Every mentor has to prepare a list of all the students allotted to her with details of Name, Class, Division, Roll Number, Contact Number and E Mail Id. The mentor will be allocated with responsibility to take care of all the mentees so as to provide them career counseling, personal counseling, support them for any kind of problem in their curriculum and make provision of remedial coaching and support.

Responsibilities

The mentor will perform the following functions.

- Meet the group of students at least twice a month.
- Continuously monitor, counsel, guide and motivate the students in all academic matters.
- Advise the students regarding choice of electives, project, summer training etc.
- Contact parents/guardians if situation demands e.g. academic irregularities, negative behavioral activities
- Motivate the students in their career development
- Maintain contact with the students even after their graduation.
- Maintain a detailed progressive record of the student (format attached).
- Maintain a brief record of all discussions with students
