Seminar on Intellectual Property Rights

Details of the Resource Person: Dr. CH. Venkata Ramana Devi, Assistant Professor, OU

No. of Participants: 62

Dr. CH. Venkata Ramana Devi, Explaining about Intellectual Property Rights

A One-day Seminar on "Intellectual Property Rights" has been organized by the Department of MBA, Avanathi Institute of Engineering and Technology, Guntapally, 13-03-2020. Dr. CH. Venkata Ramana Devi has discussed regarding One area can be characterized as the protection of distinctive signs, in particular trademarks (which distinguish the goods or services of one undertaking from those of other undertakings) and geographical indications (which identify a good as originating in a place where a given characteristic of the good is essentially attributable to its geographical origin). The protection of such distinctive signs aims to stimulate and ensure fair competition and to protect consumers, by enabling them to make informed choices between various goods and services. The protection may last indefinitely, provided the sign in question continues to be distinctive.

A One-day Seminar on “**Amaature radio (ham radio)**” has been organized by the Department of ECE, Avanthi Institute of Engineering and Technology, Guntapally, from 04-02-2020. Prof.M.Bala subramaniam has discussed **Amateur radio**, also known as **ham radio**, is the use of the radio frequency spectrum for purposes of non-commercial exchange of messages, wireless experimentation, self-training, private recreation, radio sport, contesting, and emergency communications. The amateur radio service is established by the International Telecommunication Union (ITU) through the Radio Regulations. National governments regulate technical and operational characteristics of transmissions and issue individual station licenses with a unique identifying call sign, which must be used in all transmissions. Radio amateurs are limited to a small set of frequency bands, the amateur radio bands, allocated throughout the radio spectrum, but within these bands are allowed to transmit on any frequency using a variety of voice, text, image, and data communications modes.

EXPENDITURE DATED 04-02-2020

The R&D Cell is has Conducted a One day Seminar on "Amaature radio (ham radio)" 04-02-2020 for all the faculty members and students.

The following, are the details of the expenditure:

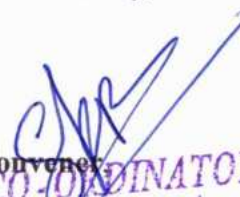

S.NO	Description	Amount in Rs
1	Certificates Printing	400.00
2	HONORARIUM+TA	4000.00
3	Miscellaneous (one day)	400.00
Total		4800.00

Total number of Registrations: 42

Total amount Spent: Rs. 4800/- (Four thousand Eight Hundred only)

Guntapally,

27-06-2020.

To,

The Principal,

Avanthi Institute of Engineering and Technology, Guntapally,

Hyderabad.

Sub: Request for an approval to conduct a workshop on **"beginning with machine learning"** -reg.

This is to inform you that the Department of Computer Science & Engineering is planning to conduct a workshop on **"beginning with machine learning"** from 01-07-2020 to 06-07-2020. The resource person for the workshop is

Prof Narasimha rao

Director,

Cyber piece foundation

The resource person's lecture would enlighten all the participants about pursuing research and publications. We request you to give permission to organize the workshop on the above-mentioned date.

Thanking you Sir,

PRINCIPAL

Avanthi Institute of Engg. & Tech
Gunthapally (V), Abdullapurmet (Mdl), R.R. Dist.

Workshop on beginning with machine learning

Details of the Resource Person: Prof Narasimha rao, Director, Cyber piece foundation

No. of Participants: 42

Prof Narasimha rao, Explaining about beginning with machine learning

A Two-day workshop on "**beginning with machine learning**" has been organized by the Department of CSE, Avanthi Institute of Engineering and Technology, Gunthapally, from 01-07-2020 to 02-07-2020. **Prof Narasimha rao**, has discussed **Machine learning (ML)** is an umbrella term for solving problems for which development of algorithms by human programmers would be cost-prohibitive, and instead the problems are solved by helping machines 'discover' their 'own' algorithms, without needing to be explicitly told what to do by any human-developed algorithms. Recently, generative artificial neural networks have been able to surpass results of many previous approaches. Machine learning approaches have been applied to large language models, computer vision, speech recognition, email filtering, agriculture and medicine, where it is too costly to develop algorithms to perform the needed tasks. The mathematical foundations of ML are provided by mathematical optimization (mathematical programming) methods. Data mining is a related (parallel) field of study, focusing on exploratory data analysis through unsupervised

EXPENDITURE DATED 06-07-2020

The R&D Cell is has Conducted a Five days' workshop on "**beginning with machine learning**" 01/07/2020 to 06/07/2020 for all the faculty members and students.

The following, are the details of the expenditure:

S.NO	Description	Amount in Rs
1	Certificates Printing	400.00
2	HONORARIUM+TA	5000.00
3	Miscellaneous (one day)	400.00
Total		5800.00

Total number of Registrations: 42

Total amount Spent: Rs. 5800/- (Five thousand Eight Hundred only)

Guntapally,

08/08/2019.

To,

The Principal,

Avanthi Institute of Engineering and Technology, Guntapally,

Hyderabad.

Sub: Request for an approval to conduct a workshop on **"E-Resources for teaching & learning"** -reg.

This is to inform you that the Department of Master of Business & Administration is planning to conduct a workshop on **"E-Resources for teaching & learning"** from 12-08-2019 to 16-08-2019. The resource person for the workshop is

Sandhya sripadha

HCU University

The resource person's lecture would enlighten all the participants about pursuing research and publications. We request you to give permission to organize the workshop on the above mentioned date.

Thanking you Sir,

PRINCIPAL
Avanthi Institute of Engg. & Tech
Gunthapally (V), Abdullapurmet (Mdl), R.R. Dist.

Yours Sincerely,

R & D Coordinator

Workshop on E-Resources for teaching & learning

Details of the Resource Person: Sandhya sripadha, HCU University

No. of Participants: 74

Sandhya sripadha, HCU University Explaining about E-Resources for teaching & learning

A Five-day workshop on "E-Resources for teaching & learning" has been organized by the Department of MBA, Avanthi Institute of Engineering and Technology, Gunthapally, from 12-08-2019 to 13-08-2019. **Sandhya sripadha** has discussed as "the study and ethical practice of facilitating learning and improving performance by creating, using and managing appropriate technological processes and resources". It denotes instructional technology as "the theory and practice of design, development, utilization, management, and evaluation of processes and resources for learning". As such, educational technology refers to all valid and reliable applied education sciences, such as equipment, as well as processes and procedures that are derived from scientific research, and in a given context may refer to theoretical, algorithmic or heuristic processes: Educational technology is the process of integrating technology into education in a positive manner that promotes a more diverse learning environment and a way for students to learn how to use technology as well as their common assignments.

11/04/2020

To,

The Principal,

Avanthi Institute of Engineering and Technology, Guntapally,

Hyderabad.

Sub: Request for an approval to conduct a workshop on **"Research Methodology"** - reg.

This is to inform you that the Department of Master of Business & Administration is planning to conduct a workshop on **"Research Methodology"** from 15-04-2020 to 20-04-2020. The resource person for the workshop is

Dr Chetan Srivastava

Associate Professor

University of Hyderabad

The resource person's lecture would enlighten all the participants about pursuing research and publications.

We request you to give permission to organize the workshop on the above mentioned date.

Thanking you Sir,

PRINCIPAL

Avanthi Institute of Engg. & Tech
Gunthapally (V), Abdullapurmet (Mdl), R.R. Dist.

Workshop on Research Methodology

Details of the Resource Person: Dr Chetan Srivastava, Assoc Professor, University of HYD

No. of Participants: 71

Dr Chetan Srivastava, Assoc Professor, University of HYD Explaining about Research Methodology

A Five-day workshop on “**Research Methodology**” has been organized by the Department of MBA, Avanthi Institute of Engineering and Technology, Guntapally, from 15-04-2020 to 20-04-2020. Dr Chetan Srivastava has discussed according to Somekh and Lewin (2005), a research methodology is both “the collection of methods or rules” you apply to your research, as well as the “principles, theories, and values” that support your research approach. Simply put, a research paper’s methodology section must shed light on how you were able to collect or generate your research data and demonstrate how you analyze them (SHU Library, 2020). For novice researchers, writing the methodology of a research paper can be an overwhelming process, especially considering the intricate elements covered by this section (J. Ellis & Levy, 2009, p. 323). The goal of this article is to define what is research methodology, guide novice researchers in their research methodology writing, and to help them gain a clear understanding of a research methodology’s structure.

EXPENDITURE DATED 20-04-2020

The R&D Cell is has Conducted a Five days' workshop on "Research Methodology" 15-04-2020 to 20-04-2020 for all the faculty members and students.

The following, are the details of the expenditure:

S.NO	Description	Amount in Rs
1	Certificates Printing	900.00
2	HONORARIUM+TA	6000.00
3	Miscellaneous (one day)	900.00
Total		7800.00

Total number of Registrations: 71

Total amount Spent: Rs. 7800/- (Seven thousand Eight Hundred only)

Guntapally

01/09/2019

To,

The Principal,

Avanthi Institute of Engineering and Technology, Guntapally,

Hyderabad.

Sub: Request for an approval to conduct a workshop on "**Business Methodologies**" - reg.

This is to inform you that the Department of Master of Business & Administration is planning to conduct a workshop on "**Business Methodologies**" from 04-09-2019 to 09-09-2019. The resource person for the workshop is

Bhavesh Tiwari

Cluster Manager

The resource person's lecture would enlighten all the participants about pursuing research and publications. We request you to give permission to organize the workshop on the above mentioned date.

Thanking you Sir,

PRINCIPAL
Avanthi Institute of Engg. & Tech
Gunthapally (V), Abdullapurmet (Mdl), R.R. Dist.

Workshop on Business Methodologies

Details of the Resource Person: Bhavesh Tiwari, Cluster Manager

No. of Participants: 30

Bhavesh Tiwari, Cluster Manager Explaining about Business Methodologies

A Five-day workshop on “**Business Methodologies**” has been organized by the Department of MBA, Avanathi Institute of Engineering and Technology, Guntapally, from 04-09-2019 to 09-09-2019. **Bhavesh Tiwari** has discussed Running a business could be described as a blend of natural acumen and science. Methodology aims to provide the science. It teaches a myriad of techniques, e.g. styles of leadership, how to use techniques to identify gaps in the markets, how to create compelling demand for products or services and so the list goes on. The art, however, comes from business professionals themselves. They make business methodology their own in order to fit their own context and parameters. As customers become more informed and solutions more complex, methods of being in business will continue to help businesses become trusted, go-to brands on whom people can rely. No one methodology fits all. A business methodology can be selected based on the type of industry in which a company operates or selected to align with its customers, its overall strategy or other influencing factors.

A Five-day workshop on “**Entrepreneurship Skill**” has been organized by the Department of MBA, Avanathi Institute of Engineering and Technology, Guntapally, from 24-09-2019 to 28-09-2019. Mr V.Krishna Prasad CEO has discussed **Entrepreneurship** is the creation or extraction of economic value. With this definition, entrepreneurship is viewed as change, generally entailing risk beyond what is normally encountered in starting a business, which may include other values than simply economic ones. An **entrepreneur** is an individual who creates and/or invests in one or more businesses, bearing most of the risks and enjoying most of the rewards. The process of setting up a business is known as "entrepreneurship". The entrepreneur is commonly seen as an innovator, a source of new ideas, goods, services, and business/or procedures. Regardless of the firm size, big or small, it can take part in entrepreneurship opportunities. There are four criteria for becoming an entrepreneur. First, there must be opportunities or situations to recombine resources to generate profit. Second, entrepreneurship requires differences between people, such as prefer entail access to certain individuals.

Guntapally

12/12/2019

To,

The Principal,

Avanthi Institute of Engineering and Technology, Guntapally,

Hyderabad.

Sub: Request for an approval to conduct a workshop on **"Smart sensors for iot applications"** - reg.

This is to inform you that the Department of Computer Science & Engineering is planning to conduct a workshop on **"Smart sensors for iot applications"** from 16-12-2019 to 20-12-2019.

The resource person for the workshop is

Ravindra kumar

Assoc Professor

HCU University

The resource person's lecture would enlighten all the participants about pursuing research and publications. We request you to give permission to organize the workshop on the above mentioned date.

PRINCIPAL

Avanthi Institute of Engg. & Tech

Gunthapally (V), Abdullapurmet (Mdl), R.R. Dist.

Thanking you Sir,

Workshop on Smart sensors for iot applications

Details of the Resource Person: Ravindra kumar, Assoc Professor, HCU University

No. of Participants: 30

Ravindra kumar ,HCU University Explaining about Smart sensors for IOT applications

A Five-day workshop on “**Smart sensors for IOT applications**” has been organized by the Department of CSE, Avanathi Institute of Engineering and Technology, Guntapally, from 16-12-2019 to 20-12-2019. Ravindra kumar, Assoc Professor, HCU University has discussed the **Internet of things (IoT)** describes devices with sensors, processing ability, software and other technologies that connect and exchange data with other devices and systems over the Internet or other communications networks. The IOT encompasses electronics, communication and computer science engineering. they only need to be connected to a network, and be individually addressable. The field has evolved due to the convergence of multiple technologies, including ubiquitous computing, commodity sensors, and increasingly powerful embedded systems, as well as machine learning. Older fields of embedded systems, wireless sensor networks, control systems, ect

Seminar on Copy Rights and Geographical Indications

Details of the Resource Person: Mr B Lakshmipathi BVRIT

No. of Participants: 47

Mr B Lakshmipathi BVRIT Explaining about Copy Rights and Geographical Indications

A One-day Seminar on “**Copy Rights and Geographical Indications**” has been organized by the Department of MBA, Avanathi Institute of Engineering and Technology, Guntapally, on 29-01-2020. Mr B Lakshmipathi has discussed Geographical indications and trademarks are distinctive signs used to distinguish goods or services in the marketplace. Both convey information about the origin of a good or service, and enable consumers to associate a particular quality with a good or service. Trademarks inform consumers about the source of a good or service. They identify a good or service as originating from a particular company. Based on its place of origin, consumers may associate a good with a particular quality, characteristic or reputation. A trademark can be assigned or licensed to anyone, anywhere in the world, because it is linked to a specific company and not to a particular place

15-07-2019

To,

The Principal,

Avanathi Institute of Engineering and Technology, Gunthapally,

Hyderabad.

Sub: Request for an approval to conduct a Workshop on **"Entrepreneurship For Life Sciences"** -reg.

This is to inform you that the Department of Master of Business & Administration is planning to conduct a Workshop on **"Entrepreneurship For Life Sciences"** from 17-07-2019 To 22-07-2019. The resource person for the Workshop is

Ms. Vijaya Mair

CVR

The resource person's lecture would enlighten all the participants about pursuing research and publications. We request you to give permission to organize the Workshop on the above mentioned date.

Thanking you Sir,

Yours Sincerely,

R & D Coordinator

Workshop on Entrepreneurship for Life Sciences

Details of the Resource Person: Ms. Vijaya Mair , CVR

No. of Participants: 82

Ms. Vijaya Mair , CVR, Assistant Professor

Explaining about Entrepreneurship For Life Sciences

A Five-day Workshop on “**Entrepreneurship For Life Sciences**” has been organized by the Department of MBA, Avanathi Institute of Engineering and Technology, Guntapally, from 17-07-2019 To 22-07-2019. Ms. Vijaya Mair has discussed The economist Joseph Schumpeter saw the role of the entrepreneur in the economy as "creative destruction", Which he defined as launching innovations that simultaneously destroy old industries while ushering in new industries and approaches. For Schumpeter, the changes and "dynamic economic equilibrium brought on by the innovating entrepreneur [were] the norm of a healthy economy". While entrepreneurship is often associated with new, small, for-profit start-ups, entrepreneurial behavior can be seen in small-, medium- and large-sized firms, new and established firms and in for-profit and not-for-profit organizations, including voluntary-sector groups, charitable organizations and government

24-04-2020

To,

The principal,

Avanthi Institute of Engineering and Technology, Guntapally,

Hyderabad.

Sub: Request for an approval to conduct a Seminar on **"World Intellectual Property Rights Day"** -reg.

This is to inform you that the Department of Master of Business & Administration is planning to conduct a Seminar on **"World Intellectual Property Rights Day"** from 26-04-2020. The resource person for the Seminar is

Dr. Suryanarayana Alamuri,

Professor

Osmania University

The resource person's lecture would enlighten all the participants about pursuing research and publications.

We request you to give permission to organize the Seminar on the above-mentioned date.

Seminar on World Intellectual Property Rights Day

Details of the Resource Person: Dr. Suryanarayana Alamuri, Professor, Osmania University

No. of Participants: 92

Dr. Suryanarayana Alamuri, Explaining about World Intellectual Property Rights Day

A one-day Webinar on “World Intellectual Property Rights Day” has been organized by the Department of MBA, Avanathi Institute of Engineering and Technology, Gunthapally, on 26-04-2020. **Dr. Suryanarayana Alamuri** has discussed In a statement to the 33rd Session of the Assemblies of the Member States of WIPO in September 1988, the Director General of the National Algerian Institute for Industrial Property (INAPI) “suggested that an International Intellectual Property Day be instituted.” In a subsequent letter to the WIPO Director General dated April 7 1999, aim of establishing such a day “would be to set up a framework for broader mobilization and awareness, to open up access achievements of promoters of intellectual property throughout the world.” On August 9, 1999, in a letter from Jiang Ying, Commissioner of the State Intellectual Property Office of the People’s Republic of China, the Chinese delegation proposed “that WIPO adopt the commemoration of its 30th anniversary of founding (26 April) as the “World Intellectual Property Day,” as an annual event.

Guntapally

08-10-2019

To,

The principal,

Avanthi Institute of Engineering and Technology, Guntapally,

Hyderabad.

Sub: Request for an approval to conduct a workshop on **"Entrepreneurship as a Career"** -reg.

This is to inform you that the Department of Master of Business & Administration is planning to conduct a workshop on **"Entrepreneurship as a Career"** from 10-10-2019 To 15-10-2019. The resource person for the workshop is

Dr. Sapana Singh

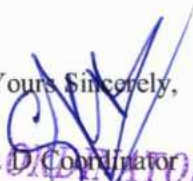

Associate Professor

University of HYD

The resource person's lecture would enlighten all the participants about pursuing research and publications. We request you to give permission to organize the workshop on the above-mentioned date.

Thanking you Sir,

PRINCIPAL
Avanthi Institute of Engg. & Tech
Gunthapally (V), Abdullapurmet (Mdl), R.R. Dist.

Yours Sincerely,

R & D COORDINATOR
AVANTHI INSTITUTE OF ENGINEERING & TECHNOLOGY
Gunthapally (VIII), Abdullapurmet (Mdl),
Ranga Reddy Dist, Telangana State.

Workshop on Entrepreneurship as a Career

Details of the Resource Person: Dr. Sapana Singh, Associate Professor, UOH

No. of Participants: 117

Dr. Sapana Singh, Explaining about Entrepreneurship as a Career

A Two-day workshop on “**Entrepreneurship as a Career**” has been organized by the Department of MBA, Avanathi Institute of Engineering and Technology, Guntapally, from 10-10-2019 To 15-10-2019. Dr. Sapana Singh has discussed an **entrepreneur** is a person who organizes a venture to benefit from an opportunity, rather than working as an employee. Entrepreneurs play a key role in any economy. These are the people who have the skills and initiative necessary to anticipate current and future needs and bring good new ideas to market. Entrepreneurs who are successful in taking on the risks of a startup are rewarded with profits, fame and continued growth opportunities. Those who fail suffer losses and become less important in the markets. Many fail, lose money, and close the business. The entrepreneur assumes all the risks and rewards of the venture and is usually the sole proprietary, a partner or the owner of the majority of shares in an incorporated venture. As the main decision maker, the entrepreneur monitors and controls the business activities.

To,

The Principal,

Avanthi Institute of Engineering and Technology, Guntapally,

Hyderabad.

Sub: Request for an approval to conduct a Seminar on **"Patents, Patentability Criteria, Types of Patents"** -reg.

This is to inform you that the Department of Master of Business & Administration is planning to conduct a Seminar on **"Patents, Patentability Criteria, Types of Patents"** on 05-03-2020. The resource person for the Seminar is

Dr. Ramesh babu,

Professor

Andhra University

The resource person's lecture would enlighten all the participants about pursuing research and publications. We request you to give permission to organize the Seminar on the above-mentioned date.

Thanking you Sir,

Seminar on Patents, Patentability Criteria, Types of Patents

Details of the Resource Person: Dr. Ramesh babu, Professor, Andhra University

No. of Participants: 69

Dr. Ramesh babu, Professor, Andhra University

Explaining about Patents, Patentability Criteria, Types of Patents

A One-day Seminar on “**Patents, Patentability Criteria, Types of Patents**” has been organized by the Department of MBA, Avanathi Institute of Engineering and Technology, Guntapally, from 05-03-2020. **Dr. Ramesh babu** has discussed A **patent** is a type of intellectual property that gives its owner the legal right to exclude others from making, using, or selling an invention for a limited period of time in exchange for publishing an enabling disclosure of the invention. In most countries, patent rights fall under private law and the patent holder must sue someone infringing the patent in order to enforce their rights The procedure for granting patents, requirements placed on the patentee, and the extent of the exclusive rights vary widely between countries according to national laws and international agreements. Typically, however, a patent application must include one or more claims that define the scope of protection that is being sought. A patent may include many claims, each of which defines a specific property right.

Workshop on Entrepreneurship & Innovation as Carrer

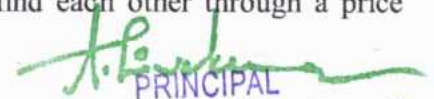

Details of the Resource Person: Prof Nageswara Singh, OU

No. of Participants: 97

Prof Nageswara Singh Explaining about Entrepreneurship & Innovation as Carrer

A Five-day workshop on “**Entrepreneurship & Innovation as Carrer**” has been organized by the Department of MBA, Avanathi Institute of Engineering and Technology, Guntapally, from 28-10-2019 To 01-11-2019. **Prof Nageswara Singh** has The understanding of entrepreneurship owes much to the work of economist Joseph Schumpeter and the Austrian school such as Ludwig von Mises and von Hayek. In Schumpeter (1950), an entrepreneur is a person who is willing and able to convert a new idea or invention into a successful innovation. Entrepreneurship forces "creative destruction" across markets and industries, simultaneously creating new products and business models. In this way, creative destruction is largely responsible for the dynamism of industries and long-run economic growth. Despite Schumpeter's early 20th-century contributions, the traditional microeconomic theory of economics has had little room for entrepreneurs in its theoretical frameworks (instead assuming that resources would find each other through a price system).

Guntapally,

10/11/2019.

To,

The principal,

Avanthi Institute of Engineering and Technology, Guntapally,

Hyderabad.

Sub: Request for an approval to conduct a Seminar on **"Applied Research & Innovation"** - reg.

This is to inform you that the Department of Master of Business & Administration is planning to conduct a Seminar on **"Applied Research & Innovation"** on 12-11-2019. The resource person for the Seminar is

M BHAVANI

JNTU

The resource person's lecture would enlighten all the participants about pursuing research and publications.

We request you to give permission to organize the Seminar on the above-mentioned date.

Thanking you Sir,

PRINCIPAL

Avanthi Institute of Engg. & Tech
Gunthapally (V), Abdullapurmet (Mdl), R.R. Dist.

Seminar on Applied Research & Innovation

Details of the Resource Person: M Bhavani JNTU

No. of Participants: 77

M Bhavani, JNTU Explaining about on Applied Research & Innovation

A One-day Seminar on “**Applied Research & Innovation**” has been organized by the Department of MBA, Avanthi Institute of Engineering and Technology, Guntapally, on 12-11-2019. M Bhavani has discussed Applied research is the practical application of science. It accesses and uses accumulated theories, knowledge, methods, and techniques, for a specific state-, business-, or client-driven purpose. In contrast to engineering, applied research does not include analyses or optimization of business, economics, and costs. Applied research can be better understood in any area when contrasting it with, basic, or pure, research. Basic geography research strives to create new theories and methods that aid in the explanation of the processes that shape the spatial structure of physical or human environments. Thus, transparency in the methodology is crucial. Implications for interpretation of results brought about by relaxing an otherwise strict canon of methodology should also be considered.

Seminar on Motivational Session by Successful Entrepreneur

Details of the Resource Person: M. Bala Subramaniam, Osmania University

No. of Participants: 126

M. Bala Subramaniam, Explaining about Motivational Session by Successful Entrepreneur

A One-day Seminar on “**Motivational Session by Successful Entrepreneur**” has been organized by the Department of MBA, Avanathi Institute of Engineering and Technology, Gunthapally, from 18-03-2020. M. Bala Subramaniam has discussed The Session was very interactive and thought proving, where the Speaker elaborated on the hardships encountered in establishing himself as a Successful Entrepreneur. He advised the students to fix goals in life and work towards achieving their goals. He counseled the students to come out of their hangover, overcome difficult situations in their journey towards success, try to grow to be balanced and more professional and more human. He advised the students to get addicted to success, while he taught the students to take negative criticism only to prove the critic wrong. He also shared his opinion on how privileged it is to be an entrepreneur. The students too were very interactive during the session.

Seminar on Write a Research Report, Article/Paper and Thesis

Details of the Resource Person: Dr. Sindhu MBA. Ph.D

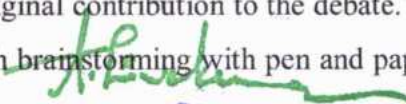

No. of Participants: 119

Dr. Sindhu MBA. Ph.D. in Business Management from Osmania University, Hyderabad

Explaining about Write a Research Report, Article/Paper And Thesis

A One-day Seminar on “Write a Research Report, Article/Paper And Thesis” has been organized by the Department of MBA, Avanathi Institute of Engineering and Technology, Gunthapally, on 03-01-2020. Dr. Sindhu has discussed A research paper is a piece of academic writing that provides analysis, interpretation, and argument based on in-depth independent research. Research papers are similar to academic essays, but they are usually longer and more detailed assignments, designed to assess not only your writing skills but also your skills in scholarly research. Writing a research paper requires you to demonstrate a strong knowledge of your topic, engage with a variety of sources, and make an original contribution to the debate. There are many ways to generate an idea for a research paper, from brainstorming with pen and paper to talking it through with a fellow student or professor.

Workshop on Essentials of Entrepreneurship

Details of the Resource Person: Sri. A. Chandra Sekhar , JNTU

No. of Participants: 89

Sri. A. Chandra Sekhar Explaining about Essentials of Entrepreneurship

A Five-day workshop on “**Essentials of Entrepreneurship**” has been organized by the Department of MBA, Avanthi Institute of Engineering and Technology, Guntapally, from 22-11-2019 To 27-11-2019. **Sri. A. Chandra Sekhar** has discussed An entrepreneur refers to someone who builds or operates their own business. By having an equity stake in the firm, the entrepreneur can enjoy a great deal of profit if things go well; but they also take on a great deal of risk far more than a regular employee of the business. This entrepreneurial risk can take several forms, including financial risk, career risk, emotional risk, or overall business risk. Since there is so much at stake when it comes to starting and growing a successful business, there are very specific skills that an entrepreneur usually needs to be successful. Below, we highlight five such attributes.
