Training and Placement Cell

Academic year 2018-2019

About the College:

Avanathi Institute of Engineering & Technology, Hyderabad is sponsored by Avanathi Educational Society, established in the year 2005, with the able leadership of Sri.M.Srinivasa Rao, came into being with a congregation of dedicated academicians and able administrators in the field of higher education and learning. The society has grown into a large group of more than 13 educational institutions having student strength more than 25,000 pursuing education in the field of Engineering & Technology, science, commerce, IT & Management under this fold.

About the Training and Placement Cell

Training & Placement Cell of Avanathi Institute of Engineering and Technology plays a crucial role in locating job opportunities for Under Graduates and Post Graduates passing out from the college by keeping in touch with reputed firms and industrial establishments. The Placement Cell operates round the year to facilitate contacts between companies and graduates. The number of students placed through the campus interviews is continuously rising. On invitation, many reputed industries visit the institute to conduct interviews. The Training and Placement Cell always strives to reach the expectations of the stake holders' i.e. students, parents and employers who have strong empathy and faith in the institution. The institute has been maintaining consistent placement record of 75% in reputed companies with attractive pay packages.

Training and Placement is fully equipped with excellent human resources and excellent infrastructure. The Cell has Head Placement, Technical Trainer, and Asst. Placement Officer, internal faculty of Verbal, Soft Skills Trainers and Department Placement Coordinator.

In addition to the human resources the cell has well established with following infra structures:

- 3 placement cabins with high speed internet with 100 Mbps online and offline drives.

- One seminar hall with seating capacity of 300 members, LCD projector and internet facility.
- A separate room to conduct Group Discussions.
- Separate cabins for Head Placement Officer and remaining team members.\

Objectives

- ✓ Developing the students to meet the Industries recruitment process
- ✓ To motivate students to develop Technical knowledge and soft skills in terms of career planning, goal setting
- ✓ To motivate students aspire for higher studies and guiding them to take competitive exams such as CAT, GATE, TOEFL, GRE, IES, UPSC, TNPSC etc
- ✓ Aiming to Place the maximum number of students through campus & off-campus interviews conducted by the top companies

Activities of Training & Placement Cell

Training and Placement Cell is providing exhaustive tailor made training programs and conducts on-campus and off campus placement drives to place the students in global IT-Non IT service companies. In this regard, it organises Campus Recruitment Training (CRT), internship and career counselling program.

Campus Recruitment Training (CRT)

This program is designed to aid candidates in their preparation for recruitment through on/off Campus Drives. Students entering their final year of engineering studies or currently pursuing their final year can make use of this program to get trained to deliver their best in the selection processes of organizations such as Amazon, Raukuten, TCS, Infosys, Wipro, TechMahindra, Accenture, HCL etc. The participants will be trained in the following areas:

1. Aptitude Tests (Verbal, Reasoning, Quantitative)
2. Technical Training
3. Group Discussion Process
4. Interview Process (Both HR & Technical Round)

CRT is offered for students at various phases from second year B.Tech. T&P Cell of Avanthi Institute of Engineering and Technology, has devised a comprehensive training module comprising sessions on building Quantitative Reasoning and Verbal aptitude, Technical training in C, C++,DS, JAVA. The Training also includes regular and specific CRT.

Employability Skills Training

Employability Skills programme is a part of the regular academic calendar which is designed to train the final Year B.Tech students in technical and aptitude skills. The training is imparted by both in-house team and external faculty as well.

Regular and Summer CRT

In addition to the Employability Skills programme students are trained intensively throughout the academic year and during summer break. The training aims to develop advance level Quantitative. Aptitude. Verbal_ Technical and Soft Skills of the students and the training, provides practical exposure to the students by attending mock tests. mock interviews and interactions with the industrial experts.

Company Specific CRT

In addition to the Summer CRT programme, the Cell conducts specific training for bright students to get placed in global Companies with attractive he training is offered by the external experts from the reputed training agencies.
