : 6th Semester Students Phase 3: 7th Semester Students Phase 4: 7th Semester Students
Total No of students attending the training (as per attached Batch-List)	330 Students
No of batches	Wows- 2 batches, Recruitment Essential, Campus placement cracker, Aptitude refresher, CSAC - 5 batches
Session Timings	10:30am to 12:50PM Session-I 1:30 PM to 3:50 PM session II

IMPORTANT:

- Last minute changes in training dates will not be accommodated. Hence FACE recommends that the college should double-check and ensure that none of these fall during the training dates: 1. No Local / State / National holidays. 2. No Internal tests / examinations. 3. No college functions. (Ex: Sports day, Annual day) 4. No guest lecturers / special programs. 5. No placement / recruitment process
- Any request for change in training dates needs to be communicated to FACE at-least 7 working days in advance
- Even if communicated 7 working days in advance, FACE is not automatically liable to deliver the service on the revised dates. FACE will re-confirm the possibility of service delivery based on availability of trainers, ease of trainer travel and accommodation and other constraints

- Once the SLA is signed, our Account Manager (AM) from FACE Head-Office will be in touch with you to plan finer details of logistics. Details of the Account Manager (AM) are:
  - **Name:** Ms. Preethi
  - **Mobile Number:** +91 9626 3831 55
  - **Email ID:** preethi.am@focusacademy.in
- Batch List of students to be trained needs to be attached to this SLA. This is a mandatory requirement from FACE.

DECLARATION: I have read and understood **Section 1 – Program and batch details (common for all phases)** and I agree to the same.

Asset

Memorandum of Understanding

This Memorandum of Understanding is made at Avanthi Institute of Engineering & Technology on day of 1st February, 2014.

BETWEEN

Asset Intigrated Info Systems, having its Corporate Office at #6-6-124/2, 2nd Floor, Janardhan Nilayam, Chitrala House, Kavadiguda, Secunderabad, Telangana - 500080, hereinafter referred to as "ASSET" (which term shall so far as the context admits be deemed to mean and include its successors, administrators, executors and assignees) of the First Part.

AND

Avanthi Institute of Engineering & Technology located at Gunthapally (V), Hayathnagar (M) Rangareddy Dist hereinafter referred to as "**Avanthi**" (Which term shall so far as the context admits be deemed to mean and include its successors and assigns) of the **Second Part.**

WHEREAS:

1. ASSET is a Training Partner associated with various corporates for providing training to the students.
2. Avanthi Institute of Engineering & Technology is an Educational institution affiliated to JNTUH University. The College offers various Graduate & Post Graduate Courses.
3. Avanthi Institute of Engg & Tech. is willing to enter the Memorandum of Understanding (MOU) with ASSET for the skills enhancement initiative through Tally Education and other face to face initiatives for MBA Students.

NOW IT IS HEREBY AGREED BY AND BETWEEN THE PARTIES HERE TO AS UNDER:

1. **Objective:**

The objective of this MOU is to enable MBA students of Avanthi Institute of Engg. & Tech. access resources that would enhance their employability.

2. **Period of MOU:**

This MOU shall come into force and effect from the date of execution and shall remain valid for a period of ten year from such date after which the same may be reviewed by either party. However, if the same is not renewed this arrangement will be deemed terminated on the expiry of the said duration period.

3. **Roles &Responsibilities of the College:**

a. The College shall be responsible to nominate one person with adequate accountability and responsibility to coordinate the engagement. The person so appointed would act as the single point of contact (SPOC) for the proposed initiative.
b. The College shall share the details of the students like name, email ID, contact details who are willing to undergo the aforesaid skill enhancement initiative through Tally Education with ASSET in the College Letter head.
c. It would be the responsibility of the College to ensure that proper publicity of the Program is made through College website.
d. To encourage the Students to register for the Program by informing them about the benefits of the program.
e. To provide all the support services and facilities to **ASSET** during the conduct of the said Training Program.
f. To coordinate with ASSET and facilitate conduct of all the assessments including the assessment to be conducted by the external agency (if any) identified by ASSET, as per schedule communicated by ASSET.

4. **Roles & Responsibilities of ASSET:**

   a. ASSET shall be responsible to provide access to employability enhancement related activities through blended learning model including use of Tally Education portal.

   b. ASSET will arrange for assessment of its own and also arrange external assessment as required.

5. **Other Terms & Conditions:**

   Following are the other terms and conditions of MOU:

   a. The students enrolled should complete the training as scheduled.

   b. The students should register online through Tally Education and appear for Assessments as required.

   c. Program Coordinator to be appointed by college

   d. TPO's active support and participation is required for smooth & efficient conduct of the program

6. **Certification:**

   E-Certificates shall be awarded by ASSET to the students on successful completion of the training and clearing of the assessment held post completion of the training program.

7. **Limitations and Warranties :**

   Both parties agree that it would be their endeavour to prevent any liability arising out of default or non-compliance of the MOU terms by the other party.

8. **Termination:**

   a. Both parties can terminate the MOU with a prior written thirty (30) day notice on default of terms of non-adherence to any condition or responsibilities by the other party as outlined in this MOU in case such default is not rectified within such 30 days.

   b. Both parties also agree that it would be their professional endeavour that despite any termination of the MOU, progress would continue, without any prejudice to the ongoing

Training Programs, which would be without any hindrance and would be progressed for completion.

9. Entirety &Amendment:

This MOU contains the entire understanding between the Parties in relation to the Training Program. If during the operation of the MOU, circumstances may rise which call for alteration / modification to this MOU, such alteration / modification shall be mutually discussed and agreed upon in writing. Such changes will be formalized in writing as an 'Addendum' to this MOU. Any changes/amendments to this MOU not in conformance to this section shall be deemed to be void-ab-initio.

10. Intellectual Proprietary Rights:

All intellectual or proprietary property and information, supplied or developed by either Party shall be and remain the sole and exclusive property of the Party who supplied or developed same. Upon termination of this MOU and upon written request, the Party in receipt of the requesting Party's intellectual or proprietary property and/or information pursuant to this MOU shall return such information to the requesting Party.

11. <u>Force Majeure:</u>

a. Neither party to this MOU shall be liable for any failure or delay on its part in performing any of its obligations under this MOU, if such failure or delay shall be result of or arising out of Force Majeure conditions and, provided that the party claiming Force Majeure shall use its best efforts to avoid or remove such cause of non-performance and shall fulfil and continue performance hereunder with the utmost dispatch whenever and to the extent such cause or causes are removed.

b. Any extraordinary event, which cannot be controlled by the parties, shall for the purpose of this MOU be considered as a Force Majeure event. Such events include acts of God,

acts or omissions of any Government or agency thereof, compliance with rules, regulations or order of any Government Authority. Provided however, if either party claims that existence of any of the aforesaid conditions is delaying or disabling the performance by said party of its obligations under this MOU, such party shall give immediate notice to the other party of the existence of such conditions whose existence are claimed to delay or disable the performance of obligations as aforesaid.

12. Jurisdiction and Arbitration:

a. In the event of any dispute or difference between the Parties hereto, the courts in Pune alone shall have exclusive jurisdiction to try any matter arising between the Parties hereto and accordingly both the Parties shall submit to the exclusive jurisdiction of courts in Hyderabad, Telangana.

b. Any dispute arising out of, in relation to or in respect to this MOU shall be settled through mutual consultation and agreement, by the Parties to this MOU. In case a settlement is not arrived at within fifteen (15) days of reference, the dispute/s shall be referred to a sole arbitrator to be appointed in accordance to the Arbitration and Conciliation Act, 1996 as amended from time to time. The place of arbitration shall be Hyderabad, Telangana.

IN WITNESS WHEREOF, the Parties hereto have duly executed this Agreement as on the day, month and year first hereinabove written

This Memorandum of Understanding is being entered into on the below mentioned date between:

M/s GREEN LIFE ENERGY SOLUTIONS LLP

and

Avanthi Institute of Engineering and Technology - ECE Dept.

With a specific purpose of bringing the B Tech students of AIET nearer to the Application Field of the subject matter being taught in the class and to make them aware of the ways and means through which such objectives are fulfilled.

1. Whereas the Institute, affiliated to JNTUH, Hyderabad located at Vill: Gunthapally Village,Hayathnagar(M),R.RDistrict ,Hyderabad-501512 is an AICTE, New Delhi approved Technological Institute of higher learning with different disciplines like ECE, CSE, EEE, Mech., etc. and has been imparting its students with quality and up to date technical instructions through deployment of empowered, sincere and experienced technical faculties. Through various interactive and exchange programs with other institutes, research laboratories and industries, larger exposure for the students are also aimed at,

2. Whereas M/s **GREEN LIFE ENERGY SOLUTIONS LLP**, located at **First Floor, 34/3, Lalitha Nagar Colony, West Maredpally, Secunderabad**, is duly incorporated business house of long standing and reputed manufacturer of quality electronic equipments. With an innovative and in house R & D team, the company continues to bring in latest and state of the art instrumentations to serve its clientele. As a result, the company enjoys unstinted and continuous support from its satisfied customers.

3. To foster the culture of garnering wider customer support and creating exalted customer base, the company always thrives on new and fresh ideas from the newer generation of young and intelligent technical brains from the institute and to sharpen their intellects to the best advantage to our industry and of the country as a whole.

4. Both AIET and M/s **GREEN LIFE ENERGY SOLUTIONS LLP**, understand and appreciate the facts that through interactive, cooperative and collaborative efforts of industry and institute will play a very vital and productive role for an increasingly large role in economic advancement of the regional and national economic activities.

5. It is the intent of the CEO of M/s **GREEN LIFE ENERGY SOLUTIONS LLP** and the Principal of AIET, to bring about a level of understanding between them and work out a comprehensive program of imparting relevant knowledge to students, expand technical engagement between the industry and institute, joint research and development cooperation to bring forth an increasing dissemination of knowledge power to everybody's best interest.

6. Through this document of mutual understanding, general rules of such an collaborative action-methodology is enumerated, which in no way shall interfere the respective focus areas of their original activities. This document provides the general structure and principles to facilitate a relationship between the two partners of understanding on amicable and no profit no loss basis.

7. The field of the cooperation between the two partners will be governed by the following:

- The agencies will sit together to decide on the areas where their cooperation will bring in maximum benefit to the technical minds of the students and maximum value added benefits to the product-end-users.

- Necessary inputs and knowledge to be imparted to the students to initiate the right thinking process in them and make them ready to accept a new and challenging assignment beyond their syllabus.
- The initiated and interested students will be shortlisted and recommended to the industry.
- The students thus nominated will be guided by the industry in the finer nuances of the target objective,
- The students will be amalgamated with the existing research and development team members to contribute their might,
- The activities shall be subdivided into categories like basic design and development, production planning, assembling, individual – batch and group testing, integrated testing etc. and ending with quality assurance and packaging,
- Necessary exposure as and when required by the students for fulfillment of academic criteria like Mini Project and Main Project will also be provided in a planned schedule,
- Performance of the students will be reviewed internally by the industry and it may culminate into job offer to suitable candidate,
- To meet the notional expenses incurred by the industry towards arranging necessary infrastructure, implements, documents, components etc., the students will be charged with a nominal fee of RR. 3,000/- per academic session and the same will be collected by the institute and forwarded to the industry,

- The effectiveness and usefulness of this initiative will be reviewed jointly by the institute and the industry at reasonable time intervals and will be acted upon accordingly,
- This understanding is envisaged to be in place for one year from the date of this agreement and may be extended by suitable periods decided during reviews,
- In case any dispute or conflict of interest arises during the tenure of this agreement, the same will be amicably settled through joint meetings between the agreed parties.

In agreement to the general arrangement presented above, both the parties –Avanthi Institute Engineering and Technology, Gunthapally Village, Hayathnagar(M), R.RDistrict , Hyderabad - 501512 and M/s **GREEN LIFE ENERGY SOLUTIONS LLP**, Hyderabad, put their respective endorsement on this Memorandum of Understanding on this 25th of July .2014 to 24th of July.2019.

Chambers of Commerce and Industry
Hyderabad

and

Avanthi Educational Society
PG, Pharmacy, and Engineering College
Hyderabad

MEMORANDUM OF UNDERSTANDING

Between

THE FEDERATION OF TELANGANA AND ANDHRAPRADESH CHAMBERS OF COMMERCE AND INDUSTRY (FTAPCCI), HYDERABAD

and

AVANTHI EDUCATIONAL SOCIETY, HYDERABAD

This Memorandum of Understanding (MOU) is entered between **The Federation of Telangana and AndhraPradesh Chambers of Commerce and Industry (FTAPCCI)**, Incorporated under the Indian Companies Act, 1956 having its registered office at Hyderabad and represented by its undersigned of the FIRST PARTY;

And **Avanthi Educational Society,** a Hyderabad based College representated by undersigned of the SECOND PARTY;

Whereas **FTAPCCI and Avanthi Educational Society** shall be hereinafter jointly referred to as the "Parties" and singularly as a "Party".

The Parties have decided to agree to establish industry – academic collaboration in areas of mutual interest and in accordance with terms and conditions set forth in this Memorandum of Understanding (MoU).

FTAPCCI and Avanthi Educational Society agree on following activities:

1. **FTAPCCI** Members/Industry Members will share their knowledge and experience by way of taking sessions, participating in seminars and other academic activities of **Avanthi Educational Society**. Like Industry Expert Lecturers to Students, Industry Training to Faculty & Internships/Project.

2. **FTAPCCI** will facilitate for offering internship to meritorious students of **Avanthi Educational Society** through FTAPCCI Members. However there can be screening test to the candidates interested in Internship or Project work.

3. **FTAPCCI** will arrange to provide periodic field visits to faculty and students of **Avanthi Educational Society** at its project sites/Factories of FTAPCCI members to enable them to get practical exposure and learning from interaction

4. **FTAPCCI** may offer specific assignments (case studies on industrial issues, sample surveys and data collection, presenting papers and publication in leading journals as joint publication) with identified deliverables to be executed by **Avanthi Educational Society**. Detail modalities including financials would be mutually worked out for each assignment.

5. All students & faculty of **Avanthi Educational Society** can join any free program organized by **FTAPCCI.** For paid programs **FTAPCCI** will offer 20% discount on the offered fees.

General Conditions:

1. **FTAPCCI and Avanthi Educational Society** shall designate one of its employees as the Coordinator. The Coordinator shall act as the administrative liaison in implementing the terms of this agreement.

2. The Coordinator shall be responsible for cooperating to assure mutual participation and supervision of the program.

3. The Coordinators shall be responsible for periodically review and identify ways to disrupt the operations and services of any of the parties.

4. **FTAPCCI and Avanthi Educational Society** agree to fulfill the obligations of this MOU in such a manner that it would not disrupt the operations and services of any of the parties.

5. This MoU begins on the effective date and expires on mutually agreed date with a notice period of six months, unless terminated earlier, in accordance with the MoU.

6. This MoU in no way restricts the **FTAPCCI & Avanthi Educational Society** from participating in similar activities with other private or public agencies, organizations or individuals.

7. **Avanthi Educational Society and FTAPCCI** recognize the shared responsibility they have with each other to abide by various regulations. Logo, name or any other trade mark will not be used by both the parties in their respective promotional material or elsewhere without a written consent from the other party.

8. Neither the **FTAPCCI nor Avanthi Educational Society,** will discriminate against any individual on the basis of age, sacred, race, color, handicap, sex or national origin in connection with the program.

This MoU will take effect from the date it is signed by representatives of the Parties. It will remain valid for Five Years, and may be continued thereafter suitable review and agreement. This Agreement constitutes the entire Agreement between the **Avanthi Educational Society and FTAPCCI** and superseded all proposals or prior agreement, oral or written, and all other communications, oral or written. This agreement shall not be amended, altered or changed except by written agreement of both parties.

The MoU is signed on 28th Sept 2019 at Hyderabad subject to approval of the respective academic/ administrative bodies.

On behalf of **Avanthi Educational Society**

About FTAPCCI

FTAPCCI is an **Apex Body** representing Industry, Trade & Professionals in the State of Telangana & Andhra Pradesh. It has more than 3000 direct members and with its 160 Associations/Chambers of Commerce an indirect membership of over 25000. It was a conscious decision of chamber to represent both the states because of its rich industrial and trade experience of more than 100 years of geographical area of erstwhile Andhra Pradesh.

The broad spectrum of Membership of FTAPCCI includes Manufacturing & Servicing Industries, Chartered Accountants, Tax Consultants, Legal Professionals, Consultants, Distributors, Agents, Traders, Dealers, Food Processing, Exporters, Financial Institutions, Hospitals, Hotels and many more. This makes FTAPCCI one among the largest Chambers in India. FTAPCCI is rendering excellent service for the development of economy and enriching the knowledge base of industry by organizing various events like GST, Blockchain Technology, etc. FTAPCCI has always been striving to promote the economy by way of creating greater awareness about Industry, Business Opportunities, Investment Partnerships and B2B Meetings with Foreign Delegates.

The Chamber liaises between Trade, Industry and the Government, participating & suggesting the Government of its Policies on Industry, Labour Laws, Energy, Environment, Direct, Indirect Taxes and various issues related to the Industry. It also draws attention and represents Industry to the Government towards the difficulties of Industry & Trade. The Chamber conducts studies on various subjects related to Trade and Industry and acts as a Knowledge Chamber.

FTAPCCI had the proud privilege of visits by Sri Pranab Mukharjee and Dr. A.P.J Abdul Kalam, the then President of India, Central Ministers, Governors, Chief Ministers and other Ministers of State have also addressed the members of the Industry on several subjects at FTAPCCI.

Avanthi Educational Society - PG, Pharmacy, and Engineering College

Avanthi Educational Society was registered in the year 1991 and some of the institutions promoted by the society are now in the forefront of premier educational institutions. The Avanthi PG College, Hyderabad has been repeatedly adjudged as one of the best institutions and ranked as a top 2 institution in Andhra Pradesh and top 16 institution in India by "INDIA - TODAY" a reputed national magazine. Avanthi consistently endeavors to keep abreast and ahead of its times. The academic policies of the Society have been well conceived and it offers various science programs at Degree and Post Graduate levels, and professional courses in core and applied Engineering, Pharmacy and management levels through a consortium of colleges at Hyderabad, Viskhapatnam and Vizianagaram. Since its inception, Avanthi is functioning under the aegis of Sri M. Srinivasa Rao - harbinger of higher education. Starting with a humble strength of 9 students, the society evolved 14 Education Institutions giving a multi pronged platform for various courses. A strength of about 14000 students is a striking testimony for its sojourn in the path of progress.

• Design, develop and deliver programs ensuring required quality in Aptitude, and Soft Skills which in turn will lead to professional courses as per the industry requirements and making aspirants employable.

• To be quality skill enhancement partner and projects/system integrator for corporate and government agencies

• Working closely with industry for establishing the curriculum as per its requirements and also with academia in order to enhance the quality of Technical and Engineering education in the country.

• Enhancing skills of students/aspirants through internship and vocational training.

• Also making efforts towards setting up a "Centre of Excellence" in order to enhance the competency level of aspirants and the faculty for Technical & Engineering education.

Role of the INSTITUTION

(i) The INSTITUTION shall provide the available infrastructure & basic amenities such as food, female accommodation etc.; suitable and ready for delivering the training courses and other activities in conjunction with the ASSOCIATE in the scope.

(ii) The INSTITUTION shall provide a workable space/ room with basic amenities for the staff of The ASSOCIATE to facilitate training activities for successful outcome of joint activities.

(iii) The INSTITUTION shall nominate a coordinator as a point of contact (POC) for ASSOCIATE for proper operation of Trainings.

(iv) The INSTITUTION shall treat ASSOCIATE as a training partner for joint activities for mutual benefits.

Role of the ASSOCIATE

(i) The ASSOCIATE shall utilize its strength to align with various skill development programs and initiatives to meet the objectives of The INSTITUTION. It shall accordingly design and deliver various programs within the overall scope of MoU.

(ii) The quality delivery is the responsibility of The ASSOCIATE and The ASSOCIATE would have to have in-house or engage the required manpower and the faculty as per the requirement, in conjunction with the INSTITUTION.

(iii) The ASSOCIATE shall design, develop and provide required course materials & practical training to the students.

For ASK Training Services

Proprietor

(iv) The ASSOCIATE shall market the programs to make them successful. It shall also guide and support the students for proper placement.

PAYMENT

The INSTITUTION will provide the ASSOCIATE the following Payment: INR 2400 for Quantitative Aptitude, Reasoning, and Soft Skills, in total of 120 hours, for student strength of 150.

For **Company Specific Training**, the charge will be quoted by the ASSOCIATE in prior based on the company for which the training is to be carried out.

Payment:

25% Advance on signing of the Contract, 25% in the middle of Training and (25%+25%) on completion of the program. The above quoted prices are inclusive of any taxes to be paid.

Payment Due Date:

Payment to be made before the commencement of the program. At no time the INSTITUTION is liable for more than this ceiling amount. The above Payment will be provided to the ASSOCIATE at the signing of the MOU. The Payment received for the purpose of this MOU shall be administered by the ASSOCIATE in accordance with the Staff Rules and Regulations, and related the ASSOCIATE administrative procedure.

IMPLEMENTATION OF THE MOU

The Placement Officer of the INSTITUTION and the Executive Director of the ASSOCIATE shall make the necessary arrangement to ensure satisfactory implementation of the Partnership.

The parties agree to communicate systematically to exchange views and report on accomplishments with regards to this MOU.

Whenever the receipt of contribution Payment from the INSTITUTION or the timely of the activities by the ASSOCIATE is delayed or disrupted, the ASSOCIATE and the INSTITUTION will jointly investigate all possible remedial actions to be taken.

For ASK Training Services

Proprietor

DURATION AND TERMINATION OF AGREEMENT

MOU shall be effective from the date of signing and shall remain in force for a period of two years. It shall automatically be renewed for next two years until & unless discontinued by either party.

The INSTITUTION has the right to terminate the agreement for non-performance of the ASSOCIATE, based on half yearly detailed reviews.

In case the ASSOCIATE intend to terminate the contract, it shall communicate the INSTITUTION six months in advance and in addition it shall meet all its obligations for the running or announced batches. In case of even long duration batch (if any), it is obligation of the ASSOCIATE to make it successful.

CONFIDENTIALITY

The INSTITUTION agrees and confirms that all Intellectual Training Material shall at all-time vest in and remain with and belong to the ASSOCIATE and cannot be used for at least two years from the date of termination/ completion. The INSTITUTION shall not be liable for any suit on account of demands for infringement of copyright etc. by the ASSOCIATE which has no nexus with the objective of the MoU.

GENERAL PROVISIONS

(i) Both the Parties have full power and authority to enter into this MoU and take any action execute any documents required by the terms hereof; and that this MoU, entered into has been duly and validly executed and delivered, and is a legal, valid, and binding obligation of, enforceable in accordance with the terms hereof; and that the executants of this MoU are duly empowered and authorized to execute this MoU and to perform all its obligations in accordance with the terms herein.

(ii) This agreement shall not be binding for any other agreement for either party. Parties shall be free and independent to carry on other services and trainings besides that covered under the scope of this agreement.

(iii) The ASSOCIATE & The INSTITUTION shall perform their duties in strict compliance with all applicable laws in India along with rules and regulations of duly constituted Govt, authorities in India and shall obtain all licenses, restrictions or other approval, if any, required by laws in India in connection with the services to be rendered hereunder.

For ASK Training Services

Proprietor

(iv) The ASSOCIATE shall strictly follow the INSTITUTION norms, rules and regulations for conducting the programs and shall maintain the INSTITUTION high standards.

(v) All courseware provided by the ASSOCIATE is its copy right. Confidentiality of same shall be maintained and the INSTITUTION should ensure it is not replicated outside.

(vi) Both parties can use logo, trade name, course modules & other related materials for promotion of the courses to be conducted jointly within the scope of this MoU.

(vii) Both parties shall promote the arrangement and courses through respective websites

MEMORANDUM OF UNDERSTANDING

BETWEEN

MINDWAVE Informatics

AND

AVANTHI INSTITUTE OF ENGINEERING & TECHNOLOGY

2nd Floor, SVR Towers, Opp: AXIS Bank, Srinagar Colony, Punjagutta, Hyderabad-16
Ph.No. **040-40041005** || Email: hr@mindwaveinformatics.com || www.mindwaveinformatics.com

MINDWAVE Informatics

This Memorandum of Understanding is being entered into an the below Mentioned date between:

MINDWAVE Informatics

And

Avanthi Institute of Engineering and Technology

With a specific purpose of bringing the B Tech students of AIET nearer to the Application Field of the subject matter being taught in the class and to make them aware of the ways and means through which such objectives are fulfilled.

1. Whereas the Institute, affiliated to JNTU, Hyderabad, located at VIII: Gunthapally, Hayatnagar Mandal, RR District, is an AICTE, New Delhi approved Technological Institute of higher learning with different disciplines Like ECE, CSE, EEE, Mech., IIT etc. and has been imparting its students with quality and up to date technical instructions through deployment of empowered, sincere and experienced technical faculties. Through various interactive and exchange programs with other institutes, research laboratories and industries, larger exposure for the students are also aimed at,

2. Whereas MINDWAVE Informatics located at 2nd Floor, SVR Towers, 8-2-1/A, Srinagar Colony Main Rd, Pratap Nagar, Venkateshwara Hills, Punjagutta, Hyderabad, Telangana , is duly incorporated business house of long standing and reputed manufacturer of quality electronic equipments. With an innovative and in house R it D team, the company continues to bring in latest and state of the art instrumentations to serve its clientele. As a result, the company enjoys unstinted and continuous support from its satisfied customers.

3. To foster the culture of garnering wider customer support and creating exalted customer base, the company always thrives on new and fresh ideas from the newer generation of young and intelligent technical brains from the institute and to sharpen their intellects to the best advantage to our industry and of the country as a whole.

4. Both MET and MINDWAVE Informatics understand and appreciate the facts that through interactive, cooperative and collaborative efforts of industry and institute will play a very vital and productive role for an increasingly large role in economic advancement of the regional and national economic activities.

5.It is the intent of the CEO of MINDWAVE Informatics and the principal of AIET to bring about a level of understanding between them and work out a comprehensive program of imparting relevant knowledge to students, expand technical engagement between the industry and institute, joint research and development cooperation to bring forth an increasing dissemination of knowledge power to everybody's best interest.

6. Through this document of mutual understanding, general rules of such an collaborative action-methodology is enumerated, which in no way shall interfere the respective focus areas of their original activities. This document provides the general structure and principles to facilitate a relationship between the two partners of understanding on amicable and no profit no loss basis.

7. The field of the cooperation between the two partners will be governed by the following:

- The agencies will sit together to decide on the areas where their cooperation will bring in maximum benefit to the technical minds of the students and maximum value added benefits to the product-end-users.
- Necessary inputs and knowledge to be imparted to the students to initiate the right thinking process in them and make them ready to accept a new and challenging assignment beyond their syllabus.
- The initiated and interested students will be shortlisted and recommended to the industry.
- The students thus nominated will be guided by the industry in the finer nuances of the target objective.

MINDWAVE Informatics

- The students will be amalgamated with the existing research and development team members to contribute their might,

- The activities shall be subdivided into categories like basic design and development, production planning, assembling, individual - batch and group testing, integrated testing etc. and ending with quality assurance and packaging.

- Performance of the students will be reviewed internally by the industry and it may culminate into job offer to suitable candidate,

- Necessary exposure as and when required by the students & Faculties for fulfillment of academic criteria like Value Added Courses, workshops ,Seminars, Faulty Devolopment Programmes, Internships , Mini Projects and Major Projects will also be provided in a planned schedule,

- To meet the notional expenses incurred by the industry towards arranging necessary infrastructure, implements, documents, components etc., the students will be charged with a nominal fee of RR. 3,000/- per academic session and the same will be collected by the institute and forwarded to the industry,

- The effectiveness and usefulness of this initiative will be reviewed jointly by the institute and the industry at reasonable time intervals and will be acted upon accordingly,

- This understanding is envisaged to be in place for Five year from the date of this agreement and may be extended by suitable periods decided during reviews,

- In case any dispute or conflict of interest arises during the tenure of this agreement, the same will be amicably settled through joint meetings between the agreed parties.

2nd Floor, SVR Towers, Opp: AXIS Bank, Srinagar Colony, Punjagutta, Hyderabad-16
Ph.No. **040-40041005** || Email: hr@mindwaveinformatics.com || www.mindwaveinformatics.com

MEMORANDUM OF UNDERSTANDING (MoU)

BETWEEN

AVANTHI INSTITUTE OF ENGINEERING & TECHNOLOGY

AND

PHYSITECH ELECTRONICS

This Memorandum of Understanding (hereinafter called as the MoU) is entered into on this the 17th SEP, 2018 by and between.

Avanthi Institute of Engineering and Technology

The First Party represented here in by its Principal/ Director/ Head of Institution,

And

PHYSITECH ELECTRONICS

The second party and represented herein by its Centre Head/Director/Managing Director

WHEREAS:

A) First Party is a Higher Educational Institution named: Avanthi Institute of Engineering and Technology.

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education, Placement, Industrial Visit, Expert Lecture.

D) PHYSITECH ELECTRONICS the Second Party is engaged in development and manufacturing of Test and Measuring Instruments and Lab Trainers

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

CLAUSE 1 CO-OPERATION

1.1 Both Parties are united by common interests and objectives, and they shall establish co operation.

1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities.

1.3 The parties shall co-operate with each other and shall as promptly as is responsibly practical, relevant agreement.

CLAUSE 2 SCOPE OF THE MoU

2.1 Industrial Training & Visits: Industry and Institution interaction will provide an insight into the latest developments/ requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. This will provide confidence & smooth transition for students work. Also the Second party may register on the AICTE Internship Portal for the benefit of students.

2.2 Guest Lectures: Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.

2.3 Placement of trained students: second party will actively engage to help the delivery of the training and placement of the students of the first party on the technology trends and in house requirements.

2.4 There is no financial commitment on the part of the Avanthi Institute of Engineering and Technology, the first party to take up any program mention in MoU. If there is any financial consideration, it will be dealt separately.

SHELLX
Software Solutions Pvt. Ltd.

This Memorandum of Understanding is being entered into an the below Mentioned date between:

SHELLX SOFTWARE Solutions Pvt.Ltd

And

Avanthi Institute of Engineering and Technology

With a specific purpose of bringing the B Tech students of AIET nearer to the Application Field of the subject matter being taught in the class and to make them aware of the ways and means through which such objectives are fulfilled.

1. Whereas the Institute, affiliated to JNTU, Hyderabad, located at VIII: Gunthapally, Hayatnagar Mandal, RR District, is an AICTE, New Delhi approved Technological Institute of higher learning with different disciplines Like ECE, CSE, EEE, Mech., IIT etc. and has been imparting its students with quality and up to date technical instructions through deployment of empowered, sincere and experienced technical faculties. Through various interactive and exchange programs with other institutes, research laboratories and industries, larger exposure for the students are also aimed at,

2. Whereas SHELLX SOFTWARE Solutions Pvt.Ltd located at , Flat No .204, Deepthi Vihar Phanigiri Colony, Chaitanyapuri, Hyderabad, Telangana , is duly incorporated business house of long standing and reputed manufacturer of quality electronic equipments. With an innovative and in house R it D team, the company continues to bring in latest and state of the art instrumentations to serve its clientele. As a result, the company enjoys unstinted and continuous support from its satisfied customers.

3. To foster the culture of garnering wider customer support and creating exalted customer base, the company always thrives on new and fresh ideas from the newer generation of young and intelligent technical brains from the institute and to sharpen their intellects to the best advantage to our industry and of the country as a whole.

SHELLX
Software Solutions Pvt. Ltd.

4. Both MET and SHELLX SOFTWARE Solutions Pvt.Ltd understand and appreciate the facts that through interactive, cooperative and collaborative efforts of industry and institute will play a very vital and productive role for an increasingly large role in economic advancement of the regional and national economic activities.

5.It is the intent of the CEO of SHELLX SOFTWARE Solutions Pvt.Ltd and the principal of AIET to bring about a level of understanding between them and work out a comprehensive program of imparting relevant knowledge to students, expand technical engagement between the industry and institute, joint research and development cooperation to bring forth an increasing dissemination of knowledge power to everybody's best interest.

6. Through this document of mutual understanding, general rules of such an collaborative action-methodology is enumerated, which in no way shall interfere the respective focus areas of their original activities. This document provides the general structure and principles to facilitate a relationship between the two partners of understanding on amicable and no profit no loss basis.

7. The field of the cooperation between the two partners will be governed by the following:

- The agencies will sit together to decide on the areas where their cooperation will bring in maximum benefit to the technical minds of the students and maximum value added benefits to the product-end-users.
- Necessary inputs and knowledge to be imparted to the students to initiate the right thinking process in them and make them ready to accept a new and challenging assignment beyond their syllabus.
- The initiated and interested students will be shortlisted and recommended to the industry.
- The students thus nominated will be guided by the industry in the finer nuances of the target objective.

MEMORANDUM OF UNDERSTANDING (MoU)

BETWEEN

AVANTHI INSTITUTE OF ENGINEERING & TECHNOLOGY

AND

I-TECH SYSTEMS

This Memorandum of Understanding (hereinafter called as the MoU) is entered into on this the 20th August, 2018 by and between.

Avanthi Institute of Engineering and Technology

The First Party represented here in by its Principal/ Director/ Head of Institution,

And

I-TECH SYSTEMS

The second party and represented herein by its Centre Head/Director/Managing Director

WHEREAS:

A) First Party is a Higher Educational Institution named: Avanthi Institute of Engineering and Technology.

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

I-TECH SYSTEMS
Service all Electronics, Electrical, Physics labs Test & Measuring Instruments.

Proposal for Technology Training & Major Project

7th December 2022

To
The Director,
Avanthi Institute of Engineering & Technology
Hyderabad.

Sir,

Sub: Proposal for conducting Technology Training & Major Project for final year students

As you may be aware we have been associated with your college for the past several years for conducting placement oriented programmes & Major projects. We look back with great pride and satisfaction over our successes in moulding the careers of several of your students by placing them in top notch IT companies. We now look forward to renew our association with your college by offering Technology Training & web Development on Python to your students in your college campus. Please find enclosed proposal for the same. We hope the contents are in line with your requirements. In case you need additional information, you may call us at any time for further discussions. We hope for your early concurrence and assure you of our best attention.

Thanking you,

Yours sincerely,

Kondal Reddy

TECHNOLOGY TRAINING & MAJOR PROJECTS

In-Campus or Virtual training

Proposal for Technology Training & Major Project will be organized for the Final year B.Tech students of CSE, ECE & EEE Dept at the college campus or Virtual Training with the following terms and conditions.

Important Milestones

1) Selection of titles and submission of abstracts
2) Classes on project execution methodology and brief technical overview
3) Project briefing to the teams by project coordinators
4) Pre-project presentation by the teams

TERMS & CONDITIONS

1) **Technology training Duration**
   80hrs or (40 days)

2) **Technology Training charges**
   Rupees. 2000/- per participant

3) **Major Project Duration**
   40hrs or (20 days)

4) **Project guidance charges**
   Project guidance charges: Rs. 1500/- per participant

   Installment Plan
   a) 50% payment on 12th class
   b) Remaining 50% before handover the documentation and code

5) **Roles & responsibilities**

   a) College will provide (In-campus)

   1. Required Hardware & Software.
   2. Classroom with teaching aids.
   3. One coordinator for interfacing with Manac Infotech

   b) Manac Infotech will provide

   MOU between Avanthi Institute of Engineering & Technology & Manac Infotech Pvt. Ltd.

   1. Technology training by Experience Trainer
   2. Technology Training Certificate.
   3. Project step to step guidance.
   4. Project completion Certificate.

This Training Program is of cost. SKTE shall charge fees on whatsoever name from the students or the College for conducting the aforesaid training program.

7. Certification:

Certificates shall be awarded by SKTE to the students on successful completion of the projects training and development of the assessment held post completion of the training program.

8. Limitations and Warranties:

Both parties agree that it would be their endeavour to prevent any liability arising out of default or non-compliance of the MOU terms by the other party.

9. Termination:

a. Both parties can terminate the MOU with a prior written thirty (30) day notice on default of terms of non-adherence to any condition or responsibilities by the other Party as outlined in this MOU in case such default is not rectified within such 30 days. b. Both parties also agree that it would be their professional endeavour that despite any termination of the MOU, progress would continue, without any prejudice to the ongoing Training Programs, which would be without any hindrance and would be progressed for completion.

10. Entirety & Amendment:

This MOU contains the entire understanding between the Parties in relation to the Project Training & Development Program. If during the operation of the MOU, circumstances may rise which call for alteration / modification to this MOU, such alteration / modification shall be mutually discussed and agreed upon in writing. Such changes will be formalized in writing as an 'Addendum' to this MOU. Any changes/amendments to this MOU not in conformance to this section shall be deemed to be void-ab-initio.

11. Intellectual Proprietary Rights:

All intellectual or proprietary property and information, supplied or developed by either Party shall be and remain the sole and exclusive property of the Party who supplied or developed same. Upon termination of this MOU and upon written request, the Party in receipt of the requesting Party's intellectual or proprietary property and/or information pursuant to this MOU shall return such information to the requesting Party.

12. Confidential Information:

a. Both parties undertake to each other to keep confidential all information (written or oral) concerning the business and affairs of the other, which has been obtained or received during the course(s) of performance hereunder, save that which is inconsequential or obvious;

b. Already in its possession other than as a result of a breach of this clause; or in the hands of the public other than as a result of a breach of this clause.

c. In the event of any of the parties becoming legally compelled to disclose any confidential information, such party shall give sufficient notice to the other party so as to enable the other party to seek a timely protective order or any other appropriate relief. If such an order or other relief cannot be obtained, the party being required to make such a disclosure shall make the disclosure of the Confidential Information only to the extent that is legally required of it and no further.

d. Both parties agree not to deal directly or enter into any business agreement with any of the partners or associates or customers of either party during the term of the agreement and also after the agreement have been terminated, not earlier than two years from the date of termination.

13. Force Majeure:

a. Neither party to this MOU shall be liable for any failure or delay on its part in performing any of its obligations under this MOU, if such failure or delay shall be result of or arising out of Force Majeure conditions and, provided that the party claiming Force Majeure shall use its best efforts to avoid or remove such cause of non-performance and shall fulfil and continue performance hereunder with the utmost dispatch whenever and to the extent such cause or causes are removed.

b. Any extraordinary event, which cannot be controlled by the parties, shall for the purpose of this MOU be considered as a Force Majeure event. Such events include acts of God, acts or omissions of any Government or agency thereof, compliance with rules, regulations or order of any Government Authority. Provided however, if either party claims that existence of any of the aforesaid conditions is delaying or disabling the performance by said party of its obligations under this MOU, such party shall give immediate notice to the other party of the existence of such conditions whose existence are claimed to delay or disable the performance of obligations ac aforesaid.

IN WITNESS WHEREOF, the Parties hereto have duly executed this Agreement as on the day, month and year first hereinabove written

This Memorandum of Understanding is being entered into on the below mentioned date between:

M/s Future Gen Technologies

and

Avanthi Institute of Engineering and Technology - MECH Dept.

With a specific purpose of bringing the B Tech students of AIET nearer to the Application Field of the subject matter being taught in the class and to make them aware of the ways and means through which such objectives are fulfilled.

1. Whereas the Institute, affiliated to JNTUH, Hyderabad located at Vill: Gunthapally Village,Hayathnagar(M),R.RDistrict ,Hyderabad-501512. is an AICTE, New Delhi approved Technological Institute of higher learning with different disciplines like ECE, CSE, EEE, Mech., etc. and has been imparting its students with quality and up to date technical instructions through deployment of empowered, sincere and experienced technical faculties. Through various interactive and exchange programs with other institutes, research laboratories and industries, larger exposure for the students are also aimed at,

2. Whereas **M/s Future Gen Technologies**, located at 5th Floor,Green House Building ,Beside Aditya Trade Center ,Systam Theatre Road,Ameerpet,Hyderabad, is duly incorporated business house of long standing and reputed manufacturer of quality electronic equipments. With an innovative and in house R & D team, the company continues to bring in latest and state of the art instrumentations to serve its clientele. As a result, the company enjoys unstinted and continuous support from its satisfied customers.

3. To foster the culture of garnering wider customer support and creating exalted customer base, the company always thrives on new and fresh ideas from the newer generation of young and intelligent technical brains from the institute and to sharpen their intellects to the best advantage to our industry and of the country as a whole.

4. Both AIET and **M/s Future Gen Technologies**, understand and appreciate the facts that through interactive, cooperative and collaborative efforts of industry and institute will play a very vital and productive role for an increasingly large role in economic advancement of the regional and national economic activities.

5. It is the intent of the CEO of **M/s Future Gen Technologies** and the Principal of AIET, to bring about a level of understanding between them and work out a comprehensive program of imparting relevant knowledge to students, expand technical engagement between the industry and institute, joint research and development cooperation to bring forth an increasing dissemination of knowledge power to everybody's best interest.

6. Through this document of mutual understanding, general rules of such an collaborative action-methodology is enumerated, which in no way shall interfere the respective focus areas of their original activities. This document provides the general structure and principles to facilitate a relationship between the two partners of understanding on amicable and no profit no loss basis.

7. The field of the cooperation between the two partners will be governed by the following:

- The agencies will sit together to decide on the areas where their cooperation will bring in maximum benefit to the technical minds of the students and maximum value added benefits to the product-end-users.

- Necessary inputs and knowledge to be imparted to the students to initiate the right thinking process in them and make them ready to accept a new and challenging assignment beyond their syllabus.
- The initiated and interested students will be shortlisted and recommended to the industry.
- The students thus nominated will be guided by the industry in the finer nuances of the target objective,
- The students will be amalgamated with the existing research and development team members to contribute their might,
- The activities shall be subdivided into categories like basic design and development, production planning, assembling, individual – batch and group testing, integrated testing etc. and ending with quality assurance and packaging,
- Necessary exposure as and when required by the students for fulfillment of academic criteria like Mini Project and Main Project will also be provided in a planned schedule,
- Performance of the students will be reviewed internally by the industry and it may culminate into job offer to suitable candidate,
- To meet the notional expenses incurred by the industry towards arranging necessary infrastructure, implements, documents, components etc., the students will be charged with a nominal fee of RR. 3,000/- per academic session and the same will be collected by the institute and forwarded to the industry,
- The effectiveness and usefulness of this initiative will be reviewed jointly by the institute and the industry at reasonable time intervals and will be acted upon accordingly,

- This understanding is envisaged to be in place for one year from the date of this agreement and may be extended by suitable periods decided during reviews,
- In case any dispute or conflict of interest arises during the tenure of this agreement, the same will be amicably settled through joint meetings between the agreed parties.

In agreement to the general arrangement presented above, both the parties –**Avanthi Institute Engineering and Technology** , Gunthapally Village, Hayathnagar(M), R.RDistrict , Hyderabad -501512. and **M/s Future Gen Technologies**, Hyderabad, put their respective endorsement on this Memorandum of Understanding on this 25th of July ,2014 to 24th of July, 2023.

COLLABORATION AGREEMENT BETWEEN

M/s. Avanthi Institute of Engineering & Technology, Gunthapally (Village), Abdullapurmet (Mandal), R.R.Dist-501512, Telangana.

And

M/s .Brilliant Institute of Engineering & Technology, Abdullapur (Village), Abdullapurmet (Mandal), R.R.Dist-501505,Telangana .

This agreement is made on **09.12.2021**

1. M/s **Avanthi Institute of Engineering & Technology**, Gunthapally (Village), Abdullapurmet (Mandal), R.R.Dist-501512, Telangana, was sponsored by Avanthi Educational Society, Hyderabad Dist, is an affiliated institute under JNTUH and established in the Year 2005, College Code-**AVIH**.

And

2. M/s **Brilliant Institute of Engineering & Technology,** Abdullapur (Village), Abdullapurmet (Mandal), R.R.Dist-501505, Telangana, is an affiliated institute under JNTUH and established in the Year 2008, College Code-QA-BRIL, under Brilliant Grammar School Educational Society, Hyderabad.

Aim of Memorandum of Understanding

1. The MOU aims to:

A. Interact and exchange the technical capability of both organizations to the mutual benefit of each other.

B. Lend some high-end TECHNOLOGY of **Avanthi Institute of Engineering & Technology** to the R&D Engineers of the **Brilliant Institute of Engineering & Technology**, with approval from competent authorities.

C. Coordinate with the R&D Faculty of **Avanthi Institute of Engineering & Technology** and the faculty of **Brilliant Institute of Engineering & Technology**, to bring out a good instruction manual, which shall be used by both of them, on identified projects/product development.

2. Common Interest and Agreement.

After a discussion about the strengths and objects of **Avanthi Institute of Engineering & Technology and Brilliant Institute of Engineering & Technology**, both have agreed to share the expertise available for mutual benefits in the fields of education, training, scientific and industrial research. Subsequently the discussions were held among the faculty of the ME, EEE ECE, CSE, CSE (AI&ML), CSE (Cyber Security), CSE (Soft ware Engineering) and MBA departments of AVIH and faculty of certain thematic area/programs has been identified for mutual collaboration as listed below:

M/s. St. Mary's Engineering College , Deshmukhi (V), Pochampally (M), Nalgonda Dt., & Batasingaram Village, Pochampally Mandal, Yadadri Bhuvanagiri, 508284, Telangana This agreement Is made on **10.07.2018.**

1. M/s **Avanthi Institute of Engineering & Technology , Guntapally (V), Abdullapurmet (M), Ranga Reddy (D), Telangana -501512**, Telangana,is an affiliated institute under JNTUH and established in the Year 2005, College Code-Q6-**AIET**, under **Avanthi Educational Society,** Hyderabad.

And

2 M/s St. Mary's Engineering College, **Deshmukhi (V), Pochampally (M), Nalgonda Dt., & Batasingaram Village, Pochampally Mandal, Yadadri Bhuvanagiri, 508284**, Telangana, under **Joseph Sriharsha & Mary Indraja Educational Society, Hyderabad,** Telangana is an affiliated institute under JNTUH and established in the Year 2007, College Code-BH- **SMEC.**

Aim of Memorandum of Understanding

1. **The MOU aims to:**

A. Interact and exchange the technical capability of both organizations to the mutual benefit of each other.

B. Sharing some high-end TECHNOLOGY of **St. Mary's Engineering College** to the R&D Engineers of the **Avanthi Institute of Engineering & Technology**.

C. Coordinate with the R&D Faculty of **St. Mary's Engineering College** and the faculty of **Avanthi Institute of Engineering & Technology**, to bring out a good instruction manual, which shall be used by both of them, on identified projects/product development.

2. **Common Interest and Agreement.**

After a discussion about the strengths and objects of **Avanthi Institute of Engineering & Technology** and **St. Mary's Engineering College** both have agreed to share the expertise available for mutual benefits in the fields of education, training, scientific and industrial research. Subsequently the discussions were held among the faculty of the **CSE, ECE, EEE, MECH** and **MBA** departments of **SMEC** and faculty of certain thematic area/program as been identified for mutual collaboration as listed below:

A. Faculty Exchange
B. Seminars
C. Workshops
D. Collaboration of Research & Development Activities
E. Technical Support for innovations
F. Student Exchange
G. Value Added courses

3. **Memorandum of Understanding for the period.**

The duration of this MOU shall be **Five Years** from the signing of the MOU. The MOU Shall stand cancelled if so desired otherwise by both parties and the contract agreement will be renewed with appropriate clauses. The termination of the contract if it is within the contract period shall be discussed and at least two months prior notice should be issued to the other party for the preparations to handle the pending issues.

IN WITNESS WHERE OF THE UNDERSIGNED, duly authorized there to, have signed this Memorandum of Understanding on Date: **10.07.2018.**
